John Pritchard and family arrived here from Plattsmouth last Friday. Mr. Pritchard will have charge of the section here.

The Bloomer Girls played ball here last Friday, and were defeated by a score of 8 to 7. There is no particular credit due the home team for the victory. A large crowd witnessed the game. About four choice looking women played, and the balance of the nine were men who dressed accordingly. It was less interesting and more polite than Duncan Clark's old time minstrel girls.

Dr. H. Jensen and wife returned home from their eastern trip last Friday. The doctor says the meeting of the American Veterinary association held at New Haven, Conn., was very interesting and attended by veterinarians from all sections of the United States, and many from other countries. The doctor was made vice president of the association, an honor that is much sought after. They had a delightful visit at New York City, and besides taking in the big sights of the city, a party of about thirty visited the slums.

The laxative effect of Chamberlain's Stomach and Liver Tablets is so agreeable and so natural you can hardly realize that it is produced by a medicine. These tablets also cure indigestion and biliousness. Price 25 cents. Samples free at F. G. Fricke & Co. and A. T. Fried's drug store.

Of course you are going to wear underwear next summer, and they're goods which are subject to little change of style, especially standard balbriggans. While our extra low prices, extending to every article of hot weather wear are in force, you can save a pretty penny by replacing your wardrobe for a year hence. We must have the shelf space for fall stock. Many men who enjoy the distinction of being well equipped in furnishings, manage to make this item of expenditure economical by opportune buying.

Tone the liver, move the bowels, cleanse the system. Dade's Little Liver Pills never gripe. Sold by Gering & Co.'s drug store.

This paper is unable to perceive why the city council will insist on giving paving contracts to parties who have more work than they can do already before cold weather sets in. There should be a specified time in which all work in this line should be completed.

Bee's Laxative Honey and Tar, the original cough syrup, acts as a cathartic on the bowels. It is made from the tar gathered from the pine trees of our own country, therefore is the best for children. It is good for coughs, colds, croup, whooping cough, etc. Try our free offer. Sold by Gering & Co.'s drug store.

There has been a radical change made at the department at Washington in regard to the naturalization law and while the district clerk has not received a copy of the new law, he is in receipt of a copy of the rules and instructions and the law will soon follow. Those interested may see a copy of same at Mr. Robertson's office and be governed accordingly.

A cold taken at this time of the year is generally hard to get rid of, but it will not be able to withstand Bee's Laxative Honey and Tar. That will cure all colds, cough, croup, whooping cough, etc., by driving them out through the bowels. If you have a cold, try it and if not cured get your money back. No opiates. Sold by Gering & Co.'s drug store.

James Porter, an old resident of Plattsmouth, but now a prominent merchant of Hager, Neb., and who was visiting friends here departed on the fast mail for his home.
