## THE LAST SAD TRIBUTE

To All That Was Mortal of William Eikenbary, a Former Citizen of Cass County.

### DEATH WAS CAUSED FROM SUNSTROKE

The Funeral Conducted by Dr. J. T. Baird at the Presbyterian Church.

The remains of the late William Eikenbary arrived this morning from Akron, Colorado, near which place he died at the home of his son, A. R. Eikenbary on Tuesday, August 28, 1906. The remains were accompanied by the son and wife and the wife of deceased and others.

The funeral services of the deceased were conducted from the Presbyterian church in this city at 2 o'clock this afternoon, after which interment was made in the Eikenbary cemetery, two miles south of Plattsmouth, and where the deceased was laid to rest by the side of his parents.

The deceased was born in Union county, Indiana, February 26, 1833, and came to Nebraska in 1850, where he resided continuously up to the time he went to Colorado, about five years ago. Besides his wife, five grown children survive him—namely, Mesdames T. Swan, James Pitman and E. B. Chapman, Union; Mrs. Charles McNamee and A. R. Eikenbary, of Akron, Colo. The deceased was a brother of Henry Eikenbary, who resides south of this city, nearly all of whom were present at the funeral.

About two weeks ago the deceased became prostrated from the heat while engaged in doing some work on the ranch, and but slight hopes were entertained for his recovery from the time he was taken down, on account of his age, being 73 years of age at the time of his demise.

Mr. Eikenbary was well known to nearly all the pioneer citizens of Cass county, and was most highly respected. Many of his old friends were in attendance at the funeral services, a number of whom accompanied the remains to their last resting place.

### Five Generations Present.

The Journal, several weeks ago, made mention of its old friend, Ivan White, going to Grundy county, Mo., to attend the celebration of his mother's one hundredth anniversary. In speaking of this wonderful event, the Lincoln Journal says: "Mary White of Trenton, Mo., who recently celebrated her one hundredth birthday, has relatives in Nebraska. Five generations were in attendance. The 140 direct descendants present at the reunion were part of the 200 descendants of Mrs. Mary White, who gave birth to twelve children, five of whom are dead. The seven living ones are: Betsy Ann Herbert White, seventy-nine years old, Surprise, Neb.; Katherine Hobbs, seventy-five years old, California; Ivan White, sixty-nine years old, Rock Bluffs, Neb.; Demoy White, sixty-seven years old, Surprise, Neb.; C. L. White, sixty-five years old, Spring Hill, Mo.; Mrs. Lon Colson, fifty-two years old, Kansas City."

### House Party.

The pleasant farm home of A. S. Will, west of Plattsmouth, has been the scene of one continued round of pleasure for the past week, the occasion being a house party given by Miss Minnie Will in honor of her friends, Misses Gretchen Walsh, Agnes Weckbach and Mary Malone, of Lincoln, and Arthur Edgren and James Polard, of Nehawka. Last Saturday Henry Guthman, the boss scenic photographer of Cass county, was called to spend the day with the merry party and take a few pictures of the participants of the event and the beautiful surroundings. Combined with the excellent ability of Mr. Guthman, the charming subjects and the beautiful surroundings, we believe we are safe in saying that the productions on the little card through the camera, were indeed fair to look upon. The pleasures that have reigned supreme for the past week ceased yesterday and today the merry visitors will depart for their homes, all pronouncing Miss Will a most excellent entertainer.

## Head Ache Sometimes?

If so, it will interest you to know that it can be stopped with Dr. Miles' Anti-Pain Pills; and without any bad after-effects, and this without danger of forming a drug habit or having your stomach disarranged. They positively contain no opium, morphine, cocaine, chloral, ether or chloroform in any form. Dr. Miles' Anti-Pain Pills relieve pain, and leave only a sense of relief. The reason for this is explained by the fact that headache comes from tired, irritable, turbulent, over-taxed brain nerves. Anti-Pain Pills soothe and strengthen these nerves, thus removing the cause. They are harmless when taken as directed.

"We use Dr. Miles' Anti-Pain Pills for the cure of headache, and we think that there is nothing that will equal them. They will cure the severest spell of nervous or sick headache in a very few minutes. I am of a nervous temperament, and occasionally have spells when my nerves seem to be completely exhausted, and I tremble so I can scarcely contain myself. At these times I always take the Anti-Pain Pills, and they quiet me right away. It is remarkable what a soothing effect they have upon the nerves."  
MRS. F. E. HARRIS, Detroit, Mich.  
Dr. Miles' Anti-Pain Pills are sold by your druggist, who will guarantee that the first package will benefit. If it fails, he will return your money, 25 doses 25 cents. Never sold in bulk. Miles Medical Co., Elkhart, Ind.

## MAD DOG SCARE NEAR TOWN

One Dog Attacked With Hydrophobia Causes the Slaying of Four in Consequence.

### A FINE DRIVING ANIMAL ALSO BITTEN

But at Last Accounts the Horse Was Doing Nicely and May Be Saved.

Dr. A. P. Barnes, of this city, was called to the Jean's farm, two miles south of town, yesterday in answer to a telephone from Billy Jean, saying that his fine driving animal had been bitten by a mad dog. When he arrived at the farm he found the horse frothing at the mouth and having all the symptoms of hydrophobia. The doctor was also informed that several other canines on the place had also been bitten and he advised that they all be killed.

After working with the horse for some time Dr. Barnes returned to town in the belief that its life would be saved, and this morning he received word from Charley Jean that the animal was getting along nicely and that every dog on the place had been shot.

This is the first real mad dog scare that has occurred in this section this season, and it will be well for the neighbors to be on their guard and when their dogs show the least sign of symptoms of hydrophobia to get down the shot gun and go to slaying them right and left. It is better to kill all the dogs within a radius of several miles than to cause the death of even one fine animal of the value of that of Billy Jean's.

Wash yourself daily, you're not so clean. Clean inside means clean stomach, bowels, blood, liver, clean, healthy tissue in every organ. MORAL: Take Hollister's Rocky Mountain Tea: 35 cents, Tea or Tablets. Gering & Co., druggists.
