The Last Leap.

Mr. Ant. Skala sent us the following letter which we gladly submit to our readers. "I used to read in the newspapers about Triner's American Elixir of Bitter Wine and its efficiency in diseases of the stomach, and at last found occasion to try it myself. I was so sick that I made ready for the last hour, because none of the medicines I used for my stomach trouble had any effect on me. Then I resolved to take Triner's American Elixir of Bitter Wine as the last trial, and must say that in fourteen days I was perfectly well again. I wish to assure my countrymen that when all remedies will fail you, this one will be the last and perfect help. Anton Skala, 517, 11th Ave., S. Lorain, Ohio." This cure can easily be explained. Triner's American Elixir of Bitter Wine will almost immediately give to the sufferer enough strength to take and digest food. As soon as this is accomplished the cure is only a matter of a short time. Use it always when you feel weak, when you need appetite, when all medicines failed to cure you. At drugstores, Jos. Triner, 709 S. Ashland Avenue, Chicago, Illinois.
