## A Farmer Saw One of Our Ad- vertisements in a Newspaper.

It happened that shortly afterwards he sold some grain. He opened a checking account with us, depositing the money he received from the sale of his grain. From that day to this, that farmer has always kept an account with us. Whenever he sells any produce from the farm, he deposits the money in bank and pays his obligations by check because it is an advantage to him. He never has to bother his neighbor for change. He can write out a check for any amount. His check book is of no use to any except himself, and is money is safe in the bank.

## CELEBRATE GOLDEN WEDDING

A Worthy Pioneer Couple Celebrate Their Fiftieth Wedding Anniversary at Home in Kansas.

On Friday, October 26, 1906, Mr. and Mrs. L. W. Patterson, living south-west of town, observed their golden wedding anniversary, after a life of wedded bliss for fifty years. On this occasion their home was the scene of a happy reunion of their family of eight grown children, with the exception of one daughter, two brothers and one sister of Mrs. Patterson also being present.

While this golden wedding was only a home affair it was an event in the history of the Patterson family that will never fade from memory's pages of those whom are nearest and dearest to father and mother. And yet, while Mr. and Mrs. Patterson are rapidly nearing the sunset of life, they are unusually hearty people of their ages, and as long as memory shall serve them they can never forget this particular home-gathering of their children and the love and kindness shown them.

There was no arch of flowers and lace, nor was there an officiating clergyman to reunite the aged couple in the holy bonds of matrimony, but there were the wedding presents which consisted of a liberal gift of gold coin from each of the children. This gift was put into the hands of the elder brother of the aged bride who presented the same in a few well chosen words, and if there were any dry eyes in the house at the close of Mr. Town-er's talk, they were the eyes of the pictures on the wall.

Mr. L. W. Patterson and Miss M. E. Towner were united in marriage at Rock Bluffs, Cass county, Nebraska, on the 26th day of October, 1856. To this union nine children were born, all of whom are now living and enjoying good health, with the exception of one twin born dead, Mrs. L. Joy, of Rydal, being the living twin.

A wedding is incomplete without a feast and the spread on this occasion was one of the principal features of the day, as photographer Jennings can testify—Joe went out to take a picture of the wedding group and was honored with a seat at the table. After dinner the picture was taken on the lawn with the house, which Mr. and Mrs. Patterson have called "home" for so many years, for a background.

The children present were Mrs. Mira E. McDonnell and Mrs. Etta M. Moore, of Murray, Neb.; Howard W. Patterson, of Mankato, Kan.; (Mrs. Belle Moore, of Fruita, Colo., comes next in age but was not present on this occasion) Lilly E. Joy, of Rydal, Kan.; L. B. Patterson, Narka; Mrs. Rannie E. Black and Mrs. Lottie H. Virts, of Kansas City, Mo. Mrs. Patterson's two brothers and a sister, Abe Townor, of Surprise, Neb.; Mc. D. Townor, of Ulysses, Neb., and Mrs. Rannie Tissue, of Seward, Neb., were also present.

The Leader joins with the children and many friends of Mr. and Mrs. Patterson in wishing them many more years of wedded bliss, happiness and prosperity.—Mahaska (Kan.) Leader.

In addition to the above the Journal desires to add to the same that this worthy couple were the first couple married in Rock Bluffs, and that the brothers and sisters present at the golden wedding were present when the blushing bride was led to the bymenial altar 50 years ago. The knot was tied by the then County Judge Wolf, and it seems that he tied it so tight that it has not slipped in all these 50 years of a happy married life. Mr. and Mrs. Patterson are well known in Cass county, where they have many friends, who join the Journal in hoping that their prosperity and happiness may continue, if possible, fifty years longer.

#### Death of Harvey Daniels.

The death of Harvey Daniels occurred at 12:30 p. m. on Tuesday, November 6, at the home of his sister, Mrs. Michael Gish, east of this village. The deceased was thirty-eight years of age, and his home was at Edgemont, S. D., where he had been a railroad employe. His health had been failing, and about two weeks ago he came here to visit and recuperate. He continued to grow worse, having heart trouble, which was the direct cause of his death. He had served four years in the U. S. navy, and was always known as an honorable and upright man. The funeral services were held yesterday afternoon at Sciota school house, conducted by W. A. Taylor of this village, and the remains were laid to rest in the Eaton cemetery.—Union Ledger.

#### The Death of a Prince.

A prince of a royal family died recently, in his best age and surrounded by comfort and luxury and by the most skilled physicians. He died of exhaustion, due to his extravagant hunt for pleasure, and to a continuous excitement. This same condition will be found also among the working classes; many of our working men and women do not get as much rest as they should, but they also waste their time and health in exhausting entertainments. They often return to their work tired and indisposed, but do not mind it, even if this condition returns quite often. They fail to notice that their complexion is paler, their strength diminished, their appetite weakened. This opens the gates to lurking diseases. A few doses of Triner's American Elixir of Bitter Wine will always dispel these symptoms. It will in every case regulate the digestion, purify the blood and strengthen the whole nervous system. Try it as soon as your appetite will not be as good as usual. At drug stores. Jos. Triner, 739 So. Ashland Ave., Chicago, Ill.

Lost—A lady's gold watch and fob engraved with the letter "H." This was lost between the postoffice and the residence of Mrs. Hempel. Finder leave watch with Miss Teresa Hempel, and receive suitable reward.

## AMAZED BY LUCKY ESCAPE

Team Attached to Lumber Wagon, Containing Two Men, Misses Bridge.

## WHOLE OUTFIT TUMBLES FROM BANK

Into Ditch, Twenty Feet Deep, and Beyond Several Bruises and Scratches the Men Escape Uninjured.

On account of darkness an accident, that might have resulted very serious to the principals, occurred while two men were driving home from town in a lumber wagon.

The affair referred to happened a few nights since about half past eight o'clock, as the men were driving along Fifteenth street. The night was exceedingly dark, and the men were depending upon the team to follow the road, but this the animals failed to do, when near the bridge midway between Oak and Locust streets, with the result that the whole outfit tumbled from the bank into the ditch, which is over twenty feet deep, on the east side of the bridge.

In falling down the steep bank the heavy wagon was hurled over and to one side of the horses, while one of the occupants fell into a puddle of water, and the other was thrown between the frightened horses.

When the two men managed to pull themselves upon the bank, a hasty inventory disclosed the fact, that, beyond a mud bath, several bruises and scratches, and a bad scare, they had escaped uninjured.

Their attention was then turned to the team which was tangled up in the harness and attached to the wagon. After cutting a few straps the animals were freed from their equipage and taken from the ditch without any serious injury having been sustained by either of them.

This approach to the bridge should be inspected, and a fence or some work that would prevent another such accident should be done at once, and thus relieve the city of any damage suits.

#### Croup.

A reliable medicine and one that should always be kept in the home for immediate use is Chamberlain's Cough Remedy. It will prevent the attack if given as soon as the child becomes hoarse, or even after the croupy cough appears. For sale by F. G. Fricke & Co., and D. M. Dent's drug stores.

Here is our condensed opinion of the Original Laxative Cough Syrup: "Nearly all other cough syrups are constipating, especially those containing opiates. Kennedy's Laxative (containing) Honey and Tar moves the bowels. Contains no opiates. Conforms to the National Pure Food and Drug Law. Sold by F. G. Fricke & Co. and Gering & Co.

#### The Matter Settled.

The case of Mary Smith against T. J. Doyle, democratic candidate for congress in the recent campaign, has been settled and dismissed in the district court. The details of the case were made use of as campaign material in the fight against Mr. Doyle. Mrs. Smith alleged that she raised \$2,500 with which she desired Mr. Doyle, whom she employed as her attorney, to secure title to a piece of property for her. She alleged that Mr. Doyle had only paid \$1,500 for it, and she brought suit to recover \$1,000. During the campaign Judge E. P. Holmes, before whom the case was tried once in the district court, exonerated Mr. Doyle in a published statement.—Lincoln Journal.

## WAS SUDDENLY SUMMONED

Chief of Police Downing Passes Away After a Short Illness.

The following account of the death of Nebraska City's Chief of Police was taken from the News of that city under date of Tuesday, November 13. The deceased was appointed to the position of Chief of Police about one year ago:

"The report was in circulation this morning that Chief of Police Downing had been found dead in his bed. This report was not true but grew out of the fact that his death was so unexpected that many believed he was suddenly stricken. Sunday he was on the streets looking after the affairs of the city and did not complain of feeling badly until toward evening when he went home. Sunday night he was taken sick with kidney trouble and gall stones and remained in bed all of Monday. During the day he complained that he could not get warm, although he was covered with clothing and there was a fire in the room. At 8:30 last night he began to grow weaker and gradually sank until 3:50 o'clock this morning, when he died.

"Charles E. Downing was born in Illinois January 4th, 1846, where he lived for a number of years. In November, 1863, he enlisted in company "A," 8th Illinois cavalry, and was honorably discharged in 1865. He came to this city some twelve or more years ago, first engaging in the draying business and then followed other pursuits. He was a candidate for the nomination for sheriff at the hands of the republicans, but was defeated. He served as deputy sheriff under Sheriff Shrader.

#### George Beason Dies at McCook.

A special from McCook under date of yesterday gives the following account of the death of George Beason, who was a resident of Plattsmouth for several years, but was conducting a saloon in Cheyenne, Wyo., when last heard from: "George Beason of Culbertson was found dead late last night near Perry Siding, between McCook and Culbertson. He left here during the night intoxicated, and doubtless fell a victim to alcoholism. His wife is now at Cheyenne, Wyo. They formerly resided at Plattsmouth, this state. The body was brought here and will be buried by the authorities to-morrow."
