No particulars regarding her death have been received. The whole community is sorry to hear of her death and extend sympathy to the sorrowing relatives.

A bath cleanses the skin and ridges the pores of refuse. A bath makes for better fellowship and citizenship. Not only should the outside of the body be cleansed, but occasional use of a laxative or cathartic opens the bowels and clears the system of effete matter. Best for this are DeWitt's Little Early Risers. Pleasant little pills that do not gripe or sicken. Sold by Fricke & Co. and Gering & Co.

An Alaska Paper.

The Journal is in receipt of a copy of the first issue of the Tanana Daily Miner, published at Fairbanks, Alaska. The only person we know in that section is H. W. Vallery, and as there are no marks on the paper to indicate who it is from, we simply suppose it is from Henry. It is a mammoth edition of twenty-six pages and contains 1732 inches of advertising of business houses in Fairbanks. This issue is dated Sunday, August 12, 1906, and the price of the paper is \$24.00 per year, or 25 cents per single copy. The paper is published by the Tanana Publishing Company, with W. F. Thomas, manager. It is rather a neat paper, and would do credit to metropolitan journalism. The advertising display shows the taste of an excellent ad man, as does in fact, the make-up of the entire paper. Mr. Vallery will accept our thanks for this copy, anyhow.

Havelock.

(Messenger.)

Owing to the rush of work, the shops will resume their full time of fifty-nine hours per week, beginning with nine hours tomorrow.

Joe Moss has resigned his place at the shops and gone to McCook, where he began work for the B. & M. last Monday. Mrs. Moss and family are preparing to move at once.

Mr. and Mrs. F. A. Bines, who moved from Havelock to a farm near Plattsmouth last spring, were in the city the forepart of the week visiting friends and attending the fair.

The Burlington closed its shops at this place last Wednesday to give the men a chance to attend the fair. Everybody seemed to appreciate the opportunity and made it Havelock day, with a remarkably large attendance from our city and vicinity.

Jas. Oram, a clerk in the supply department who was transferred to Plattsmouth, left for his new duties last Tuesday morning. We regret to see him leave Havelock, but as the change meant a nice promotion, his friends will have occasion to feel pleased at the recognition of his faithful and efficient services.

Jas. Biddlecom, A. A. Hyers and C. W. Holmes went out to Ravenna last Saturday for a chicken hunt. The first two gentlemen returned the forepart of the week but Mr. Holmes remained for a few days to enjoy his favorite sport of fishing in the lakes of the sand hills. He chooses this method of passing the time pleasantly while waiting for his broken leg to heal.

A. C. Hugg, who has been doing clerical work at the shops, has been transferred to Seward and made operator at that point. He left for his new duties Wednesday morning. Mrs. Hugg, who is visiting in Ohio, will join him at Seward when she returns and they will make that their home for the present. We regret to lose them from Havelock but trust the change will prove advantageous to them.

The laxative effect of Chamberlain's Stomach and Liver Tablets is so agreeable and so natural you can hardly realize that it is produced by a medicine. These tablets also cure indigestion and biliousness. Price 25 cents. Samples free at F. G. Fricke & Co. and A. T. Fried's drug store.

Miss Gertrude Pittman has returned from Los Angeles, California, where she has been sojourning for her health since last fall. She is greatly improved in health and feels quite strong.

Lester E. Stone is making a partial roundup of his friends this week before returning to his home in Oklahoma. He is looking well and says he likes the country down there and that the Cass county people all are prospering nicely.

Ben Shrader, of Alma, visited his parents here several days last week, returning home Friday. Ben is quite extensively engaged in the stock business and had been to Kansas City with a carload of fat porkers. He says the west is all right but he likes to get back to old Cass county once in a while.

Sour Stomach

No appetite, loss of strength, nervousness, headache, constipation, bad breath, general debility, sour risings, and catarrh of the stomach are all due to indigestion. Kodol cures indigestion. This new discovery represents the natural juices of digestion as they exist in a healthy stomach, combined with the greatest known tonic and reconstructive properties. Kodol Dyspepsia Cure does not only cure indigestion and dyspepsia, but this famous remedy cures all stomach troubles by cleansing, purifying, sweetening and strengthening the mucous membranes lining the stomach.

WHY IT SUCCEEDS

Because it's for One Thing Only, and Plattsmouth is Learning to Appreciate This.

Nothing can be good for everything. Doing one thing well brings success. Doan's Kidney Pills do one thing only. They cure sick kidneys.

They cure backache, every kidney ailment.

Here is Plattsmouth evidence to prove it. Mrs. James Hodgert, living at 1102 Main street, Plattsmouth, says: "When I have backache Doan's Kidney Pills are the doctor. I first used this remedy about two years ago and it brought me such quick and positive relief from backache that I have always since depended upon it in case of recurrence and it has never failed to give most gratifying results. Prior to using Doan's Kidney Pills, I suffered a great deal at times from a dull heavy pain in the small of my back, especially so, when I stooped or brought any strain on the muscles of the loins. The fact that Doan's Kidney Pills have saved me a great deal of suffering and have never once failed me, gives me cause to value them highly. My husband has also used them for pain in the back and found it true to its representations. I never mean to be without Doan's Kidney Pills on hand. I procured them at Gering & Co.'s drug store."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

TWO VERY SUDDEN DEATHS

One an Old Soldier and the Other an Early Settler of Cass County.

A special from Greenwood under date of Saturday, September 8, gives the following particulars of two sudden deaths in that vicinity. "Two very sudden deaths occurred here today. Isaac Amic, an old soldier aged seventy-one years ate his breakfast and went out to take care of his horse when he fell over and expired in a few moments.

"R. A. Chapin, an early settler of Cass county, coming here in the early fifties and settling on Salt Creek, had been in poor health for the past year, sat down in a chair after eating dinner and was found dead a short time after.

"Mr. Amic had been in his usual good health and had spent Thursday at the state fair. Funeral services here. The G. A. R. post will have charge of Mr. Amic's funeral as he was always an active member."

But Cured by Chamberlain's Colic, Cholera and Diarrhoea Remedy.

"When my boy was two years old he had a very severe attack of bowel complaint, but by the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy we brought him out all right," says Maggie Hlecox, of Midland, Mich. This remedy can be depended upon in the most severe cases. Even cholera infantum is cured by it. Follow the plain printed directions and a cure is certain. For sale by F. G. Fricke & Co. and A. T. Fried.

A Close Call.

While placing a torpedo on the track Wednesday J. B. Pickrell, rear brakeman on Burlington train No. 29 was painfully injured by a premature explosion. He received an ugly wound two inches long at the right corner of his mouth and his right ear was almost cut off. A local physician dressed his wounds.—Louisville Courier.

Support Each Other.

We constantly hear of the inroads the catalogue houses are making on country trade. When we took up the defense of the merchants here last year we lost subscribers by so doing. This set us to thinking. We investigated and found that as a rule the people do not know the price of the home goods or when they have just what was needed, simply because they do not advertise. Those who do have no complaint and have increased their trade. Then too we found merchants themselves not supporting each other, but ordering through traveling men out of their line. To make a progressive and prosperous town the merchants must be loyal to each other, the town and the country.

Pain from a Burn Promptly Relieved by Chamberlain's Pain Balm.

A little child of Michael Strauss, of Vernon, Conn., was recently in great pain from a burn on the hand, and as cold applications only increased the inflammation. Mr. Strauss came to Mr. James N. Nichols, a local merchant, for something to stop the pain. Mr. Nichols says: "I advised him to use Chamberlain's Pain Balm, and the first application drew out the inflammation and gave immediate relief. I have used this liniment myself and recommend it very often for cuts, burns, strains and lame back and have never known it to disappoint." For sale by F. G. Fricke & Co. and A. T. Fried.

The Breath of Life.

It's a significant fact that the strongest animal of its size, the gorilla, also has the largest lungs. Powerful lungs means powerful creatures. How to keep the breathing organs right should be man's chiefest study. Like thousands of others, Mrs. Ora A. Stephens, of Port Williams, O., has learned how to do this. She writes: "Three bottles of Dr. King's New Discovery stopped my cough of two years and cured me of what my friends thought consumption. Oh, it's grand for throat or lung troubles." Guaranteed by F. G. Fricke & Co., druggists. Price 50c and \$1. Trial bottle free.

D. of H. District Convention.

The district convention of the D. of H. will meet in this city on Thursday next. Nearly one hundred delegates will be present on this occasion. It is quite an honor to any town to have such a gathering meet in their city, and as they will be mostly ladies the Journal hopes everybody will be on their good behavior and treat the delegates nicely by giving them a cordial greeting and see that they are becomingly entertained.
