Clyde Lynde suffered severe injuries last Friday by being thrown from his buggy while driving southwest of town. When he reached town his face was a mass of cuts and bruises, and when Dr. Walker finished fixing him up he looked like a cotton plantation. His nose was broken and there were several painful wounds that will keep his face in a sling for some time.

Misses Elizabeth and Louise Spangler of Plattsmouth were here yesterday to investigate the opening of a first class millinery store. The ladies expressed themselves as being quite favorably impressed with our town, and decided to put in a large stock of millinery about August 15, and have secured the Pitman building on the north side of Main street near Will Frans' store.

Remarkable Rescue.

That truth is stranger than fiction, has once more been demonstrated in the little town of Fedora, Tenn., the residence of C. V. Pepper. He writes: "I was in bed, entirely disabled with hemorrhages of the lungs and throat. Doctors failed to help me, and all hope had fled when I began taking Dr. King's New Discovery. Then instant relief came. The coughing soon ceased; the bleeding diminished rapidly, and in three weeks I was able to go to work." Guaranteed cure for coughs and colds. 50c. and \$1.00, at F. C. Fricke & Co.'s drug store. Trial bottle free.

Every Man His Own Doctor.

The average man cannot afford to employ a physician for every slight ailment or injury that may occur in his family, nor can he afford to neglect them, as so slight an injury as the scratch of a pin has been known to cause the loss of a limb. Hence every man must from necessity be his own doctor for this class of ailments. Success often depends upon prompt treatment, which can only be had when suitable medicines are kept at hand. Chamberlain's remedies have been in the market for many years and enjoy a good reputation.

Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints.

Chamberlain's Cough Remedy for coughs, colds, croup and whooping cough.

Chamberlain's Pain Balm (an antiseptic liniment) for cuts, bruises, burns, sprains, swellings, lame back and rheumatic pains.

Chamberlain's Stomach and Liver Tablets for constipation, biliousness and stomach troubles.

Chamberlain's Salve for diseases of the skin.

One bottle of each of these five preparations costs but \$1.25. For sale by F. C. Fricke & Co. and A. T. Fricke.

WOMEN'S WOES

Plattsmouth Women Are Finding Relief at Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people you know.

Mrs. Joseph H. Smith, living at corner of Second and Diamond streets, Wintersteen hill, Plattsmouth, says: "Owing to a derangement of the kidney, I have suffered a great deal for years from pain in the small of my back. I was troubled the most when on my feet or from any overexertion. Difficulty with the secretions annoyed me and especially at night when my rest would be disturbed. My husband had his attention called to Doan's Kidney Pills and he brought home a box for me from Gering & Co.'s drug store. I used them according to directions and the treatment did me an infinite amount of good. The pain was relieved and there was much improvement generally. I pronounce Doan's Kidney Pills a most excellent kidney remedy."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
