Acute attacks of colic and diarrhoea come on without warning and prompt relief must be obtained. Fricke & Co., and A. T. Fried.

It is strange how nearly alike bridge contractors can figure on Cass county bridges and at the same time Sheeley is always a few cents the lowest bidder, while in certain other counties where the same contractors bid for jobs Sheeley is above the other fellows. It can't be that these contractors are in a pool? The Courier would

rather believe that Mr. Sheeley is so in love with Cass county that he is going to continue to build our bridges even if he has to do the work for twice what it is really worth.

A VETERAN OF THE SPANISH WAR

Expresses His Great Faith In Pe-ru-na.

Pe-ru-na Is a Tonic Especially Adapted to the Prevention and Relief of All Catarrhal Ailments Due to the Vicissitudes of Climate and Exposure Experienced by the Soldier.

An Old Soldier's Praise.

Mr. F. R. Cox, Center Oak, Pa., writes: "I was taken with hemorrhages of the stomach and had from one to three a year."

"The doctors said my stomach could not be cured, and it was only a question of how soon one of these spells would kill me, and I was given up several times, as they had no hopes for me."

"I finally wrote to you, and you said if it was not a cancer or a tumor, Pe-ru-na would cure me."

"I commenced taking Pe-ru-na right away, and have never had one of those spells since."

"I am an old soldier, one of Phil Sheridan's Rough Riders, and pretty nearly played out now, but I have a pretty good stomach again."

Assistant War Correspondent Recommends Pe-ru-na.

Mr. H. B. Manley, Assistant War Correspondent during the war in China, care "Black and White," 688 Craig St., Montreal, Canada, writes:

"When a man travels in extremely hot or cold climates, he realizes how valuable a friend he has if he carries a bottle of Pe-ru-na."

"I know of no article in my traveling outfit which I have learned to prize higher."

"If you are suffering with the extreme heat, Pe-ru-na restores you, or if you are afflicted with a cold, la grippe or bronchitis, Pe-ru-na restores you in a short time."

"Or if you suffer with sleeplessness or if your appetite is poor, again Pe-ru-na acts as a good, true friend and is the tonic needed."

"I have tried it for months and am only too glad to acknowledge it as a true, loyal standby in times of trouble. I do not hesitate to recommend it to all."

I. T. Markland, a well-known business man of Cincinnati, O., address R. R. No. 1, Mt. Washington, Ohio, writes:

"I find that in my case Pe-ru-na is a flesh builder. I am now at work every day, and have gained ten pounds. I took your Pe-ru-na according to directions and the result was more than I expected. I took no other medicine but Pe-ru-na, and it accomplished all. You told me in your first letter that you thought Pe-ru-na would cure me and it has. I am seventy-three years old and can stand to my business as usual."

Able to Work At the Age of Seventy-Three Years.

I took your Pe-ru-na according to directions and the result was more than I expected. I took no other medicine but Pe-ru-na, and it accomplished all. You told me in your first letter that you thought Pe-ru-na would cure me and it has. I am seventy-three years old and can stand to my business as usual."

FORGER LOOSE IN NEBRASKA

He Gets in His Work in Nebraska City, Beatrice and Grand Island.

The authorities here have been notified to keep their eyes "peeled" for a forger giving his name as F. W. Wilson, who seems to be getting in his work principally at the hotels.

A few days since this same fellow presented a draft for some eighty odd dollars at the Watson House in Nebraska City, which was cashed by the proprietor. The draft was on one of the big banks of New York, and it was a few days after the occurrence ere the landlord found out that he had cashed a forged draft. Now comes the word from Beatrice and Grand Island that a fellow answering the description given of Wilson, had played the same trick on hotels in each of these cities and for \$80 at each place.

Wilson claimed to be a traveling representative of a manufacturing concern at Crawfordsville, Indiana, and is a good dresser, fine appearing and a very smooth talker. At least he seems to be smooth enough to "take in" some of the best landlords in Nebraska.

The officers of Council Bluffs last Thursday arrested a traveling man named F. A. Wilson, who was supposed to be the man wanted. He was drunk at the time, but after recovering from the effects of the liquor he proved that he was not the fellow wanted and was released.

Wilson must indeed be a smooth talker to work his game without identification, as seems to be the case in each of the above cases. Business men don't usually cash drafts without some proof that a man presenting the same is O. K. and especially one they have never seen before. However, it is but a question of time when the draft forger will be caught, as the authorities in all cities have been advised of his adroitness, with a full description of the fellow.

The End of the World of troubles that robbed E. H. Wolfe, of Bear Grove, Ia., of all usefulness, came when he began taking Electric Bitters. He writes: "Two years ago Kolbey trouble caused me great suffering, which I would never have survived had I not taken Electric Bitters. They also cured me of General Debility." Sure cure for All Stomach, Liver and Kidney complaints, Blood diseases, Headache, Dizziness and Weakness or bodily decline. Price 50c. Guaranteed by F. G. Fricke & Co., druggists.

COL. ARTHUR L. HAMILTON.

Gallant Porto Rican Soldier Gives Praise to Pe-ru-na.

Col. Arthur L. Hamilton, of the Seventh Ohio Volunteers, writes from 250 Goodale St., Columbus, O., as follows:

"Besides having the merits of Pe-ru-na fully demonstrated in my family, I have a number of friends who have taken it for catarrh and stomach trouble and all unite in praising it. As a remedy for catarrh, I can fully recommend it."

In a later letter to Dr. Hartman, Col. Hamilton writes: "My command used your Pe-ru-na during our service in the Spanish-American War and I will say this, that if the War Department records are consulted, it will be found that the casualties in my regiment were less than in any other regiment of the Army Corps while at Camps Alger, Meade and Bushnell. The total deaths in my regiment, during the seven months' service, were seven out of a total number of 1400. I, of course, cannot help but think that Pe-ru-na certainly was a great benefit to my command."

In a recent letter, Col. Hamilton says: "I have used Pe-ru-na myself and in my family for the last seven years. I have already written you about the good results I experienced with your remedy during the Spanish-American War."

In old age the mucous membranes become thickened and partly lose their function. This leads to partial loss of hearing, smell and taste, as well as digestive disturbances. Pe-ru-na corrects all this by its efficient operation on all the mucous membranes of the body.

One bottle will convince anyone. Once used and Pe-ru-na becomes a life-long standby with old and young.

For free medical advice, address Dr. S. B. Hartman, President of the Hartman Sanitarium, Columbus, O. All correspondence held strictly confidential.

Mr. Fred Derseweh, Ridgetop, Tenn., writes: "We have been using Pe-ru-na for five years. I believe that it is the best medicine that I know of."

"I and my wife and our thirteen children do not need any doctor, since we use Pe-ru-na."

Pe-ru-na Contains No Narcotics. One reason why Pe-ru-na has found permanent use in so many homes is that it contains no narcotic of any kind. Pe-ru-na has no bad effect upon the system, and gradually eliminates catarrh by removing the cause of the catarrh.
