One of the early industries of that part of Cass county was a saw mill. This produced a quantity of lumber from the native timber, and from this the Sheldon house was built. It was one of the old fashioned timber tramed houses, solidly planned and primitively but carefully finished. It was in this house that the present governor was born. It is still a well preserved place, and was the home of the governor until he moved to Lincoln. The timbers have grown as hard as flint and the old fashioned iron nails I have a number of good brood sows are holding the boards on with a grip

# The Checking Account For The Farmer

Many farmers keep a checking account with us regularly because it is a great help and convenience in their everyday business. With a checking account you can tell exactly the total amount of your receipts and expenditures for each month for the entire year. When you sell your farm products, deposit the money in the Bank, subject to check. The obligations you have, can be cancelled by check. When you make a purchase, pay by check. We invite you to try this

The Bank of Cass County Plattsmouth, Nebraska.
