Nehawka

(From the Register.)

Word has been received here that Dr. Johnson was quite seriously hurt in a runaway at his home in Pawnee City.

Mrs. R. C. Pollard is enjoying a visit from her mother, Mrs. Head, of Lafayette, Mo., who arrived the first of the week.

Mr. and Mrs. Phillips, of Marquette, and Miss Cora Walker, of Plattsmouth, are here visiting their relatives and friends.

A. F. Sturm, of this city, has been chosen chairman, and C. E. Tefft, of Weeping Water, as secretary, of the republican county central committee.

Mr. and Mrs. E. A. Kirkpatrick returned Wednesday from their visit with their son at Tacoma, Wash. They say Nebraska is still the best place on earth.

N. L. Pollard has arrived safely at Schenectady, N. Y., and was fortunate in escaping a serious wreck, on the road over which he was traveling, by just a few minutes.

Mrs. H. August returned home from Missouri last Friday evening. She was very much pleased with the country, and we understand that she and her husband have decided to invest in land there.

Prof. Allwood, who has been doing experimental work at the cider factory of Pollard & Sons for the past few weeks, has returned to his home in Virginia. Prof. Gore expects to remain two or three weeks longer.

An Awful Cough Cured.

"Two years ago our little girl had a touch of pneumonia, which left her with an awful cough. She had spells of coughing, just like one with the whooping cough and some thought she would not get well at all. We got a bottle of Chamberlain's Cough Remedy, which acted like a charm. She stopped coughing and got stout and fat," writes Mrs. Ora Bussart, Brubaker, Ill. This remedy is for sale by F. G. Fricke & Co. and D'Ent.

Eagle

(From the Beacon.)

Tom Bahr caught a young coyote in a trap one day last week.

A sister of Wm. Bunten arrived the first of the week from England.

Born on Sunday, Sept. 23, to Mr. and Mrs. Ed. Ward, a daughter.

The quarantine was lifted from Frank Lanning's home this week. His boy, who had diphtheria, has fully recovered.

The Woodman goat broke out of the hall and got down on the streets last Saturday night while they were initiating Ed Betts into the mysteries of the order.

On Wednesday morning Dr. Neeley, of Elmwood, was called into consultation with Dr. Jester in the case of J. P. Burdick, who has been falling very fast lately.

It was reported here that Wm. Quinn lost one of his hands in a threshing machine last Saturday, but we have not been able to learn any of the particulars of the accident.

By his own request, Dr. Jester, who taught a class in physiology in the Lincoln Medical college last year has been made instructor in pathology this year. He was up Wednesday morning to begin the school work for the year.

Louisville

(From the Courier.)

Chas. Helm went to Omaha Friday to visit his mother at the hospital.

Mrs. Geo. Frater and daughters are visiting with Mrs. John Gorder of Plattsmouth this week.

John Jackman of Worthington, Ind., is visiting old friends in Louisville this week. His mother, Mrs. Jackman of Ulen is with him.

W. F. Diers and wife returned Thursday from a two weeks recreation in the western part of the state. Mr. Diers reports chicken shooting fine near Walbach.

Rev. James K. Maxfield, the new pastor at the Methodist Episcopal church preached his initial sermon last Sunday morning to a large and appreciative audience.

Invitations have been issued by Mr. and Mrs. Henry Stratman of Sarpy county announcing the coming marriage of their daughter, Lillie Mae to Mr. Henry Jochim of Cass county, on Wednesday, October 3d at 2 o'clock p. m.

The many friends of Mrs. Theodore Heim will be pleased to learn that she is recovering nicely from her operation for appendicitis. On account of her advanced age the operation was in doubt for several days. Her many Louisville friends hope for her speedy recovery.

Nothing to Fear.

Mothers need have no hesitancy in continuing to give Chamberlain's Cough Remedy to their little ones, as it contains absolutely nothing injurious. This remedy is not only perfectly safe to give small children, but is a medicine of great worth and merit. It has a world wide reputation for its cures of coughs, colds and croup and can always be relied upon. For sale by F. G. Fricke & Co. and D'Ent.

Elmwood

(From the Leader-Echo.)

A fine baby boy was born to Mr. and Mrs. John W. Mendenhall on Friday, September 21.

Joe Nichols is still very low and getting weaker. The announcement of his death is looked for at any moment.

Guy Reed stepped on the wrong end of a nail Saturday, the point penetrating his foot for quite a depth, making a very painful wound.

The good news comes from Eugene, Oregon, that Miss Grace Hobbs, who was dangerously ill with typhoid fever, is much better and considered out of danger.

On Wednesday morning, October 10, at 8 o'clock, at St. Mary's Catholic church, Elmwood, will occur the marriage of Miss Adele G. Russell to Mr. James Edward Tobin, of DeQueen, Arkansas.

Frank Raker was severely kicked by one of his horses Saturday morning when hitching up the team to drive to Gretna. Both hind feet of the horse struck him on the body and bruised him terribly, but fortunately no serious injuries resulted.

Hazel Noyes, who was taken to the Everett sanitarium at Lincoln Thursday evening of last week, suffering from appendicitis, was operated upon at the hospital that evening, her condition being very serious. She passed through the ordeal nicely and at last reports was rapidly recovering.

LAME EVERY MORNING

A Bad Back Is Always Worse in the Morning. Plattsmouth People are Finding Relief.

A back that aches all day and causes discomfort at night is usually worse in the morning. Makes you feel as if you hadn't slept at all.

Can't cure a bad back until you cure the kidneys. Doan's Kidney Pills cure sick kidneys—make you feel better, work better, rest better and sleep better.

Permanent cures in Plattsmouth prove the merit of Doan's.

Herman Tiekotter, carpenter, living in the northwest corner of Ninth and Dey streets, Plattsmouth, says: "I never had medicine which gave me the permanent benefit I derived from Doan's Kidney Pills. My kidneys caused me much suffering and inconvenience. I did not have sharp pains, but there was a dull tired feeling across my loins that distressed me a great deal of the time for a couple of years. If I stopped or straightened my back it would hurt and in the morning when I would rise, I was as tired and unrefreshed as when I retired. The secretions from the kidneys were unnatural which was shown by their high color and too frequent action. This annoyance was most noticeable at night. Hearing so much in praise of Doan's Kidney Pills, I procured a box at Gering & Co.'s drug store. They vanished every symptom and did it promptly and thoroughly. I certainly recommend Doan's Kidney Pills to others with pleasure and confidence."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

WERE THEY DISCHARGED?

Report From Alliance Says Wrath of Hill Was Felt.

A special from Alliance says that on the night of September 26 a telegram was sent from Newcastle, Wyo., to James J. Hill complaining of the service on the Burlington, referring to Mr. Hill in uncomplimentary terms, and signed "The Dear People." The special says:

"This telegram was sent 'D. H.' from Newcastle at about 9 o'clock at night and was delivered to Mr. Hill in St. Paul. He got busy at once and wired to all the superintendents to discharge all the operators who had anything to do with the receiving and transmission of the message. One operator at Newcastle, two here, two at Omaha, two at Chicago, and one at St. Paul, have already received their walking papers and others are to follow. An investigation is being held to find out who the sender of the message is. It is supposed it was sent by a traveling man but how it came to be deadheaded is not yet made plain."

Nothing is known of such a happening here and the Burlington people are inclined to doubt the authenticity of the story.

Action Full of Law Points.

The case of Clark vs. Flesham has occupied the district court's attention the greater part of the day and promises to last for some time, as the jury has been recalled to hear the case which bristles with points of law on every line. Some of the many questions have been argued by the counsel for the plaintiff and defendant.

The suit is brought to secure possession of an eighty acre tract of land, which, after the death of the plaintiff's father, was sold by an uncle who had been left in charge of the estate.

The jury will likely hear the evidence in the case tomorrow morning.

Death of Little Daughter.

After a lingering illness of several weeks, Elsie, daughter of Mr. and Mrs. Rae Reynolds, passed away last night at the age of 1 year, 2 months, 5 days.

The funeral will be held from the residence at 10 o'clock tomorrow morning, the services to be conducted by Rev. A. L. Zink, after which interment will be made in Oak Hill cemetery.

Use the Telephone.

If you are entertaining friends from a distance at your home, or have been entertained, how much trouble would it be for you to write a note telling us about it? It is your duty to your guests, besides it is a favor you are doing the Journal when you do so. Use the telephone if you don't want to write it down and we will take it down ourselves. City people can telephone without much trouble, if they will do it. The Journal wants the news, and you can help us get it.

Mortgage Record.

The record of the county register of deeds for the month of September shows the following transfers of farm and city property:

FARM MORTGAGES	\$15,700
Released 11 "	11,863
CITY PROPERTY	\$6,838
Released 16 "	8,032

INHERITANCE TAX MATTER

Correspondent Says the Same Was Started by a Republican, and Not by a Democrat.

The following communication appeared in the Sunday World-Herald, and from what the correspondent says, he seems to know what he is talking about:

Plattsmouth, Neb., Sept. 27.—To the Editor of the World-Herald: In this morning's World-Herald, I note that Mr. George L. Sheldon makes a defense to the "insinuation" that the Sheldon heirs are endeavoring to evade the payment of the inheritance tax due Cass county from their father's estate. It has been said that "a poor excuse is better than none," and certainly Mr. Sheldon has offered nothing more here. Is it good business acumen to allow a claim to increase at 7 per cent per annum, when there is plenty of money on hand belonging to the estate with which to pay it, or when money could be borrowed at 5 per cent? It is said that the personal estate, money, etc., has been divided or is being divided outside of court, and this might have been used to pay this tax.

And while the question of tax evasion is being discussed it may be pertinent to refer to another attempt to evade the payment of a just tax. The legislature of 1903, it will be remembered, passed an act known as the "Scavenger Act," the purpose of which was to gather or clean up all back taxes on real estate, and I presume Mr. Sheldon, then a senator from Cass, voted for the act. When the act was put into force in this county, Mr. Sheldon, on behalf of his father, was one of the first ones to file an answer in district court in the state tax suit of 1904, brought under the law with a view to evading the payment of the taxes claimed against the Sheldon lands for the year 1861, amounting to \$206.85, with interest, alleging as a reason for the non-payment of the tax that the assessment was irregular; that the assessor appointed by the county board did not give a bond, and that the assessment was made by a deputy appointed by the assessor and not by the assessor in person. There was no claim that the assessment was unjust. They lost the case, as they should, and paid the taxes that ought to have been paid more than forty years before. There are some people in Cass county who see very little difference, if any, in the defense put up by Mr. Sheldon in the tax suit from that made by the railroads in their attempt to evade the payment of their just taxes. It may be said that this is not the affair of Mr. George L. Sheldon, republican candidate for governor, but his father's, but the writer happens to know that Mr. George L. Sheldon attended to all the business of the defense and attempt at evasion himself in person.

Some republicans here feel sore that this matter was stirred up against Mr. Sheldon, and for their benefit I will state that it was started by a republican, who is anxious that wealthy people pay their taxes. Your truly, C. B. O.

Marriage Bells.

Cupid is again on the wing. This time he has fired his dart at, and has captured Mr. George W. Matthiassen and led him to his shrine at the home of Miss Maud May Messersmith, where they were united in the bonds of holy matrimony by Rev. D. W. Wilt, at 2 p. m., last Tuesday, Sept. 25. The ceremony, which was beautiful in its simplicity, was witnessed by about fifty invited guests, who afterward partook of delicious refreshments. The newly married couple have gone to Denver to spend three or four weeks. They will make their home in Havelock, where a property has been purchased by the groom. The groom is a young man of thrift and industry. The bride is a young woman of many accomplishments. The Messenger and a host of friends heartily wish them the best in life.—Havelock Messenger.

Runaway Last Night.

About 10 p. m. Thursday John Gorder was at the Burlington freight house with his team to load up some freight. In dropping a bundle of something in the bottom of the wagon bed the horses became frightened and dashed up Main street at a two-forty gait. As they passed Soennichsen's grocery store, some heroic individual, whose name we failed to learn, jumped into the wagon, but failing to get hold of the lines, which seemed to be dragging on the ground, he jumped out when the team turned up Washington avenue at Streight & Streight's furniture store, and they continued their flight out past the cemetery. We understand that no damages resulted.

Football Meeting Tonight.

Now that the season is on, the skeptics begin to "get into the game," so to speak, in their way; their way and aim is to try to discourage any enthusiasm which may rise toward the game.

Now, who are these skeptics? Well, we all know who they are, generally, persons who know little of the game. You very seldom hear a person who is familiar with the game trying to run it down and for the reason that it is the duty of these prejudiced persons to investigate and perhaps consider before they make rash statements.

Accurate statistics compiled by an ardent admirer and defender of both base ball and foot ball show that there are a larger percentage of casualties credited to the game of base ball than foot ball, (this is an accurate statement and can be proved.) Yet at one and the same time, foot ball is dependent upon spirit it is played in the better spirit the less brutally, and it certainly cannot be denied that when foot ball is played in accordance with the new rules, and in the right spirit then is the danger reduced to a minimum.

Now, boys, there will be a meeting of all of you that are at all foot ball inclined, at the Turner Hall tonight, (Tuesday), and get enthusiastic and come out and help organize a team that Plattsmouth skeptics will have to admit is all right. Come out all of you, get enthusiastic, don't be a dead one. Tonight at 7:30. ***

Wounds, Bruises and Burns.

By applying an antiseptic dressing to wounds, bruises, burns and like injuries before inflammation sets in, they may be healed without maturation and in about one-third the time required by the old treatment. This is the greatest discovery and triumph of modern surgery. Chamberlain's Pain Balm acts on this same principle. It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also alleviates the pain and soreness and prevents any danger of blood poisoning. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering such injuries entail. For sale by F. G. Fricke & Co. and D'Ent.

A Welcome Result.

About three years ago J. A. White fell on a sidewalk in Elmwood dislocating his right shoulder. A doctor set the injured member but ever since the ligaments have been stiff so that he could not raise his right hand high enough to comb his hair or take a drink of water. Just two weeks ago today he was at work with his bees. The bees resented his intrusion into their territory and stung him severely. When the swelling went down James discovered, much to his delight, that the stiffness was all gone and that once more he could give the grand hailing sign of distress with his right arm.—Elmwood Leader-Echo.

A Badly Burned Girl

or boy, man or woman, is quickly out of pain if Bucklen's Arnica Salve is applied promptly. G. J. Welch, of Tekonsha, Mich., says: "I used it in my family for cuts, sores and all skin injuries, and find it perfect." Quickest Pile cure known. Best healing salve made. 25c at F. G. Fricke & Co's drug store.

Fred Dreeseon, accompanied by his wife, drove up from Unadilla, Oteso county, yesterday to visit at the home of J. B. Meisinger and family, and Mr. Dreeseon and Mrs. Meisinger were in the city today. While here Mr. Dreeseon called and renewed his subscription to the Journal and also for another year for J. J. Biets, at Douglass. Mr. Dreeseon lived near Plattsmouth for many years, and his friends are always glad when he comes to see them.

OF VITAL INTEREST TO EVERY CITIZEN.

MR. HERMAN ROESE.

A Man of Prominence in School Circles and Overseer of the Poor Says Per-na Has Proven a Most Efficacious Remedy.

Herman Roese, 18 New Butternut St., Syracuse, N. Y., is President of the Board of Trustees of Webster graded schools, Dist. 8, in the town of Salina. He is also Overseer of the Poor, which position has afforded him ample opportunity for noting the causes of disease, as well as the best means of preventing and curing the same.

He expresses his approval of the use of Per-na as a very effective means of solving a problem of such vital interest to the community, as follows:

"Exposure seems to affect the lungs and kidneys of the poor and I have seen hundreds of these who were broken down in health from this cause. 'I am pleased to tell you that Per-na has proven a most efficacious remedy in a number of cases where no other medicine was used. 'I consider it a specific for any disorders of the respiratory organs.'"

Female Weakness

"Last Fall," writes Mrs. S. G. Bailey, of Tun-nelton, W. Va., "I was going down by inches, from female disease, with great pain. After taking Cardui, Oh! My! How I was benefited! I am not well yet, but am so much better that I will keep on taking Wine of Cardui till I am perfectly cured."

Despite the envious attacks of jealous enemies and rivals, Cardui still holds supreme position today [as in the past 70 years] for the relief and cure of female diseases. It stops pain, tones up the organs, regulates the functions, and aids in the replacement of a misplaced organ.
