Chris Metzger of Cedar Creek left Wednesday evening over the Burlington enroute for the Pacific coast where he expects to spend a part of the winter.

Mr. and Mrs. Frank Arnold of Fullerton, Neb., are spending their honeymoon with Mr. and Mrs. Henry Tangeman. Mrs. Arnold is a niece of Mrs. Tangeman.

Mr. and Mrs. George Berger and son, Tom, visited with Mr. and Mrs. John D. Ferguson Wednesday. Tom is just home from Havana, Cuba, on a medical discharge, having contracted fever while there. He joined the navy two years ago. It will be entirely optional with him whether he returns or no.

Arthur Palmer, the Louisville sailor boy, left for San Francisco, Wednesday where he must report for duty Nov. 5. He expects to go around the Horn to New York and from there will probably be sent to Cuba. From an educational standpoint he looks forward to his four year's service in the navy as a great benefit to him.

Halloween was celebrated in Louisville. The following morning the town looked like a cyclone had passed through it. Outhouses were upset, vehicles overturned, signs torn down. In the rear of the Courier office a pack of hyenas upset our coal house containing a ton of coal and damaging the building. The Courier believes in seeing young America have their fun but when it comes to damaging property the village authorities should put a stop to it.

Give children a remedy with a pleasant taste. Don't force unpleasant medicine down their throats. Kennedy's Laxative (containing) Honey and Tar is most pleasant to take. Children like it, and as a relief for colds, coughs, etc., there is nothing better. No opiates. Conforms to National Pure Food and Drug Law. Sold by F. G. Fricke & Co. and Gering and Co.

Angeles where he expects to remain for a while.

James Snoke has a Polled Durham calf which he thinks will beat anything in the county. It is only four months old and weighs 518 pounds, making a gain of 100 pounds a month since its birth.

James Snoke received another wolf hound Wednesday night. It is an older and larger dog than either of the others he got about a month ago. A wolf chase will be given after the dogs are got in proper condition for it.

Three car loads of apples have been shipped from here the past week. They were both at 50 cents per hundred pounds.

C. D. Richardson, a former resident of this community but now of San Diego, California, stopped off last Saturday while on his way home from Massachusetts to where he had accompanied the remains of an aged sister who died recently from the effects of a fall. Mr. Richardson left yesterday for Lincoln where he will spend a few days with friends before returning home.

"For years I starved, then I bought a 50 cent bottle of Kodol Dyspepsia Cure, and what that bottle benefited me all the gold in Georgia could not buy I kept on taking it and in two months I went back to my work as machinist. In three months I was as well and hearty as I ever was. I still use a little occasionally as I find it is a fine blood purifier and a good tonic. May you live long and prosper."—C. N. Cornell, Roding, Ga., Aug. 27, 1906. Kodol is sold here by F. G. Fricke & Co. & Gering & Co.

The Plattsmouth Telephone Co. will stretch a complete new circuit from here to Plattsmouth, consisting of two number 10 copper wires. It will be for long distant service between Lincoln and Omaha. Anthony Nesladek, our local trouble man, will have charge of the work. They expect to begin next week.

Mrs. N. P. Ackerman submitted to a surgical operation last Sunday for the removal of an unnatural growth beneath the upper lip, caused by the irritation of the plate of her teeth. It had become sufficiently prominent to prevent the proper fitting of a new plate, and there was also danger of its resulting in a cancer. Dr. McKinnon assisted by Drs. Mayo and Davis of Lincoln, did the work. The operation proved a more serious one than was anticipated, as the growth was an old one and it became necessary to cut deeply to fully remove it. The work was successfully done, however, and the patient is doing nicely.

In Time of Peace.

In the first months of the Russia-Japan war we had a striking example of the necessity for preparation and the early advantage of those who, so to speak, "have shingled their roofs in dry weather." The virtue of preparation has made history and given to us our greatest men. The individual as well as the nation should be prepared for any emergency. Are you prepared to successfully combat the first cold you take? A cold can be cured much more quickly when treated as soon as it has been contracted and before it has become settled in the system. Chamberlain's Cough Remedy is famous for its cures of colds and it should be kept at hand ready for instant use. For sale by F. G. Fricke & Co. and D'Ment's drug stores.

Many Persons Have Catarrh of Kidneys But Do Not Recognize It.

DAVID L. JAYCOX.

A War Veteran Spends Hundreds of Dollars in His Attempt to Cure Kidney Trouble. He Took Pe-ru-na Upon a Friend's Advice and It Proved the Best Medicine He Ever Used.

CATARRH of the kidneys is a very much neglected disease. It is not until the disease has a firm hold upon the kidneys that the patient begins to realize that there is some derangement of these organs.

The slight backaches, the feelings of lassitude, and other warning symptoms of kidney disease are overlooked.

They are not serious enough to detain the patient from his regular work.

Even when he discovers that the kidneys are affected, he does not recognize the difficulty as being caused by catarrh.

Catarrh is sometimes so very gradual in its approach and its earlier symptoms cause such slight discomfort that it is not noticed.

However, when it is once firmly seated in the kidneys, it becomes a difficult disease to exterminate.

Indeed, catarrh of the kidneys is more serious than catarrh affecting some of the other organs of the body.

In the kidneys, it is liable to terminate in Bright's Disease or diabetes, both of which are recognized as very serious ailments, if not fatal.

The thing to be done, when catarrh of the kidneys is discovered, is to take some internal, systemic catarrh remedy, one that reaches the very source of the catarrh and removes the cause of the difficulty.

Such a remedy has been found in Peru-na. It reaches catarrh, no matter where it may be located in the body—whether in the more exposed membranes of the nose and throat, or whether in the remotest part of the kidneys.

That Peru-na is at once the safest and most reliable remedy for catarrh of the kidneys is proven by the many testimonials written by those who have experienced its benefits. The testimonial given here is only a specimen of the many testimonials on our records, pertaining to the relief afforded by Peru-na in severe cases of kidney trouble.

For free medical advice, address Dr. S. B. Hartman, President of the Hartman Sanitarium, Columbus, Ohio.

Mr. David L. Jaycox, Chaplain Clarinda L. O. G. T. and Chaplain G. A. R., 845 Broadway, Oakland, Cal., writes:

"I am an old war veteran. I contracted severe bladder and kidney trouble.

"I spent hundreds of dollars and consulted a host of doctors, but neither did me any good.

"Finally some of my comrades who had been cured by Peru-na advised me to try it.

"I at once bought a bottle and found it helped me so much that I kept using it for nearly four months.

"Peru-na has proven the best medicine I ever used. My pains are gone and I believe myself to be cured.

"I feel well and would not be without a bottle in time of need for ten times its cost."
