THE OLDEST MAN IN AMERICA

Escaped the Terrors of Many Winters By Using Pe-ru-na.

"I Attribute my Extreme Old Age to the Use of Pe-ru-na."

Mr. Isaac Brock, 117 Years Old Last Birthday.

ISAAC BROCK, a citizen of McLennan county, Texas, has lived for 117 years. For many years he resided at Bosque Falls, eighteen miles west of Waco, but now lives with his son-in-law at Valley Mills, Texas. Some time ago, by request, Uncle Isaac came to Waco and sat for his picture, holding in his hand a stick cut from the grave of General Andrew Jackson. Mr. Brock is a dignified old gentleman, showing few signs of decrepitude. His family Bible is still preserved, and it shows that the date of his birth was written 117 years ago.

Born before the United States were formed. Saw 22 Presidents elected. Pe-ru-na has protected him from all sudden changes. Veteran of four wars. Shod a horse when 99 years old. Always conquered the grip with Pe-ru-na. Witness in a land suit at the age of 110 years. Believes Pe-ru-na the greatest remedy of the age for catarrhal troubles.

In speaking of his good health and extreme old age, Mr. Brock says: "After a man has lived in the world as long as I have, he ought to have found out a great many things by experience. I think I have done so.

"One of the things I have found out to my entire satisfaction is the proper thing for ailments that are due directly to the effects of the climate. For 117 years I have withstood the changeable climate of the United States.

"I have always been a very healthy man, but, of course, subject to the affections which are due to sudden changes in the climate and temperature. During my long life I have known a great many remedies for coughs, colds and diarrhoeas.

"As for Dr. Hartman's remedy, Peruna, I have found it to be the best, if not the only, reliable remedy for these affections. It has been my standby for many years, and I attribute my good health and extreme old age to this remedy.

"It exactly meets all my requirements. It protects me from the evil effects of sudden changes; it keeps me in good appetite; it gives me strength; it keeps my blood in good circulation. I have come to rely upon it almost entirely for the many little things for which I need medicine.

"When epidemics of la grippe first began to make their appearance in this country I was a sufferer from this disease.

"I had several long sieges with the grip. At first I did not know that Peruna was a remedy for this disease. When I heard that la grippe was epidemic catarrh, I tried Peruna for la grippe and found it to be just the thing."

In a later letter, Mr. Brock writes: "I am well and feeling as well as I have for years. The only thing that bothers me is my sight. If I could see better I could walk all over the farm, and it would do me good. I would not be without Peruna."

Yours truly,
Isaac Brock.
When old age comes, it brings with it catarrhal diseases. Systemic catarrh is almost universal in old people. It explains why Peruna has become indispensable to many old people.

KEEP THE KIDNEYS WELL

Health is Worth Saving, and Some Plattsmouth People Know How to Save It.

Many Plattsmouth people take their lives in their hand by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health, but there is no need to suffer nor to remain in danger when all diseases and aches and pains due to weak kidneys can be quickly and permanently cured by the use of Doan's Kidney Pills.

Mrs. M. E. Hartman, living at 708 Rock street, Plattsmouth, says: "My father was greatly benefited by the use of Doan's Kidney Pills. For years he did not have good health. Pain in the back owing to kidney complaint caused him considerable suffering and particularly so when on his feet. Learning about Doan's Kidney Pills, I procured a box for him at Gering & Co.'s drug store. He used them as directed and the paid was relieved, his back and kidneys strengthened and there was noticeable improvement in his general health. It is needless to say that the results which he obtained gave him cause to value Doan's Kidney Pills very highly."

For sale by all dealers. Price 50c. Foster-McBurn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.
