

AMERICAN OFFICERS OF HIGH RANK AND OTHERS ENDORSE PE-RU-NA.

Prominent People Recommend the Remedy
Pe-ru-na.

Dr. Hartman's World Renowned Catarrh Medicine.

A Remedy for the Grip.
Gen. W. H. Parsons, 925 H St., N. W., Washington, D. C., writes as follows:
"Upon the recommendation of personal friends and many strong testimonials to the efficacy of Peruna in the treatment of the numerous symptoms of the grip with which I have been affected for four months past, I have been induced to undergo a treatment of this justly celebrated formula.

"I feel a decided change for the better by its use for one week only, especially in toning up the stomach, and a consequent decided effect upon my appetite.
"I therefore feel much encouraged that I am on the road to complete restoration.

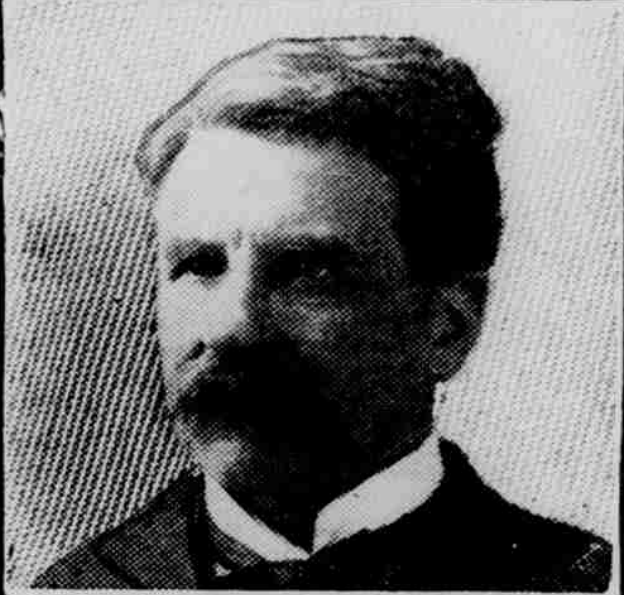

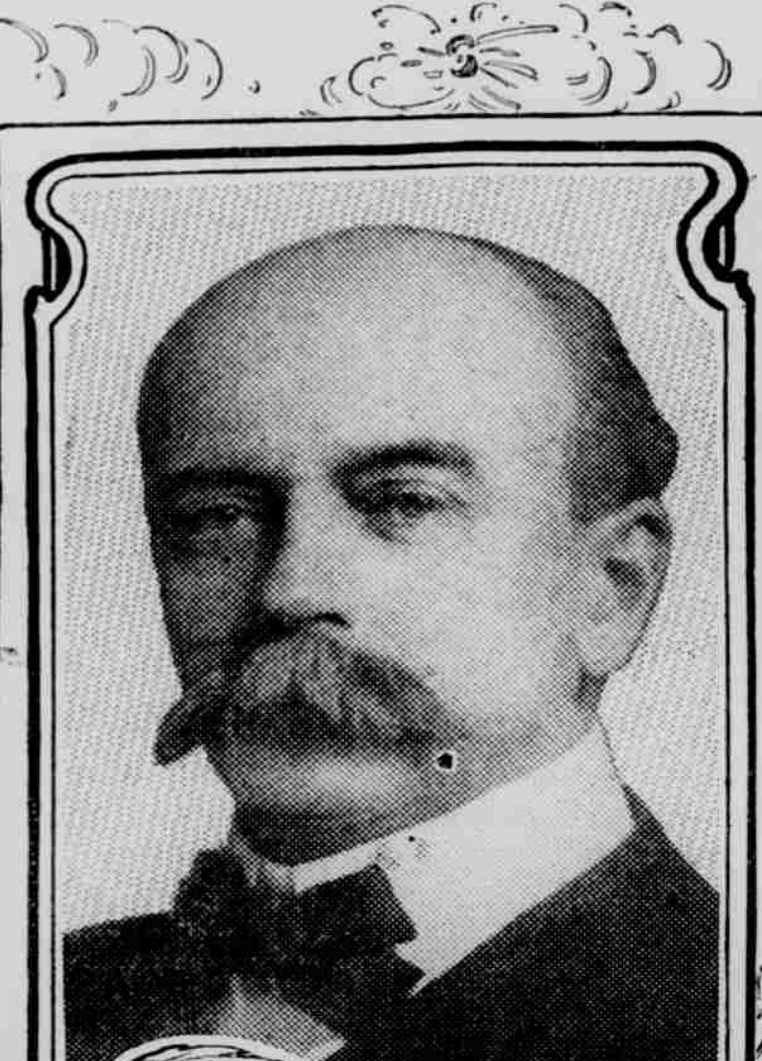

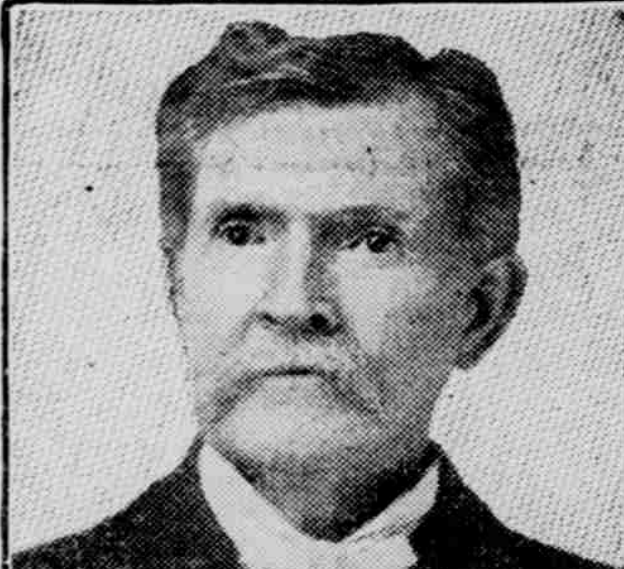

"My numerous friends in Texas, where I have had the honor to command a brigade of her veteran cavalry in a four-year war, may accept this voluntary testimonial to the merit of Peruna from a sense of obligation for its wonderful efficacy."

Pe-ru-na a Good Tonic.
Gen. M. C. Butler, of South Carolina, writes from Washington, D. C., as follows:
"I can recommend Peruna for dyspepsia and stomach trouble.

"I have been using your medicine for a short period and I feel very much relieved.
"It is indeed a wonderful medicine, and besides a good tonic."

Colds in the Head and Throat.
Chas. W. Bowman, 1st Lieut. and Adj. 4th M. S. M. Cav. Vols., writes from Lanham, Md., as follows:
"Though somewhat averse to patent medicines, and still more averse to becoming a professional affidavit man, it seems only a plain duty in the present instance to add my experience to the eulogiums already written concerning the curative powers of Peruna.

"I have been particularly benefited by its use for colds in the head and throat.
"I have been able to fully cure myself of a most severe attack in forty-eight hours by its use according to directions.
"I use it as a preventive whenever threatened with an attack.
"Members of my family also use it for like ailments.
"We are recommending it to our friends."

Recommends Pe-ru-na to the Afflicted.

Brig. Gen. D. T. Kirby, Washington, D. C., writes concerning Peruna, as follows:
"Friends of mine having used your Peruna catarrh cure with good results, I am impressed with its curative qualities, and can recommend it to those who are afflicted."

An Invigorating Tonic.

Rear-Admiral Hichborn, U. S. Navy, Washington, D. C., writes:
"After the use of Peruna for a short period, I can now cheerfully recommend your valuable remedy to any one who is in need of an invigorating tonic."

For Catarrh of the Stomach.

Gen. W. W. Duffield, Washington, D. C., writes:
"I have used Peruna in my family and have found it a valuable medicine and take pleasure in recommending it to all who suffer from catarrh of the stomach or who require a tonic of prompt efficiency."

Gen. A. M. Legg

DEAFNESS CAUSED BY CATARRH—RELIEVED BY PE-RU-NA.

Gen. A. M. Legg, writes from the Savings Bank Building, Washington, D. C., as follows:
"I take pleasure in endorsing the many recommendations I have heard and read of Peruna, because of having had knowledge of the truth of so many of them.
"We always tell our sick and ailing friends of the remedies that we have learned, from experience, were good for us when ailing in the same way, and we do it as a duty we feel that we owe them.
"Why is it any the less our duty to advise all the people we can when we know of a good and comparatively inexpensive remedy that makes many cures, and benefits in almost all cases?
"My own little personal experience of being relieved of deafness, caused by a slight catarrh, warrants me in advising all the afflicted to just try Peruna."

Used Pe-ru-na—Satisfied As to Its Merits—Recommends It to All Sufferers.

Gen. S. S. Yoder, 203 Md. Ave., N. E., Washington, D. C., writes:
"I desire to say that I have found Peruna to be a wonderful remedy. I only used it for a short time and am thoroughly satisfied as to its merits. I shall gladly recommend it to all sufferers."

For Kidney Trouble, Coughs, Colds and Catarrh.

Gen. A. T. Hawley, 1336 25th St., N. W., Washington, D. C., writes:
"I have used Peruna and find it very beneficial for kidney trouble, and especially good for coughs, colds and catarrh trouble."
Convinced of Pe-ru-na's Merit.
Brig. Gen. J. Floyd King, Washington, D. C., writes:
"I unhesitatingly state that I am convinced Peruna is a medicine which will effect all that is claimed for its use."
"Those desirous of obtaining special directions with regard to the use of Peruna should write to Dr. S. B. Hartman, President of the Hartman Sanitarium, Columbus, Ohio."

A Fine Restaurant.
Perry Utterback has been doing a great deal of renovating in the past two weeks, and his place of feeding the hungry presents a most inviting appearance. The floor has been recovered with linoleum, the inside and outside front repainted with many other improvements. Mr. Utterback has been a caterer to the hungry for several years, and these improvements demonstrate that he appreciates the patronage he has received in the past, with the hope that it will increase in the future. He can now justly boast of possessing one of the finest restaurants in Southeastern Nebraska, and will continue to give his patrons value received.

Pleasant Surprise Party.
Thursday evening the home of Mr. and Mrs. Hild was the scene of a delightful surprise party, when a number of young people assembled to assist their son Emil in celebrating his eleventh birthday. Games of various kinds were found to be entertaining for the little folks, and after partaking of a fine supper the participants departed wishing their little friend many more such happy returns.

Senator Root made a good record as to the number of bills introduced, but not so good when it came to getting his work through. He introduced 43, but was only successful in getting 8 of them passed. All of which denotes that too much time was wasted in the legislature at the start, in a race to see who could introduce the most bills. Root made a good race.

A RUNAWAY TEAM COLLIDES WITH HACK

Horses Driven by T. C. Vroman Frightened by a Passing Rig THEY DASHED DOWN CHICAGO AVENUE One Animal Seriously Injured and Vehicle of Parmele's Livery Barn is Badly Damaged

An exciting runaway, that resulted in one horse being seriously injured and a hack badly damaged, occurred at noon Friday, when a team belonging to T. C. Vroman became frightened and dashed down Chicago avenue, colliding with the hack near Parmele's livery stable.

While Mr. Vroman was preparing to return home from the vicinity of South Tenth street and Chicago avenue, where he was plowing a garden, the team was frightened by another being driven by rapidly. As Mr. Vroman was climbing in the back of the wagon, they started to run, but before he could obtain the lines, they had struck an exceedingly lively gait.

At the bridge which leads to Tenth street from the avenue, the team being out of the road, caused the wagon to be hurled into the ditch, when they swerved to cross the structure. The wagon-box was tossed over the railing at the edge of the bridge, while the driver was thrown to one side, thus escaping injury with the exception of a number of bruises and scratches.

After freeing themselves from the running gears, the terrified animals continued their mad flight down Lincoln avenue, occasioning the occupants of other rigs a bad scare, until arriving opposite Parmele's barn, they crashed into the rear of a hack which was standing in the road. One of the horses barely missed the vehicle which was turned completely over by the shock. The steel spring at the back of the hack was plunged in the breast of one horse several inches. With one animal underneath the conveyance and the other unable to escape from the spring, it required several moments for men to separate them.

Dr. A. P. Barnes was hastily summoned to dress the injured animal, which he thinks will recover with careful treatment.

This is the same team that caused some excitement on Main street about a week ago, when they got away from the driver and ran down street until stopped at the depot.

Next Year is Leap Year.

The fact that next year is leap year is giving rise to all manner of speculation as to the best means of getting the bachelors of this place to enter the realm of benedicts. Some have proposed one plan and some another. But the city council will be asked, we understand, to consider the matter of passing the following: "It shall be the lawful right, proper and fitting, and the unalienable privilege of any single woman in this city, be she maid or widow, to ask or solicit the hand in wedlock of any single man, young or old, whom she may choose. And any man so asked shall be in duty bound to accept such proposal unless he can give good and sufficient reasons for refusing. Such reasons being based upon the fact of his being already engaged."

When public endorsement is made by a representative citizen of Plattsmouth the proof is positive. You must believe it. Read this testimony. Every backache sufferer, every man, woman or child with any kidney trouble will find profit in the reading.

John Janda, street commissioner, living on the Corner of Seventeenth and Pearl Streets, Plattsmouth, Neb., says: "I cannot say too much in favor of Doan's Kidney Pills. My wife used them for pain in her back and was soon absolutely freed from the annoyance. I also used them with the same satisfactory results. All those who suffer from backache or symptoms due to irregularity of the kidneys will consult their own interest by procuring Doan's Kidney Pills at Gering & Co.'s drug store and give them a trial. Another Lucky Cass Countyman.

Dr. E. S. Dungan of this village goes to Grand Island as superintendent of the Soldier's and Sailor's Hospital, a position for which he is in every way well qualified by reason of his medical training and experience and careful attention to business. Dr. Dungan and wife completed arrangements Wednesday for removing to Grand Island, but Mrs. Dungan stops in Omaha for a few days' visit before going to their new home. Their many friends here regret losing them from this village, but are pleased that they are to locate within the state and hold a good position under a governor who recognizes true merit—Union Ledger.

Wins Out in Supreme Court.

The Journal desires to congratulate Canon Burgess upon his victory in the supreme court. It was a matter that was brought by the county to collect taxes on town lots. The case has been in the courts for four years, and after the decision of the district court against him, through his attorney, A. L. Tidd, it was taken to the higher court, where our old friend came out victorious.

Grain Dealers Organize.

Thirty grain men, doing business along the Missouri Pacific railroad, met in Nebraska City Saturday afternoon for the purpose of perfecting an organization.

Joseph Tighe of Manley, was elected chairman and J. M. Elwell of Springfield secretary. A committee consisting of W. B. Banning, E. A. Duff and I. J. Denton was appointed to look up the law to ascertain how an association could be perfected and not violate the law. It is the intention to look after the matter of rates, procuring cars when needed and to retain legal talent to bring actions against roads when by reason of failure to get cars grain cannot be delivered when contracted for; to protect interests of members of the association and to secure more recognition from the railroads than in the past. Such a movement is all right. Last winter cars could not be had at any price along the Missouri Pacific, and when a complaint was made by the proper authorities, such was apparently treated with silent contempt.

When Other Remedies Failed Pe-ru-na Proved Efficacious.

Hon. Geo. W. Honey, National Chaplain U. S. A., Ex-Chaplain 4th Wisconsin Cavalry, Ex-Treas. State of Wisconsin and Ex-Q. Master General State of Texas, G. A. R., writes from 1700 First street, N. E., Washington, D. C., as follows:
"I cannot too highly recommend your preparation for the relief of catarrhal troubles in their various forms.
"Some members of my own family have used it with most gratifying results.
"When other remedies failed, Peruna proved most efficacious and I cheerfully certify to its curative excellence."

Pe-ru-na, a Standard Treatment For Catarrhal Diseases.

Mr. John C. Nelson, Dayton, Tenn., geologist and mining engineer, while a Captain in the Federal Army during the Civil War, contracted a case of rheumatism. This malady was constant and persistent, inducing the development of other ailments, which also became chronic. After taking a course of Peruna, Capt. Nelson writes:
"Having been painfully afflicted with chronic rheumatism and the adjunctive complications for many years, and after having received many general and special treatments with only temporary relief, I read your scientific treatise on catarrhal diseases.
"At my request you prescribed a special course of the Peruna remedies, which I closely followed, and am happy to report that my rheumatism and complicated ailments are subdued, and I feel young again at the age of 69 years.
"Reason will accept your classification of catarrhal diseases as scientific and true, and the Peruna remedies as a standard treatment for them. I thank you heartily for your skilled and logical advice."

Enjoys Renewed Health and Strength.

James J. Osborn, 63 Wahsatch Ave., Colorado Springs, Colo., has filled all the positions in Knight Templars Masonic Order, was a Mason since 1866, Judge of County Court, Clinton, Mo., and also County Collector of Clinton. He writes:
"A sluggish liver which I had been troubled with for two years made life miserable and I was unable to attend to my business half the time. I lacked energy, had headache most of the time, and my food distressed me and did not seem to do me a particle of good.
"Reading of the many cures performed by Peruna, I decided to try a bottle. Before I had taken many doses I felt better.
"I took it as directed for two months when I was a well man."
