Every Man His Own Doctor.

The average man cannot afford to employ a physician for every slight ailment or injury that may occur in his family, nor can he afford to neglect them, as so slight an injury as the scratch of a pin has been known to cause the loss of a limb. Hence every man must from necessity be his own doctor for this class of ailments. Success often depends upon prompt treatment, which can only be had when suitable medicines are kept at hand. Chamberlain's remedies have been in the market for many years and enjoy a good reputation.

Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints.

Chamberlain's Cough Remedy for coughs, colds, croup and whooping cough.

Chamberlain's Pain Balm (an antiseptic liniment) for cuts, bruises, burns, sprains, swellings, lame back and rheumatic pains.

STRAIN TOO GREAT

Hundreds of Plattsmouth Readers Find Daily Toil a Burden.

The hustle and worry of business men, the hard work and stooping of workmen, the woman's household cares, are too great a strain on the kidneys. Backache, headache, sideache, kidney troubles, urinary trouble follow. A Plattsmouth citizen tells you how to cure them all.

P. M. Lindsay, living on Marble street, between 6th and 7th streets, Plattsmouth, says: Off and on for about two years I have had pain in my back and at times was much annoyed on account of it. While at work being on my feet most of the time, it was then that the dull persistent aching distressed me. I had reason to believe that the trouble was owing to a disturbed condition of the kidneys and though I tried several kidney remedies, I derived no benefit until I was told of Doan's Kidney Pills and got a box at Gering & Co.'s drug store. The results obtained from its use proved to me that it was just the remedy and I got a second box. Improvement followed its use and to that extent that I can unhesitatingly and with pleasure endorse the claims made for Doan's Kidney Pills."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

New Primary Law

Under the new primary election law passed by the late legislature no county convention for nomination of candidates for county, state or district officers will be held as has been the custom in years past. In place of these county conventions a primary election will be held the first Tuesday in September. This primary election will be similar to a general county election, the same kind of ballots being used. The polls will be open from noon until 9 p. m.

Up to the present time but few candidates have come from under cover. The democrats will have no trouble in selecting candidates. It is only a question as to who will consent to run. The republicans are just the opposite. The fight for nominations is being quite interesting with them on some of the offices. Evidently some of the candidates believe in the "early bird and worm story."

All candidates must announce themselves through a newspaper and dig up a five dollar bill to the county clerk so his name can appear upon the ballot. If you are seeking a nomination you had better get your name before the people.

The medicine that sets the whole world thinking. The remedy on which all doctors agree. The prescription all your friends are taking is Hollister's Rocky Mountain Tea. Gering & Co.
