

To All the Women Who Suffer Pe-ru-na Is Earnestly Commended

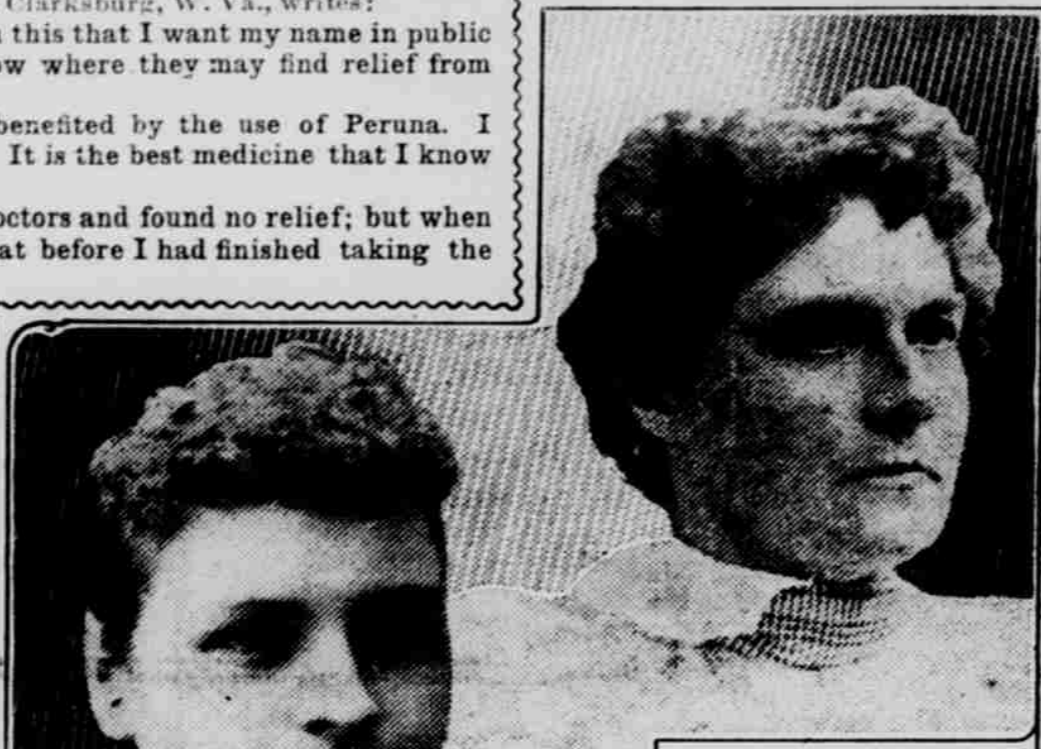

Mrs. Geo. C. Worstell, 11 River Road, Clarksburg, W. Va., writes:
"I trust that no one will think from this that I want my name in public for any cause only to let sufferers know where they may find relief from many ailments."
"I can truly say I have been much benefited by the use of Peruna. I feel better than I have for two years. It is the best medicine that I know for pelvic troubles."
"I have taken medicine from the doctors and found no relief, but when I began taking Peruna I could see that before I had finished taking the first bottle it was doing me good."

Cold Developed into Catarrh.
Mrs. N. P. Lawler, 423 1/2 N. Broadway, Pittsburg, Kas., writes:
"Peruna is a sovereign remedy for catarrh. Last spring I caught a severe cold which developed into a serious case of catarrh. I felt weak and sick and could neither eat nor sleep well."
"A friend who had been cured of catarrh through the use of Peruna advised me to try it and I did so at once. I expected help, but nothing like the wonderful change for the better I observed almost as soon as I started taking it."
"In three days I felt much better and within a week I was well. I continued taking the entire bottle and within two weeks I was in fine health. Peruna is a wonderful medicine."

Catarrh of the Bowels.
Mrs. Maggie Durbin, 1322 North St., Little Rock, Ark., writes:
"I was troubled for five years with a chronic disease. I tried everything I heard of, but nothing did me any good. Some doctors said my trouble was catarrh of the bowels, and some said consumption of the bowels. One doctor said he could cure me; I took his medicine two months, but it did me no good."
"A friend of mine advised me to try Peruna and I did so. After I had taken two bottles I found it was helping me, so I continued its use, and it has cured me sound and well."
"If anyone wants to know what Peruna did for me if they will write to me I will answer promptly."

Pains in the Side.
Mrs. Julia Braxton, Apollo, Pa., writes:
"Peruna has cured me of heart trouble and pains in the side."
"A year ago I was expected to die at any time, and the doctor was sometimes called at two o'clock in the morning. But I am thankful to say that I do not not have to send for a doctor now."
"Since I have used your Peruna as you advised me, I am well and able to do all my housework."
"I have all the faith in the world in Peruna as it cured me and I know that it will cure others."
"I cannot praise Peruna enough for what it has done for me."

Stomach Trouble.
Miss Anna Carsten, Clayton, Ill., writes:
"Your Peruna did me so much good. I am feeling so well now and have no trouble with my stomach."

MISS NETTIE E. BOGARDUS

Miss Nettie E. Bogardus, R. F. D. 21, Westfield, N. Y., writes:
"I have been a great sufferer from sick headaches, but am now entirely free from that trouble. I have not felt so well in ten years as I do now. I would recommend Peruna and Manalin to all sufferers. I will say, God bless Dr. Hartman and his wonderful remedies."

Stomach Catarrh.

Miss Julia Butler, R. R. 4, Appleton, Wis., writes:
"For the past six years I suffered with catarrh of the stomach, causing loss of sleep and appetite, with frequent severe pains after eating."
"My sister advised me to try Peruna. I took your treatment and my appetite returned speedily."
"I gained strength and flesh and am in perfect health."
"I am so thankful your medicine has done me so much good."

MRS. GEO. C. WORSTELL

MRS. O. D. ROBINSON

Mrs. O. D. Robinson, 48 St. Felix St., Brooklyn, N. Y., writes:
"I have taken Peruna and it did me more good than all my two years' treatment by special physicians. I can really say that I feel like another person. No more swollen feet and limbs. No more bloating of the abdomen. No more shortness of breath. No more stiff and sore joints. You have no idea what your treatment has done for me. It certainly has prolonged my life and made a new woman of me."
"O, such a blessing I have received through your kindness, doctor, and the assistance of the medicine which you so kindly prescribed. I am able to work since I began your treatment, but before I was not able to help myself, much less work for any one else. All praise is due to Dr. Hartman and his treatment."

Boy Missing From Home.
The authorities of this city have been notified lookout for Clinton Githens, a fifteen-year-old boy, who is missing from his home in Des Moines, Ia. He has blue eyes, brown hair and long features, and weighs about 90 pounds; was dressed in dark blue serge, knee pants, patent leather shoes, light hat with very narrow band, and light shirt with small red figure. He disappeared from home on the 15th of March and has not been seen or heard from since that date.

Nebraska City Very Lucky.
The Omaha Bee contains the following in reference to the M. E. Smith & Co. factory which Plattsmouth could have secured if the proper effort had been made at the proper time: "Owing to the extreme scarcity of suitable labor in Omaha a new and complete shirt and overall factory will be established by M. E. Smith & Co., at Nebraska City, and negotiations to that end are now about to be closed."
"Ward M. Burgess, vice president of M. E. Smith & Co., is conducting the negotiations, and it is proposed to lease the Bartling building in Nebraska City, which is a two-story brick structure covering a large amount of ground."
"The new factory will employ about 100 skilled factory hands and will be equipped with new machinery of the latest pattern, which is being bought in the east. The products will be brought to Omaha to augment the production of the local factory, and the main distributing point will, of course be retained in this city."

DEPUTY ASSESSORS IN CITY
Securing Supplies and Receiving instructions in Regard to Assessment of Personal Property.
WILL START TO WORK NEXT MONDAY
New Schedule Portfolio, Which Will Facilitate Labor, Issued to the Deputies This Year.
In the court house Saturday deputy assessors from the various parts of the county assembled to hold their annual meeting preparatory to starting on the rounds for 1907 assessing the personal property of Cass county. Nearly every one of the nineteen deputies were present to secure their supplies, and to discuss the rate of appraisal of horses, cattle and other live stock, in order that each one would work on about the same basis.
The instructions given out by County Assessor Teegarden to his deputies does not differ much from last year, and after obtaining their schedules, and a new portfolio for the same, most of the deputy assessors returned home this afternoon, prepared to begin work in earnest on Monday morning.
The new portfolio issued this year with the schedules of personal property for 1907 will facilitate the work a great deal. The case is very convenient—the assessor being able to make out the papers without having to carry a scrap of card board, or a shingle upon which to write. After a schedule is made out, all the assessor has to do is to transfer it to the opposite side of the portfolio, where it is held secure by the pocket arrangements on each of the four corners. The assessors were much pleased to receive these portfolios, as they readily appreciated the advantages over the old means of conducting the assessment.

BRINGS SUIT FOR FEES DUE

C., B. & Q. R. R. Co. and B. V. R. D. Defendants in Action Filed by Matthew Gering.

ASKS JUDGMENT IN SUM OF \$500.00

Action Grows Out of Settlement of Damage Suit Against Defendants by Louis Olson.

A new case entitled Matthew Gering vs The Chicago, Burlington & Quincy Railway company and the Burlington Relief Department, was filed in district clerk's office Saturday. The action is brought to recover judgment in the sum of \$500 against the defendants.

The suit grows out of a former action brought by Louis Olson, who secured a judgment against the above defendants for injuries sustained while in their employ. From the petition, it is learned that Olson through his attorney, Mr. Gering, brought suit for the loss of his right limb, by being run over by one of the Burlington switch engines on the 14 of August 1891. This case after being carried to the supreme court was decided in favor of Olson, who afterwards through Mr. Gering again brought suit for relief money due, as provided for by the regulations of the Burlington Voluntary Relief Department.

On or about the first of June 1905, Olson received \$1200 from the defendants in full settlement of all existing claims, and of those that might arise in the future.

This settlement was contrary to the directions made by Mr. Gering, who previous to the above payment, had informed and notified the solicitor and duly authorized agent of the railway company that he claimed a lien for reasonable attorney fees and services, upon all moneys in the hands of the defendants, due said Olson.

The plaintiff alleges that by reason of the settlement so made and by the dismissal of the action, he suffered damages to the extent of \$500, for which sum he has brought suit and prays judgment for against the defendants.

Company D Re-organized.
Last Tuesday evening the new members enlisting in Company D, met at the armory and were mustered into the service by Gen. J. H. Culver, adjutant general of Nebraska. Twenty-five new members were present to take the oath, and it is expected that the membership will reach fifty in a short time.
On Friday evening the members met to elect officers and the following were chosen: 1st Lieutenant, Supt. I. N. Clark; 2d Lieutenant, John Crozier. These men are both capable and will make good officers.

With a new start, and with a membership of good clean men who are determined to make it a success, the company may be one that the town can be proud to own.

An election for captain will be held in a short time, and drill will begin in earnest.

Let everybody take hold and give them a push that will help to land them among the best companies in the state.—Weeping Water Herald.

In using a cough syrup, why not get the best? One that comes highly recommended is Bees Laxative Cough Syrup, contains Honey and Tar and is superior to other cough syrups in many ways. Children always like it because it contains no opiates; is a laxative and is guaranteed to give satisfaction or your money refunded. Try it. Gering & Co.

We Trust Doctors
If you are suffering from impure blood, thin blood, debility, nervousness, exhaustion, you should begin at once with Ayer's Sarsaparilla, the Sarsaparilla you have known all your life. Your doctor knows it, too. Ask him about it.
Unless there is daily action of the bowels, poisonous products are absorbed, causing headache, biliousness, nausea, dyspepsia, and thus preventing the Sarsaparilla from doing its best work. Ayer's Pills are liver pills. Act gently, all vegetable.

While there's life there's hope. Rockefeller will have a good many millions left after he has dispensed the amount of the benefactions already provided for. He may yet make provisions for the poor but honest.

The Washington Post very neatly disposes of the matter in these words: "At one time in his career, Grover Cleveland was loved for the enemies he made, and today he is admired for the way he mends his own business."

If "exaggerated ego" is to be recognized as a form of insanity it will be of no use to attempt to put all insane people in the asylum. The state could never afford to build one big enough to hold all the "exaggerated egos."

Nebraska has made some efforts to pose as a reform state, but when compared with the achievements of some other commonwealths her luster is dimmed distressingly. Wisconsin, for example, has a law requiring sheets eight feet long on boarding house beds, and Montana hotels and restaurants are compelled to tell what's in the hash.

The recent flurry in the stock market in New York fortunately passed over without disastrous results, or widespread influence in other parts of the country. Not many years ago a panic in New York was reflected in all the large business centers of the country, and generally with disastrous results, but the tide of affairs has changed and New York no longer rules the rest of the country either financially or politically.
