### Missouri Pacific Has Bad Luck.

On account of the washouts near LaPlatte and the damaged bridge over the Platte river, the Missouri Pacific resumed service with Omaha yesterday on the Burlington line from Oreapolis northward. The first passenger train to attempt the new line jumped the tracks near Oreapolis last night, and several hours were required to replace the truant engine, which was derailed on account of the soft roadbed. The work of filling in the washouts near LaPlatte is under the supervision of the division superintendent of the Missouri Pacific, and although a pile driver and crew have been steadily at work for several days, it will doubtless be as many more before the road will be in shape to handle traffic on the line to Omaha.

The water rose 40 feet higher than ever before known, and it is estimated that nearly 300,000 perished. Over 1,000 vessels were wrecked. ### A Valentine Party.

The home of Mr. and Mrs. C. L. Wiles, west of town, was the scene of much merriment Thursday evening, when a number of young people gathered in honor of St. Valentine. These caused much guessing until time for refreshments, when the gentlemen, in turn, shot with a bow and arrow at the group of hearts which the ladies had pinned to a curtain. Mr. Carl Cole proved to be the best marksman. In this manner partners were obtained for the delicious luncheon, which was served by the hostess assisted by Mrs. E. V. Cole. At a late hour the guests dispersed declaring the evening very well spent.
