## MAN-A-LIN Is An Excellent Remedy for Constipation.

There are many ailments directly dependent upon constipation, such as biliousness, discolored and pimpled skin, inactive liver, dyspepsia, overworked kidneys and headache.

Remove constipation and all of these ailments disappear.

MAN-A-LIN can be relied upon to produce a gentle action of the bowels, making pills and drastic cathartics entirely unnecessary.

A dose or two of Man-a-lin is advisable in slight febrile attacks, la grippe, colds and influenza.

The funeral will occur from his mother's residence at 2 o'clock Sunday afternoon, Rev. J. H. Salsbury conducting the services, and the remains will be interred in Oak Hill cemetery.

On June 6, 1904, he went to Denver, Colorado, where he remained a year, from where he went to Ft. Steele, Wyoming, where his sister, Mrs. John Mumm resides, and has made his home there until recently, returning to Plattsmouth on the 19th of the present month, since which time he has been at the home of his mother.

### Return of the Van Fleets.

A special from Nebraska City under date of May 23, says: "Elder Peter Van Fleet, who was presiding elder of this district for six years and who left here some six years ago and went down to Porto Rico to do missionary work, returned home last evening and will spend a five months' vacation in this city and vicinity. He was compelled to return home on account of the health of his wife, who lost her voice and had been ill for a number of months. They came home via New York City, the wife showing improvement the minute she reached Nebraska. They have been gone for over six years and during that time have established many churches and aided in the conversion of many of the people. It is thought they will conclude to give up their work in South America and settle in Nebraska once more."—Nebraska City News.

Elder Van Fleet is well known in this city, having at one time been stationed here as pastor of the Methodist church.

### Cut His Foot Badly.

Little Clement Chapman, son of Mrs. S. M. Chapman, had a very severe accident, stepping on a piece of broken bottle and cutting a large gash in his foot. Dr. Cook sewed up the injury and the little fellow is resting nicely now and it is hoped no serious condition will result from the accident.

## THE COUNTY SUNDAY SCHOOL

The Convention to be Held in Plattsmouth on Thursday and Friday, June 13 and 14.

County convention June 13 and 14. The program is going to be a "hummer."

The place is Plattsmouth and it is the 7th annual meeting. Will you be there?

Preparations are being made to care for 125 delegates. Plattsmouth is getting quite a reputation as a convention city.

The train service in and out of Plattsmouth is the best just now for county visitors it has ever been. Come early and stay late.

Governor Sheldon has been "drafted" to speak at our convention. This is the first time we have been honored with a governor on our program.

Cass county is the only county, this year at least, that has a "governor of its own" and he is to be on the program the evening of June 13th.

E. C. Knapp of Hartford, Conn., is to be with us both days, June 13th and 14th. If you fail to hear him you will fail to hear the brightest young man in the Sunday school field today. Mr. Knapp is a graduate of the University of Michigan and at present is instructor in Bible School Administration in the Hartford School of Religious Pedagogy.

Mr. Knapp stops here on his way to the Colorado and Oregon state conventions, otherwise we could not afford to have an expert of national reputation. Those who attended the Nebraska state convention last year at York will remember his ringing words and telling talks.

Some of our Otoe county friends have heard of the gatherings we are to have at our convention and are coming up to enjoy them with us. So be it. We shall be glad to see them. But don't let them get in ahead of you. It's your fault if they do.

There are many other things on the convention program which cannot be noted here, but one of them is a talk by Newman Hall Burdick of Omaha, who has been a student under J. Wilbur Chapman, the great evangelist. Mr. Burdick will tell us how to approach the greatest of all problems—personal work with the scholar.

The local committees in charge of the convention are as follows: General Arrangement, Revs. J. H. Salsbury, A. L. Zink, J. E. Houglate, J. E. Swanson, Fred Langhorst, Boeving and W. L. Pickett; entertainment, E. L. Rouse, chairman; reception of delegates, Jesse Perry, chairman; music, G. L. Farley, chairman; decorations, J. W. Benfer, chairman.

All those who expect to attend had better send names at once, or as soon as possible, to E. L. Rouse, stating what train on which you expect to arrive and what school you represent.

### Death of John A. O'Keefe.

John A. O'Keefe of Omaha died Monday of heart failure. Mr. O'Keefe was one of the pioneers of Nebraska coming to Plattsmouth in 1868 and making his home here for a number of years. He will be remembered by our older citizens as being connected with the firm of railroad contractors, O'Keefe, Mallory & Cushing, which firm did much of the work for the Burlington road in its building in eastern Nebraska. Mr. O'Keefe in the late eighties moved to Omaha and has made his home there since. While here he lived for a while in the house now occupied by Z. T. Brown on South Seventh street.

No arrangement has as yet been made for the funeral. Announcement will be made tomorrow.

### Rest Provided.

Some twenty old and other friends of Col. H. C. McMaken, purchased a chair, and presented it to him as an acknowledgment of the efforts put forth in order to bring about the nicely appointed details of the Pioneers' Reunion. The chair is a fine piece of workmanship and makes a elegant present and will afford a good visiting place for the colonel after a hard day's work.

### Weeping Water Graduates.

A special from Weeping Water says: "The seventeenth annual commencement of the Weeping Water high school will be held at the Congregational church next Wednesday evening, commencing at 8 o'clock. The baccalaureate sermon will be preached by Rev. J. H. Address in the Congregational church Sunday evening, May 26. Fourteen are in the class which is the largest ever graduated from this school. The graduates are: Myrtle Calkins, Mary E. Fisher, Lenora H. Gordon, Lizzie H. Jameson, Troy R. Jewell, Daisy I. Johnson, Louisa M. Jones, James W. Joyce, Robert F. Kennedy, Albert P. Pool, Evelyn L. Switzer, Gladys D. Townsley, Fiarise V. Wollen and Flossie E. Wollen."

## VERY SUCCESSFUL CONTEST

Coaets' Nail Well Filled to Hear the Program in the Medal Contest

Last Night

### DEATH OF A. C. CLARK IN CALIFORNIA.

A Former Employee of the Burlington Shops and Leader of the Old B. & M. Band.

The Medal Contest Friday night was up to the standard, if not a little superior, to those preceding. Quite a nice gathering of people interested in this work were present and awaiting the opening number. The president, Mrs. L. A. Moore, called the audience to order and introduced Father Bradley, of the St. John's Catholic church, who in excellently chosen words, carefully and fearlessly set forth a fair solution of the Liquor Problem, the main thought being to have good legislation, and see that all laws were rigidly enforced, and closed by appealing to the higher law of morality and duty to one's God.

This contest differed from the preceding ones in that a musical contest was held in conjunction. There were six speakers and six musicians, and as usual the tone and quality of each number was so well executed that it made quite a task for the judges.

The winner among the orators was Phillip Rouse who spoke with the true fire and vim of a coming orator. The one standing second was Dorr McBride. The other boys need not at all feel discouraged; there are a great many chances yet open to them.

Father Bradley, in a few well chosen words, presented the medal.

The winner was Miss Clara Janda, with a close second in Miss Mollie Godwin. Hilt Wescott made the presentation speech, and referred to the vast field of music as a world of sentiment and expression.

While the judges decision were being awaited Miss Margaret Thomas, Master Bennie Windham and Mrs. Beeson entertained the audience with recitations, each one favorites with the Plattsmouth people, and acquitted themselves admirably.

### A Peculiar Question.

A peculiar question has been raised by reason of the remonstrance filed against the granting of a saloon license at Burr, in which the district court knocked out the remonstrance and ordered the village board to reissue the license which had been ordered revoked. The money for the license was paid in at the time the license was applied for and after the license was granted the court ordered the saloon closed. Now the applicant asks the village board to refund the money which he paid for the time which he was closed and not allowed to carry on his business. The school board of that village has appealed to the county superintendent to adjust the matter and from what legal opinions he can get the village board and school district will have to jointly refund each the proportionate share for the time which the saloon was closed. This is the first time this matter has ever been brought up in this county.—Nebraska City News.

Through earnest solicitation Miss Lillian Fitch has consented to give an entertainment by her class at the Methodist church, Friday, May 31. They are having a great demand for their wagon, which is in a class by itself, as no one has anything to compare with it in the perfectness and simplicity of its operations.

### Barbers Overcharge.

The World Herald of Saturday contains the following: "At Pardon and Ed Pitman, the barbers accused of overcharging the McBride brothers of Belgrade, Neb., pleaded not guilty in police court Friday. Their cases were continued until next Tuesday, the McBrides signifying their intention of appearing against the barbers." Pitman formerly worked in this city for John Kuhney and Tony Trilety. His parents live near Union.

## Commencement at Pacific Junction.

The mixed quartette returned from Pacific Junction, Ia., where they rendered two musical numbers on the commencement day exercises, "Come Where My Love Lies Dreaming" and "Goodnight." The first number was encored so heartily that they sang all the songs they knew. Having been organized but a short time they had not practiced together and had only a few songs which they had sung together before.

They report they were royally entertained. Those present from here were the club, R. W. White, Mrs. Gamble, Miss Estelle Baird and B. A. McElwain. There were eight graduates, Misses Louisa A. Martin, Esther W. Rose, Emma L. Daugherty, Messrs. Nels Arthur Oleson, Glen G. Hoskins, Ray B. Nemmo, Oscar V. E. Register and John I. Martin. The diplomas were presented by Dr. Bacon.

Misses Nannie Frank and Ina A. Swanson rendered some musical numbers, as did also Mrs. E. M. Coppage of Red Oak.

### A. C. Clark Dies in San Francisco.

J. H. Hall, financier of A. O. U. W. No. 8, received a message last night from Mrs. A. C. Clark of San Francisco, announcing the death of her husband who was a member of this lodge. A rumor gained currency from this report that our former townsman Asher Clark, as the one who had died, but such was not the case. We mention this that his friends may no longer labor under this impression. Asher Clark is reported a few days ago as enjoying good health at his home near Los Angeles. A. C. Clark, the man who died, was once a resident of this place. While here he worked in the Burlington paint shops and was leader of the B. & M. band.

### Very Seriously Sick.

### Commencement at Greenwood.

Prof. A. H. Farhart graduated the following class from the Greenwood school Thursday evening, Vivian Cline, Lillian Stradley, Evan Armstrong, Alta Bell, Clinton Maston, Vern Dewey, Arlie Dewey, Susie Mathis, Ralph Armstrong and Avis Carns. All acquitted themselves with credit which was a compliment to their teacher, Mr. Farhart. Notwithstanding the heavy rain the crowd was too large for the church. Supt. Gamble gave the class address which was full of good points and enjoyed by class and audience alike. Greenwood will have her new ten thousand dollar building ready for the fall term of school.

### New School Law.

The new free High school law passed by the recent legislature, left the matter of determining what schools should be classed as High schools with the state department. This department has recently ruled that no school shall be admitted which will not have its course conform to the work as outlined in High School Mutual. A school carrying ten grades must have at least four teachers; one carrying eleven must have at least two teacher in the High school. To carry the ninth grade the school must employ three teachers. Greenwood, Eagle, Alvo, Avoca, Nehawka and Union are affected. Supt. Gamble has conferred with the boards of all the places this week with the exception of Nehawka, and all of these have arranged to meet the requirements, some by employing another teacher and others by cutting one grade from the course. Nehawka, Mr. Gamble says, will in all probability meet the requirements, also that students may also attend there under the free tuition law. Murray, Manley, South Bend and Cedar Creek will be unable to meet the requirement, the schools being too small to employ the additional teachers required.
