Mr. John Nelson and Miss Johanna Peterson will be married next Sunday at the home of his sister, Mrs. Peter Henson, 12 miles north of town. The Messenger wishes them a voyage through life as happy and successful as the one on the ocean.

### MRS. MARSHALL SUFFERED WITH SYSTEMIC CATARRH. PERUNA SAVED HER.

Mrs. Viola Marshall, 1117 East Jackson street, Springfield, Ill., writes:

"Two months ago when I sought your advice, and you told me that I was suffering from systemic catarrh, I had gotten so bad that I could not bear the jolt of walking and had to lie down most of the time."

"I began taking your Peruna and now I feel like a new woman."

"I can walk just as far as I please without feeling any fatigue and I have taken only three bottles of Peruna."

"I shall never cease praising Peruna, nor thanking Dr. Hartman for his kind advice."

Systemic catarrh claims many victims because this disease is not always understood, and therefore not correctly treated.

What is needed is an internal catarrh remedy which exerts a healing effect on the mucous membranes of the entire body.

Such a remedy is Peruna. The sincere letters of those who have experienced its benefits in such cases are evidence of its medicinal value.

The second bottle was not needed when he got through and he thinks he'll strike a light next time.

### Unnecessary Expense.

Acute attacks of colic and diarrhoea come on without warning and prompt relief must be obtained. There is no necessity of incurring the expenses of a physician's service in such cases if Chamberlain's Colic, Cholera and Diarrhoea Remedy is at hand. A dose of this remedy will relieve the patient before a doctor could arrive. It has never been known to fail, even in the most severe cases and no family should be without it. For sale by F. G. Fricke & Co., and A. T. Fried.

Last Sunday the Coupon base ball team from Nebraska City, accompanied by about a hundred "rooters," came up and proceeded to everlastingly beat our team. The game was a nice quiet one and some good plays were made on both sides, but the Coupons were too much for the Nehawka lads and the score stood 13 to 5 at the close of the game. Quite a large crowd witnessed the game and the streets presented the appearance of a 4th of July or some other holiday.

A goes to pawnbrokers and pawns the \$10 bill for \$7.50; this amount he gives to B. ### Summer Diarrhoea in Children.

During the hot weather of the summer months the first unnatural looseness of a child's bowels should have immediate attention, so as to check the disease before it becomes serious. ## WILL GET INTO METROPOLIS

The Independent Telephone People Have Been Fighting for This Right for Several Years Past.

### TO BE SUBMITTED TO THE VOTERS SOON

The Bell Company Have Had Full Sway in Omaha Long Enough.

The report of the proceedings of the city council of Omaha seems very favorable for the Independent Telephone Company getting into Omaha, after several years incessant labor to that end. The Bee of this morning contains the following:

"Chairman Sheldon of the telephones committee submitted a written report to the general council committee yesterday afternoon, stating that the Nebraska Telephone company had refused to agree to certain concessions demanded and that the committee recommended submitting to the voters the question of granting a second franchise to an independent company. The report was immediately adopted by the general committee.

"Mr. Sheldon announced that another report would be made next Monday discriminating among the three applicants for the franchise and recommending the acceptance of one of the propositions, together with data that the committee has accumulated. Zimmerman said the matter should be decided by the general committee in the presence of representatives of the applicants and the other councilmen assented. Zimmerman also urged taking steps toward immediate final action at next Tuesday night's council meeting.

"Councilman Brucker said he thought all three propositions should be submitted to the voters and let the latter decide which one they preferred. Zimmerman declared this course would defeat any single one of the franchises."

### Report in Full.

Following is the report of the telephone committee in full, which was adopted:

Your committee to whom was referred the resolution to wait upon the Nebraska Telephone company and demand of them a reduction in rates, interchange of business with independent telephone companies, and free tolls to South Omaha to Omaha subscribers, have waited upon the Nebraska Telephone company and have received their final answer.

The Nebraska Telephone company has declined to grant our request as per their herewith attached communication.

We would respectfully report to the committee of the whole that your committee deem that in order to carry out the pledges of our platform and the desires of the people of Omaha, we are reporting to you in favor of granting to an independent telephone company a franchise which shall enable the people of Omaha to have connections with all independent telephone users throughout the state. We are also in favor of placing the telephone business in such position where there shall be competition, believing that competition should regulate the telephone charges, and that in doing so we will confer a benefit upon the people of Omaha and of the state of Nebraska.

### Stomach Troubles and Constipation.

No one can reasonably hope for good digestion when the bowels are constipated. Mr. Chas. Baldwin, of Edwardsville, Ill., says: "I suffered from chronic constipation and stomach troubles for several years, but, thanks to Chamberlain's Stomach and Liver Tablets, am almost cured." Why not buy a package of the tablets and get well and stay well? Price 25c. Sold by F. G. Fricke & Co., and A. T. Fried.

### How He Got There.

He didn't have a dollar; he didn't have a dime. His clothes and shoes were looking just as though they'd served their time. He didn't try to kill himself to dodge misfortune's whacks. Instead, he got some ashes and he filled five dozen sacks. Then, next he begged a dollar. In the paper in the morn he advertised tin polish that would put the sun to scorn. He kept on advertising, and, just now, suffice to say, he's out in California at his cottage on the bay.
