Elmwood

From the Leader-Echo.

At time of going to press Uncle James Hall was very low, and unless a change for the better sets in soon, there is very little hopes for his recovery.

John Weber stepped on a rusty nail Tuesday evening, and the wound gave him so much trouble that he came in Wednesday to see the doctor and have the wound thoroughly cleansed. No serious results are looked for.

Charles Ferguson returned Sunday from a sojourn of three or four months at Los Angeles, California. He has not been feeling very well for some time and came home to "rest up." He still likes Nebraska a great deal better than California.

Henry Bischoff's little boy, who was dangerously ill from blood poisoning caused by running a rusty nail into one of his knees, is much better. Dr. Neely injected anti-toxin last Sunday morning, and the patient almost immediately began to improve.

Eagle

From the Beacon.

The hot weather this week has hindered harvesting and haying.

A baby was born to Mr. and Mrs. Shreves, living southeast of town, last Sunday. The child only lived a few hours and was buried Monday.

Chas. Martin, living south of Greenwood, had 20 acres of wheat from which he claims to have threshed 484 bushels per acre. Wouldn't that make a fellow stand up for Cass county?

The little child of Mr. and Mrs. Henry Stall ate some lime last Monday which seared the parents quite badly for a little time. A doctor was called and the little fellow was soon relieved of any danger.

Joe Beiser, a former resident of Eagle, was calling on old friends here last Saturday. Mr. Beiser has been studying dentistry in Philadelphia the past few years and expects to open an office in Lincoln.

Nels Jepperson failed to get started for Denmark last week but left on Tuesday of this week from Alvo. He

will go to Montreal and take ship for Liverpool, and from there to Copenhagen. It has been 37 years since Mr. Jepperson left Denmark where his mother and aunt still live. He expects to be gone about three months.

A Tragic Finish.

A watchman's neglect permitted a leak in the great North Sea dyke, which a child's finger could have stopped, to become a ruinous break, devastating an entire province of Holland. In like manner Kenneth Miller, of Vanceboro, Me., permitted a little cold to go unnoticed until a tragic finish was only averted by Dr. King's New Discovery. He writes: "Three doctors gave me up to die of lung inflammation, caused by a neglected cold; but Dr. King's New Discovery saved my life." Guaranteed best cough and cold cure, at F. G. Fricke & Co.'s drug store. 50c and \$1.00 Trial bottle free.

Celebrate His 70th Birthday.

Last Sunday afternoon was a pretty scene at the Cedar Lawn Stock farm, where a few friends and relatives gathered to celebrate the seventieth birthday anniversary of Mr. J. D. Ferguson. The time was spent in the parlors and on the beautiful velvet green lawn among the flowers and shrubbery in pleasant conversation and music afforded by Mr. and Mrs. Joe Tighe of Elmwood. The rooms and tables were tastefully decorated with beautiful flowers.

Covers were laid for Mr. and Mrs. Geo. Barger, W. M. Wendt, Joe Tighe, Student Gerbling, Mrs. Exie Ivers and children of Lincoln. Mrs. Edward Pribble, W. A. Cleghorn, Misses Neva Wood, Daisy Twiss, Mary Cleghorn and Mr. James Stander.

The guests join in a chorus, wishing Mr. Ferguson many happy returns of the day.—Louisville Courier.

It is the fondest wish of the Journal that its old friend may live to celebrate his 100th anniversary, and that he and his excellent family may continue to enjoy the pleasures of life.

Modest Claims Often Carry the Most Conviction

When Maxim, the famous gun inventor placed his gun before a court of judges, he stated its carrying power much below what he thought the gun would accomplish. The result of the trial was therefore great surprise instead of disappointment. It is the same with the manufacturers of Chamberlain's Colic, Cholera and Diarrhoea remedy. They do not publicly boast of all this great remedy will accomplish, but prefer to let the users make the statements. What they do claim, is that it will positively cure diarrhoea, dysentery, pains in the stomach and bowels and has never been known to fail. For sale by F. G. Fricke & Co. and A. T. Fried.

Boy Hurt at Weeping Water.

A special from Weeping Water, under date of July 21, says: "Alexander, the thirteen year old son of Mr. and Mrs. William H. Hamilton, was seriously hurt about 11 o'clock yesterday morning. When the train pulled out for Omaha he jumped on to have a little ride, and when he attempted to get off he fell, striking his head on the roadbed, which is ballasted with cinders. The fall caused concussion of the brain, and he has been unconscious ever since, but the doctors think he will recover."

It has caused more laughs and dried more tears, wiped away diseases and driven away more fears than any other medicine in the world. Hollister's Rocky Mountain Tea. 35 cents, Tea Tablets. Gering & Co., druggists.

Good Word for "Rosey."

They report a very enjoyable visit and that our ex-townsmen is very nicely situated. They also report that Mr. Rosencrans seems to be meeting the expectations of his friends in his office of county clerk.—Elmwood Leader Echo.

WORKS WONDERS

A Wonderful Compound—Cures Piles, Eczema, Skin Itching, Skin Eruptions, Cuts and Bruises.

Doan's Ointment is the best skin treatment, and the cheapest, because so little is required to cure. It cures piles after years of torture. It cures obstinate cases of eczema. It cures all skin itching. It cures skin eruptions. It heals cuts, bruises, scratches and abrasions without leaving a scar. It cures permanently. Plattsmouth testimony proves it.

Mrs. Joseph Wurga, of 1400 Main street, Plattsmouth, Neb., says: "Experience taught our family to value Doan's Ointment exceedingly. My mother was troubled for a good many years with a breaking out which would cause water blisters on one of her feet. Despite the fact that she tried remedies of various kinds, no relief was obtained until she used Doan's Kidney Pills which was procured at Gering & Co.'s drug store. This preparation not only banished the trouble at the time but effected a permanent and absolute cure. I used Doan's Ointment for a breaking out and terrible itching on my right hand and wrist. The trouble resembled erysipelas. A few applications took away the inflammation and the itching ceased. I have had slight touches of it since but an appeal to Doan's Ointment always checks it on the start. We are never without this splendid preparation in the house."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

A Very Creditable Paper.

A copy of the first issue of the Murray Messenger has been received at this office. It is a six-column folio, and has a very neat appearance. Harry Graves is the publisher, and the paper is a very creditable undertaking for one so young. The Journal wishes Harry all the success imaginable.

Will Come to Plattsmouth.

A special from Tecumseh, Neb., says: "Elder A. L. Zink, pastor of the Tecumseh Christian church, has received a call from the church at Plattsmouth, and will accept. The change will be made as soon as possible. Elder Zink has been pastor of the church here for nearly a year."

Glenwood Has a Large Crowd.

A well conducted celebration of the close of the county seat contest was given at Glenwood Saturday. The town was profusely decorated and the day perfect. A beef and hog were barbecued in old-fashioned style and 15,000 free lunches, consisting of beef, pork, bread and coffee were served. Speeches were made by Senator Jenkins and John Y. Stone and music rendered by local quartets and the Plattsmouth band furnished entertainment for a portion of the crowd. An eyewitness says there was an immense crowd present from every section of Mills county. Malvern citizens were conspicuous by their absence.

Attend Sunday School Rally.

A carryall load of people from the Christian, Methodist and Presbyterian churches, drove down to the Rock Creek church yesterday afternoon and assisted Rev. Pollard in holding a Sunday school rally. The people of that vicinity have for some time desired to organize a Sunday school, and through an invitation to the people of Plattsmouth this move was accomplished.

"We then decided to write you as to my condition, as I had been suffering nearly a year with severe pains and headaches at times so that I could scarcely stand up."

"Now I feel so well after a short treatment with your remedy, and am so grateful that I do not know how to express my thanks."
