While it is a little late to register any kick against the ice man, it will be in order perhaps to state that the county officers are doing without this necessary article, because the county commissioners refuse to be "hons-woggled" by the monopoly. Last year they purchased a book and paid for it. The most of this was left over to this year, and now the "monopoly" refuses to redeem the same, which calls for so many pounds of ice unless the advance
