THE MASONIC HOME ANNEX

Another Addition to This Prosperous Institution Will Be Constructed.

\$20,000 APPROPRIATED FOR PURPOSE

Rapidly Increasing Inmates Make the Construction of Another Annex a Real Necessity.

It has been but a short period since an addition to the Masonic Home in this city was completed. At that time it was thought the new annex would answer the demands for some time hence, but the rapidly increasing applicants for admission to the Home has been the cause of an appropriation from the Grand Lodge to build additional room. One of the most important matters considered and acted upon during the session of the Grand Lodge in Omaha this week, was the recommendation for an appropriation of \$20,000 for the erection of an addition to accommodate the demands.

At yesterday morning's session of the Grand Lodge the report of the committee on the Masonic Home, showed the home and orphanage in a prosperous state. Thirty-six orphans are now being cared for at the home, and eighteen widows of Masons, aside from a number of enfeebled and aged members of the order.

Those who are near to the managers of the home claim that work will be commenced on the proposed annex very soon and will be completed before cold weather.

Wedding at Manley.

Last Wednesday, at the Manley Catholic church at 9 o'clock a. m. Rev. J. F. Hennessy united in marriage, Mr. John Carper and Miss Helena Hillman.

Only relatives of the bride and groom witnessed the tying of the nuptial knot. After the ceremony they all were guests at the home of Mr. and Mrs. Oliver Chandler for the wedding dinner.

The happy couple will reside on the Carper home farm, where they will be at home to their many friends.—Weeping Water Herald.

Married in Council Bluffs.

A special from Council Bluffs, Iowa, under date of yesterday, gives the following in reference to the marriage of a Cass county citizen. "Daniel J. Stirtz, a hardware merchant of Elmwood, Neb., and Miss Delia M. Bartels of this city were married this evening at the home of the bride's parents."

Have Secured Goss.

Chief Wescott, president of the Cass County Sunday School association went to Omaha yesterday and succeeded in securing Judge C. A. Goss for an address to be given on the 13th of this month, which is in the place of Gov. Sheldon's address. The governor who was to address the convention at this time, is away in the northwest with the Omaha commercial club on their advertising trip.

Judge Goss is district attorney of the United States court, at Omaha, and is a man well qualified to fulfill the expectations of those who look for a good address.

Had a Happy Time.

Little Elizabeth Beeson and Francis Root, the former being four years old yesterday and the latter four today, pooled interests and had a birthday party yesterday at the home of Mr. and Mrs. A. J. Beeson. A house full of happy little children had a good time all afternoon. They enjoyed games, recitations, sang songs and had a general good time. There was served light refreshments and all went away glad they had come. Among those that were there were Elizabeth Beeson, Francis Root, Carl Schneider, Virginia Beeson, Richard Elster, Grace Beeson, Dean Douglas, Clara Mae Morgan, Margaret McBride, Robert Theodocia, Joseph Ord, Paul Salsbury, Olive Pollock and Porter and Edith Brown. They all gave recitations and songs, which was a great source of merriment.

The Magic No. 3.

Number three is a wonderful mascot for Geo. P. Parris, of Cedar Grove, Me., according to a letter which reads: "After suffering much with liver and kidney trouble, and becoming greatly discouraged by the failure to find relief, I tried Electric Bitters, and as a result I am a well man to-day. The first bottle relieved and three bottles completed the cure." Guaranteed best on earth for stomach, liver and kidney troubles, by F. G. Fricke druggist. 50c.

Will Operate on Eye.

Lester, the little son of Mr. and Mrs. Silas Breckenridge, who some two months since fell and ran a nail into his eye, the sight of which was thought to be entirely destroyed, is so far recovered as to be able to be taken to Omaha this morning, where he will have his eye examined by Dr. Gifford, who will make a thorough examination of the injured eye, and if there is any possibility, will try and remove the cataract growth and restore the sight.

Catch a Pelican.

The Missouri Pacific pile driver gang, who have been working out of here for some days past driving piles for the repair of the Platte river bridge, have been seeing a large pelican lighting on the sand bar, and when anyone would go near, the bird would fly away. Yesterday when it lit the men of the gang surrounded it, and each attracting the attention of the bird at the same time in such a way that they slipped up on it and caught Mr. Pelican. They now have him in their car. The bird is perfectly white and measures nine feet from tip to tip.

Remembers the High School.

The girls basket ball team of 1906 worked a delightful surprise upon the high school this morning by presenting three beautiful chairs for the library corner and a revolving desk chair for the teacher's desk in the assembly room. Each chair bears a silver plate inscribed "Girls' Basket Ball Team '06." This was certainly a very appropriate way to spend the surplus from their season of basket ball. Certainly patrons need not hesitate to patronize High school athletics when any surplus is used to permanently equip the High school. The High school faculty and students gave the girls a vote of thanks.

The Old Man Passes Away.

Abe Culbertson, of whom mention was made in these columns yesterday, passed away last night at the home of Robert Johnson at about 9 o'clock, as a result of a stroke of paralysis which he sustained on May 25th. Having lived here for a long time and been fairly well acquainted with many of our citizens, his former life is much shrouded in mystery. He lived for a number of years near Des Moines, Ia., and in Western Kansas. During his stay here he has been a hard working man, following the occupation of a chopper a good deal of the time. He worked for J. V. Egenberger chopping in the timber and in the wood yards as well, and also considerable north of town in what is known as Livingston Heights. Since he has suffered the stroke causing his last sickness, he has been at the home of Robert Johnson, where he has laid in a semi-conscious condition until his death.

The county commissioners had taken charge of his case and had made provision for his care some time ago. Streight & Streight had charge of the funeral and buried Mr. Culbertson at 2 o'clock this afternoon at Oak Hill.

Ladies' Auxiliary.

The Ladies' Auxiliary of the Presbyterian church met yesterday afternoon with Mrs. J. E. Douglass, and after the regular business of the session had been transacted, they proceeded to have a good time.

Lunch was served, Mrs. C. A. Rawles assisting Mrs. Douglass which included ice cream and cake.

Miss Helen Clark gave a reading, "A Very Young Person" which was greatly enjoyed and was well rendered. Miss Vesta Douglass, also gave a reading the title being, "First call of the butcher" being that of the bride of a short time making her first order for meat, and very funny, causing much merriment for those present, and was well rendered.

Those present were Rev. had Mrs. Salsbury, Mrs. Wm. McCauley, Miss Elizabeth Bates, of Weeping Water, Mrs. H. A. Schneider, Mrs. Z. Brown, Mrs. Wm. Wraga, Mrs. Hanks, Mrs. G. L. Farley, Mrs. Dr. Elster, Mrs. Dr. Cummins, Mrs. C. A. Rawles, Misses Helen Clark, Ethel Dean, Mrs. Douglas and daughters, Vesta and Marie.

Get Out of the Way.

One of our exchanges says that the postmaster general has issued an order of notice that all rural mail carriers have the right of way on all country roads and that all other carriages or conveyances must surrender that right of way to the rural carriers. That was the rule when the mails were carried in four horse stage coaches, and every one had to get out of the way when the mail coach came along. It is a very serious matter for any one to obstruct the rapid transportation of the mails.

Bert Barber, of Elton, Wis., say "I have only taken four doses of your Kidney and Bladder Pills and they have done for me more than any other medicine has done. I am still taking the pills as I want a perfect cure." Mr. Barber refers to DeWitt's kidney and bladder pills, which are unequalled for backache, weak kidneys, inflammation of the bladder and all urinary troubles. A weeks treatment for 25c. Sold by F. G. Fricke & Co.

HOLYOKE-HOLD-REGE WEDDING

At the Home of the Bride's Parents, Mr. and Mrs. Geo. W. Holdrege in Omaha.

DAUGHTER OF GENERAL MANAGER B. & M.

Attended by Only Relatives and Near Friends of the Bride and Groom.

The following account of the marriage of Miss Mary Holdrege and Mr. Edward Holyoke, which occurred at the home of the bride's parents in Omaha, Tuesday evening, June 4, 1907, is taken from the Bee:

The spacious home of Mr. and Mrs. George W. Holdrege on South Thirty-second avenue was the scene of a beautiful home wedding Tuesday evening when their daughter, Miss Mary Holdrege, became the wife of Mr. Edward A. Holyoke of Madrid, Neb. The house throughout was decked with a profusion of garden flowers, but the company gathered for the wedding was not large, being limited to the relatives and the nearer friends. The marriage was solemnized in the drawing room by Rev. Newton Mann of the Unity church. The bride was gowned in soft messaline silk and carried a shower of lilies of the valley. She was attended by her sister, Miss Susan Holdrege, as maid of honor, wearing a gown of green silk carrying a loose bunch of white blossoms and greens. Miss Leeta Holdrege and Miss Marjory Montmorency served as bridesmaids and were gowned alike in sheer white frocks and carried showers of pink and white sweet peas. Mr. Royal Comstock served as groomsmen and Mr. Russell Bontecue of Kansas City and Mr. Conrad Young acted as ushers. An informal reception followed the ceremony from 8:30 to 11 o'clock. After a two week's bridal trip through the west Mr. and Mrs. Holyoke will make their home on the H. O. L. ranch of which Mr. Holyoke is foreman.

The bride made her debut five years ago. She completed her education in Mrs. Reynolds school in New York City.

Meet Mr. Smith.

At the hospitable home of R. B. Windham last evening were gathered a number of the members of the Knights and Ladies of Security, to meet J. H. Smith, the district deputy of that order, who is working in this part of the state at present. The subject of conversation was the good of the order and what could be done to promote the best workings thereof. Mr. Smith dropped into the city more to meet the working members and become acquainted than anything else. Among those present were Judge J. E. Douglass and wife, Col. J. H. Thrasher and wife, A. L. Tidd and wife, Mrs. G. F. S. Burton, Mrs. T. L. Murphy, Miss Mae Murphy, Mrs. Meyers, Mr. Windham and family, and a number of others.

Burlington Crop Report.

The weekly report of crop conditions issued by the Burlington railroad shows rain well distributed over the Nebraska district. Further the report affirms the estimate recently made that crops suffered damage from 10 to 25 per cent because of thirty days' of unfavorable weather in April and May. Present conditions, the report says, are good with small grain crops growing and corn nearly all planted.

Don't let the baby suffer from eczema sores or any itching of the skin. Doan's Ointment gives instant relief, cures quickly. Perfectly safe for children. All druggists sell it.

Approaching Nuptials.

Invitations are out announcing the marriage of Miss Mary Elizabeth Janda to Mr. John Woster, which will occur at the home of the bride's parents, Mr. and Mrs. John Janda, in this city, June 17. Miss Janda is one of Plattsmouth's highly accomplished young ladies, and is the daughter of Street Commissioner Janda.

The Journal was in error yesterday in stating that license to the young couple had been issued, when it should have read as above.

Change of Trains.

The new time card which goes into effect on the Burlington next Sunday, will result in a change to about the following: No. 7, the fast mail, will arrive about 1 p. m.; No. 4, will not run on Sunday; No. 6, the early morning Chicago through train, will leave at 7:30 a. m.; No. 13 will not run. No. 1, will leave at 11:15 p. m. This train has not stopped here before. No. 2 will leave 5 p. m. No. 14 will leave Omaha at 8:10 p. m. and arrive at Plattsmouth at about 8:50 p. m. No. 19, going west, at 7 a. m. No. 14 will lay over night here.

The Insurance Question.

(Communicated.)

Mr. Editor:—I noticed in your paper of about a week since an article, signed "A Reader" in which he springs on the long suffering and over-indulgent public a new "insurance proposition."

Now, I know something about insurance myself, and I would like to ask some questions about how this insurance proposition which "A Reader" is offering to us. Suppose, when a man had carried a policy in this local company that he proposes to form, and after a few years he shall have to from the shifting conditions of fortune leave this place, does he lose the money he has paid into the company? I understand it is only a local affair and if it was the case, then the money which has been paid in would be lost to the one who has to move away; and another thing would, assessments have to accumulate until there was in the hands of the treasurer \$1000,000 before the company could do business? for such is the state law. Now if this is so, what kind of bonds would be required in order to make funds safe hands of the one who hold them? Now insurance business is business just the same as any other business and has to be done on business principles, and in order to know just what "A Reader" proposes I have asked these questions, and when these are answered satisfactorily I will have some more to ask. ONE INTERESTED.

Social Workers Concert.

The Social Workers, at their concert at the Coates hall last evening, had indeed a very social time. Together with their refreshments, they had a program which was very interesting, and displayed considerable merit. Marion Dodd, from Kansas City, made a hit, dressed in his uniform and singing "The Flag we Love so Well," and was encored to the echo. Miss Graves gave a recitation which elicited a great deal of applause. Miss Story, of Red Cloud, presided at the piano and furnished some very fine music, while Miss Zelma Tuedy did the singing. Miss Mildred Cummins gave two Negro dialect recitations and little Elizabeth Beeson a song, both of which were well received. Everybody was well pleased with the entertainment and went away with the idea that the Social Workers were very sociable people.

Farewell Party.

If someone thought Miss Louise Jung had no friends, he should have been present at the home of Mr. John Rohrdanz Sunday evening, June 2nd. Miss Louise is going to Texas with her parents, where her father has accepted a position as minister.

In the afternoon the family held a reunion at Mrs. Rohrdanz's home, when towards evening lines of teams drove into the yard and took Miss Louise completely by surprise, stating that they wished to spend one last evening with her, and that she should accept the best wishes of all for future good luck in her new home, and they felt sure she would again gather a circle of friends about her in her new community to make up somewhat for the ones she must leave. The evening was happily spent with games of all kinds, and after partaking of refreshments, the young people had provided for, all departed for home, happy over the success of the event, but sorry to leave their friend. Those present were: Fred, Philip, Adam, Louis and Henry Heil of Cedar Creek, Herman and Walter Stohlmann, John and Herman Gakemeier, Fred Shellhorn, Fred Broncho, Henry, Fred and Louis Gaebel, Louis Sabs, —Schliert, Louis Krecklow, Chas. Lau, Geo. Kraft, Ed Wegener, Hugo Heim, Wm. Rohedanz, Louise, Adelle and Dora Stohlmann, Minnie, Adelia, Louis, Katie and Annie Heil, Augusta Lene, and Mary Lau, Hattie Brunkow, Eva Shellhorn, Etta Gaebel, Mary and Rosa Wagner, Pearl Moore, Martha Sabs, Ida Heil, Ed and Mrs. Heil.

Those that could not come on account of an accident, but who sent best wishes and regards were: Amelia Stohlmann, Geo. and Olga Vogler, Eddie, Fred, Anna and Minnie Jochim.

Broke His Leg.

William Mordock, while in Plattsmouth Sunday evening had the misfortune to step into a hole in the paving and injured his left leg. He came home and was in bed all day yesterday and found the small bone of the leg broken. The injured member was set and the patient made as comfortable as possible. Mr. Mordock's friends will regret to learn of his accident and trust that he be able to be out shortly, but it is more than likely he will enjoy a vacation of not less than thirty days.—Nebraska City News.

Threw the Switch.

Some miscreant at Huron, Kansas, threw a switch on the Missouri Pacific railway and ran the passenger train, No. 103 onto the siding, and derailed the engine and tore up and obstructed the track yesterday morning, so that transportation was delayed five hours. The evening train, which is due here at 4:42 did not arrive until nearly 10 o'clock. It is time that irresponsible persons should be taught a lesson that will be a warning for others to leave switches and all railroad appliances strictly alone.
