

## OF INTEREST TO ALL

Next Week Will Be Church Week at the Old Reliable Department Store of M. Fanger.

FIVE PER CENT OF ALL PURCHASES

Will Be Given to the Church You Name By Depositing Your Coupons.

A new and novel purchasing inducement will be installed at the popular trading place of M. Fanger next week. It is what might be termed church week and five per cent of the entire sales in all departments will be given to various churches of our city.

Right here we wish to state that this is no contest of any kind. It is not a voting or premium contest of any sort. You simply purchase the goods at the regular price, whereupon you are given a coupon stating the amount of your purchase and to which church you wish the 5 per cent to be given, and a blank line for your signature if you choose to do so. The coupons are then deposited in a sealed box by the purchaser, the key to which is held by some disinterested party until the close of the week, then, if possible, three of our ministers will be asked to count the coupons and ascertain the amount due each church and Mr. Fanger will give his check to the parties authorized to receive same for the full five per cent.

Remember this is no contest of any kind, and in order to demonstrate that all prices reduced in all departments as the prices quoted below will show:

We will sell during this week 10 yards of good **59c** Outing Flannel for . . . . .

The best granulated **\$1.00** sugar 18 pounds for . . . . .

We will also offer special bargains in our Millinery Department, which will pay you to investigate.

In the famous Woolltex garments our prices will be at the bottom, and all we ask is for you to call and examine the extra quality and neatness of fit found in these garments. The full fall line is now on display.

We wish to call your attention to the fact that the heavy purchasing season is now on. Every one needs winter garments, and our line is complete in new and up-to-date styles and can clothe every member of your family from head to foot. Our prices and goods will bear the very closest inspection.

Remember that five per cent of your purchase goes to the church of your choice. Call early.

The new certificates of naturalization required by the law recently passed have been received by District Clerk Robertson. The first applicant, Karl Hofacker, has posted a notice, bearing his name, place of birth, residence, date of landing, names of his two witnesses and their place of residence, ninety days previous to securing this final paper, which looks very much like a stock certificate, and has a duplicate which is sent to Washington, while a triplicate is retained by the clerk, who is subject to a fine of \$50 should any of the papers be lost through carelessness.

### BRAKEMAN WON THE SUIT

John Beber Lost Three Fingers and Secured Payment For Whole Hand.

The Lincoln Star of yesterday gives the ending of a long contested case in the district court of Lancaster county as follows, which may prove of interest to the railroad employes in this city:

"After a long contest in the district court and the supreme court, John A. Beber, a brakeman, was today victorious over the Brotherhood of Railway Trainmen, which paid him the amount he asked.

"Beber held a policy in the organization when, on May 10, 1902, he cut off three fingers of his left hand while he was chopping kindling. But the Brotherhood refused to pay him, asserting that his policy was payable only when he lost a hand complete at the wrist or above it. For the loss of three fingers there was no provision in the policy.

"Beber brought suit in the district court on November 23, 1903. The case was tried and decided in favor of the defendant. An appeal was taken and the supreme court reversed the decision and remanded the case to the district court for another trial.

"Today the defendant paid Beber the amount in full together with the court costs."

### Will Stadelman Resigns.

Will J. Stadelman has resigned his position as manager of the Independent Telephone company and disposed of his holdings in the association and is now a free-footed lord of creation. Mr. Stadelman has had this in view for some time, having disposed of his property interests in Kearney some time ago. He has had in his hands a more desirable proposition, which will give him a broader field of operation. He has accepted a proposition to take a trip around the world in the interest of a number of telephone organizations to demonstrate to the foreigner the advantages of their several systems of telephony at a very tempting salary. Kearney regrets to lose Col. Stadelman. He is one of the most energetic and wide awake young men that has ever made Kearney his home, and he will always hold a warm spot in the hearts of his Kearney countrymen, and the well wishes of all will follow both him and his most estimable wife.—Kearney Democrat.

Never can tell when you'll mash a finger or suffer a cut, bruise, burn or scald. Be prepared. Dr. Thomas' Electric Oil instantly relieves the pain—quickly cures the wound.

## GETTING ALONG VERY NIGELY

Conductor "Stubby" Walters Will Recover—More Particulars About the Affray.

In speaking of the shooting of Conductor "Stubby" Walters yesterday, the Omaha World-Herald of this morning says:

"An unknown man on Burlington passenger train No. 4, eastbound between Ashland and Gretna, Wednesday morning, shot and seriously wounded Conductor E. Walters, then placed the muzzle of the revolver in his own mouth and fired a shot that will cause his death.

"When the train pulled into Memphis, this man who had bought a ticket for Ashland, boarded the train. When his ticket was taken up by Conductor Walters, he expressed a desire to go to Excelsior Springs, Mo. He was told that he could buy a ticket at Ashland to his destination. Reaching Ashland he bought the ticket and again boarded the train. This ticket was inspected by Conductor Walters and the Omaha coupon torn off.

"After working his train, Conductor Walters went into a coach that was being brought through deadhead and sat down. Shortly after the stranger entered the car walked to where Conductor Walters was sitting and without saying a word pulled a revolver and commenced firing. One bullet struck Conductor Walters in the left shoulder, another passed through his left side, just below the arm pit and a third went wild, lodging in the roof of the car. Then, almost instantly, the stranger placed the muzzle of the revolver in his own mouth and fired. The bullet passed slightly upward and lodged at the base of the brain.

"At Gretna, Conductor Walters was taken off and sent to his home at Lincoln. The stranger, who was unconscious after the shooting, was brought to Omaha and taken to the General hospital.

"The shooting occurred in Sarpy county and that county has an arrangement at the hospital by which all of its cases are sent there.

"While it is not known who the stranger is, it is thought that he is a laborer in the ice house at Memphis, and that he was crazy. On his person he had over \$100 in bills. This money was taken from his pocket and given to the station agent at Gretna for safekeeping. There were no letters or papers about him to lead to an identification, save a slip with the name J. Kramer, with a Wisconsin town as address. He is a large man, about 30 years of age, dark hair and smooth shaven. While dressed in the clothes of a laboring man, they are practically new, except his shoes, which are considerably worn. He had a light colored soft hat."

### Special Notice.

The social to be given by the Young People's Society of the St. Paul's church on Friday, Nov. 9, has been postponed until Tuesday, Nov. 13. We hope this change is satisfactory to all, and cause them all to come on Tuesday. You are very cordially invited.

Everybody's friend—Dr. Thomas' Electric Oil. Cures toothache, earache, sore throat. Heals cuts, bruises, scalds. Stops any pain.

### The Telephone Victory.

The overwhelming vote by which the people of Omaha granted a franchise to the independent telephone company is a complete justification for the fight made by the World-Herald. This fight was begun last year, continued in the spring campaign, carried into the city administration and culminated in the battle of ballots on Tuesday.

The verdict of the people is that the telephone monopoly in Omaha shall end, and that competition shall begin. Also that Omaha shall not be longer isolated from the surrounding country, but shall be given the best connection.

The World-Herald has made this fight for the people not only in Omaha but surrounding Omaha. No recent achievement of a western newspaper is more notable than this victory won in the face of powerful opposition and without the slightest assistance of other city newspapers. The triumph was due to the fact that the World-Herald was able to unite in the movement the progressive men of Omaha and the most representative citizens outside of the city.

Omaha has spoken. Now let the new enterprise proceed.—World-Herald.

Mr. Thos. George, a merchant at Mt. Elgin, Ontario, says: "I have had the local agency for Chamberlain's Cough Remedy ever since it was introduced into Canada, and I sell as much of it as I do of all other lines I have on my shelves put together. ## HOLD QUARTERLY MEETING

Nebraska Woman's Auxiliary to Board of Missions of Episcopal Church.

### HAD INTERESTING PROGRAM YESTERDAY

Many Delegates and Clergymen From Over the State in Attendance at the Enthusiastic Convention.

The quarterly meeting of the Nebraska Branch of the Woman's Auxiliary to the Board of Missions was held yesterday at the St. Luke's Episcopal church in this city. There were present many delegates and clergymen from various parts of the state, and the entire day was devoted to the convention, for which many interesting addresses and reports had been prepared.

The meeting commenced at 9 o'clock yesterday morning, when Holy Communion was administered by Rev. Canon Burgess, assisted by Rev. Collier, who comes from Kansas to take charge, on December 1, of the church at Schuyler, Neb. The business session was then opened with an address of welcome by Rev. Burgess. Among other interesting numbers was a letter from their missionary, Miss Crummer, a report of their treasurer, Miss Barbara Gering, which gave a cheering account of the funds; and reports of women's united offering, supply box and its needs, and of general mission work done during the past year. Mrs. Wise of Omaha gave a very interesting paper on "Summer Mission Work for Children in the United States," touching briefly on the various ways in which children are being helped so that they may become good as well as active citizens in the future. After hearing several encouraging talks by Dr. Palmer of Ashland, Rev. Chandler of Nebraska City and Rev. Collier of Schuyler, the convention adjourned to the Hotel Riley, where dinner was prepared for them.

At 2 o'clock the meeting reconvened at the church, and a rousing talk was made by Bishop Williams, who exhorted his listeners to continue the work that they had instituted.

Rev. Chandler, on behalf of the ladies of St. Mary, invited the delegates to hold their next convention in February at Nebraska City. This was accepted, and after extending a vote of thanks to the ladies of this city for the entertainment provided, the convention adjourned.

The year 1903 will long be remembered in the home of F. N. Tackett of Alliance, Ky., as a year of blood; which flowed so copiously from Mr. Tackett's lungs that death seemed very near. The services were conducted under the auspices of the Grand Army of the Republic, in which the deceased was an active member. A short obituary conveying sympathy to the grief stricken relatives was delivered by Rev. J. E. Houligate.

## BIG TIME AT G. A. R. HALL

Evergreen Camp No. 70 Woodmen of the World Enjoys Social Supper.

The members of Evergreen Camp No. 70 Woodmen of the World and their families enjoyed a social evening last night at the Grand Army hall, when that order entertained at a supper. The affair was attended by many who had the pleasure of hearing brief addresses by Hon. R. B. Windham, Senator-elect Jesse L. Root and the sovereign lecturer for the Woodmen of the World, Rev. G. H. Schieh. The latter gentleman took as his subject, "Perfected Woodcraft," upon which he made an interesting, as well as edifying, discourse—producing instructive statistics that evidence the good that societies of this kind have done, and will continue to do. His prophecy, that the day was not far distant when the W. O. W., like the Masonic order, would employ some of its large reserve fund to build homes, where old and disabled members could be cared for, was shared by his audience.

After enjoying these addresses, the latter part of the evening was devoted to the supper, which had been prepared by the ladies. Prof. Beck and Miss Cook furnished music during the evening, which was highly appreciated. The entire affair was a most enjoyable one, and proved that the order understands how to please and entertain their guests.

"Where Quality Counts."

### A Little Encouragement.

Sir William Napier, in his description of the battle at Vera, says, that the center of the Spanish army was defeated and turned to flight, not listening to the words of the officers. Then Havelock, a young officer, jumped forward and called on the Spaniards to follow. Like a flash he was in the midst of the French soldiers and the Spaniards after him. The surprised enemy threw away the arms and fled. The battle was won. Can you compare this with our daily life? A little encouragement drives a disease away. The disease usually attacks your center—the stomach. If you can save this organ, you have saved the whole body. Triner's American Elixir of Bitter Wine is such an encouragement which makes the whole digestive apparatus to work. It creates a wholesome appetite, it warms up the intestines, makes new blood and strengthens the nerves. In all disturbances of the digestion it is the only safe remedy. At drug stores. Jos. Triner, 799 So. Ashland Ave., Chicago, Ill.

We wish to announce that Miss Lynne Pierson, the expert trimmer at Fanger's Department Store, expects to leave for her home Thursday, November 15. Remember that there is only one more week. Any lady who desires to have a hat made will please call as soon as possible.
