left in this immense line of Dry Goods, Notions and Furnishings. Mr. Wurl's stock was one of the best in the city, and every article is being placed on sale, and at prices that would not pay the first cost of the raw material.

This is certainly the greatest bargain offering in the history of Plattsmouth. Some articles are not damaged a particle but the price is cut as was never done before. In fact we are almost giving you something for nothing.

Remember that this stock cannot last long, and the early buyer will secure the choicest bargains.

#### H. M. Soennichsen Returns

H. M. Soennichsen who has been out at Hugo Colorado, in company with Wm. Walforth, where they both had lands returned home last evening. Melchior reports the country in fine condition with crops in abundance wherever any is tried to be raised. They brought back some samples of the grain raised there and we examined the wheat, oats, rye and barley, as they are in the sheaf and they present a fine appearance. The samples was brought from the field adjoining where the land owned by Melchior is, and his land should produce the same. Land is selling from eight to thirty dollars per acre, the raw lands going from eight to sixteen, while any kind of improved lands are worth twenty-five to thirty dollars.

#### They Expect It

The periodical Missouri Pacific wreck occurred at this place last Wednesday evening. An engine and a string of cars were coming down from the upper yards and an engine and caboose were backing up on the same track, and they collided on the trestle just east of the coal chutes. The caboose and a box car were badly demolished, and the tender of one of the engines was damaged to some extent.—Weeping Water Herald.

#### Britt-Nelson Fight.

Auditorium Rink, San Francisco, Cal., July 31—Jimmy Britt was given the decision tonight over Battling Nelson, after twenty rounds of the most furious fighting seen on the coast for a long time, and before one of the largest crowds. Britt outpointed the Battler from the first and several times had him nearly gone. Only the gong saved the Dane in the last round from being knocked out.

Nelson was the favorite in the betting ring, the odds placed on him being 10 to 6. FOR SALE—160 acres of good farm land in Dundy county, Neb.; or I will trade this for city property in Plattsmouth. Address Box 474, Plattsmouth, Neb.

#### Candidate for Commissioner

Charles R. Jordan, of Alvo, files his intention of becoming a candidate for county commissioner for the Third district, subject to the ratification of the democratic party at the primary to be held on September 3rd. Mr. Jordan is an exceptionally strong man for the position, having property interests of his own which guarantees the best thought and action in the looking after the funds and business of the county. Mr. Jordan has been a resident of the county for a number of years and well knows the needs of the people. The interest that he would have in the welfare would be more than local, it would be county wide, and the interests of every taxpayer would be as keenly looked after as though each one was doing it for himself.

#### For Clerk of District Court

Metzger this morning filed his intention of becoming a candidate for the position of clerk of the district court, subject to the ratification of the democratic party at the primary to be held September 3. #### Much Ice Remains

Last Sunday there was a delightful gathering of friends, neighbors and relatives at the home of Mr. and Mrs. R. L. Haynie south of Glenwood in Lyons township, consisting of Al Haynie and family, Mr. and Mrs. Frank Buckingham, James Sergeant and family, Mrs. Homery and family, Zack Buckingham, Misses Josie and Emma Johnson and Nellie Shannon. There were 23 in all, and they were all served ice cream frozen with some of the hail that fell just three weeks before. Al Haynie furnished music for the entertainment on the graphophone. Everybody seemed to have a good time.

The above coming from the Mills County Tribune is a recitation of what has been proven a positive fact. Al Haynie referred to is a brother of Mrs. Bennet Christweiser, and was a visitor at the Christweiser home Wednesday.

#### Will Watch the Game

Chief of Police Joseph Fitzgerald departed this afternoon for Ulysses where he will be present at the game of ball to be played between Ulysses and Beaver Crossing tomorrow, in which Willie Fitzgerald, his son, will catch and Carl Graves will pitch. Liverpool opened 1/2 lower on wheat and closed unchanged. Corn 1/2 higher.

Chicago, cars wheat 145, corn 168, oats 58. No rain reported over corn belt forecast fair and warmer. Wheat opened 1/2 to 3/4 higher and had a further advance of 1/2 but was unable to hold it and gradually sagged off to 1/2 lower than yesterday, but rallied near the close and showed a gain of 1/4 for the day.

Wheat is a scalping affair and can be sold on advances and bought on fair declines with profitable results.

Corn opened strong, December and May ranging 1/2 to 3/4 cents higher and advanced 1/2 cent over yesterday's, close the last sales being at the top prices for the day. The growing crop is in excellent condition and promises to be at least an average one. There is a fair cash demand and elevators are holding back for higher prices, but when they try to market their corn, it will surely cause a sharp decline. Sell corn on the bulges.

Oats are still the leading attraction and recorded another advance of nearly a cent. There is no telling how high these oats may go before the big holders begin to let go. They are a dangerous proposition and should be labeled "handle with care."

#### Nominee for Assessor

H. M. Soennichsen filed papers with the county clerk this morning which announced his intention of becoming a candidate for nomination for the position of county assessor, subject to the ratification of the democratic party at the primary to be held September 3d. He is in every way fitted for the position which he aspires to fill. He is a first-class accountant, a good judge of values, is absolutely honest, would under all circumstances be impartial as between parties or portions of the county. He has made for himself a competency in his business by being indiscriminately honest in all his transactions.

M. Archer departed for Omaha this morning where he will attend the funeral of a little great grand child, the son of Mrs. Grace Brown, which passed away Tuesday of cholera infantum.

#### Silver City Young Lady Dies Suddenly.

Miss Maud Moore, aged 18 years, died very unexpectedly last Thursday afternoon at her home in Silver City of peritonitis. She was first taken sick on Tuesday morning with severe bowel and stomach trouble. She received relief and for a time her recovery looked favorable.

But it appeared that the shock was too much for her system and she rapidly grew worse. But few had heard of her illness and the news of her death was a shock to the entire community.

She was the youngest child of Mr. and Mrs. W. G. Moore and was a very sweet and lovable young woman. Her sudden and untimely death is very sad.

The funeral was held on Saturday afternoon at the Methodist church of which she was a member. In the absence of the pastor Rev. Moser the services were conducted by Rev. Bollinger of Malvern. There was a large attendance at the funeral, particularly of the young people with whom she was very popular.—Glenwood Tribune.

York, and four sons Russel, Don, Hank and Jesse, and daughters, Misses Kate and Ferris York, and Mrs. John Brady, and sons, Jesse Brady Eugene Brady, and daughter, Ona Brady formed the crowd which will do their best to make the reunion a grand success.

#### From Republican Source

The only democrat represented in our column of announcements is W. E. Rosencrans, who asks for your support for re-election to the office of county clerk. He has filled the office very acceptably, and has not lost any of his popularity.—Weeping Water Herald.

Something we never had a more obliging and competent clerk and deputy than those who now have charge of affairs at the county clerk's office.

#### Western League Games

At Omaha yesterday was played one of the finest games of ball which has happened for many a moon, between Omaha and Des Moines, it taking the tenth inning to arrive at a decision. During the first nine innings neither were able to see the home plate, and in the tenth the prohibitionists got one momentary glance at it; while Omaha have no idea what it looks like. The batteries were, Omaha, Regan and Goding, Des Moines, Miller, Edminson and Yeager. Runs, Omaha 0 Des Moines 1.

#### At Pueblo.

The game between Pueblo and Souix City, was a puzzle as to what was to be the outcome, and was a matter of experiment as to what to do during most of the game, with Souix City two runs ahead at the end of the sixth inning, she had to smile a little but she got her smile in too soon, for at the end. Pueblo had a run to her credit over the Iowa people, and was the winners. Batteries, Pueblo, Jackson, Smith and Drill. Souix City, Bressler and J. Sheehan.

#### At Denver.

With the Lincoln team, the Denvers had to divide honors yesterday, two games were played in the first, Lincoln got in her work in the early part of the game and thus held the lead until the end of the game, and evening up for the way they treated the day before. Batteries, Denver, R. Adrms, Doll and Zalusky, Lincoln, Sullivan and McKay. Runs, Lincoln 10 Denver 3. The second game Denver turned the tables on the Nebraskans and beat them 6 to 4.

Batteries second game, Denver, C. Adams and McDonnough, Lincoln Zackhart, Jones and Zinran.

#### Are Mixing Medicine Today

Four republican candidates for office, or rather for nomination, made a trip to Weeping Water this morning, where they will mix some medicine for the sick of the republican party. That it is done at Weeping Water may be a very good thing, for there is liable to be cause for some one weeping when he has put up his good money to get his name on the ticket and then finds there is not enough places to go around. The republican central committee of the county has an official sitting at Weeping Water today and there are in attendance from here George L. Farley, A. J. Beeson, A. L. Tidd and J. M. Robertson.

#### Had a Narrow Escape.

Reading of the sad death which befell Mrs. Louisa G. Nake and daughter, Nellie, formerly living in Plattsmouth reminds me of an incident I experienced on the Atlantic ocean in the spring of 1849, while coming to America from Germany. Late one dark night, while on the upper deck looking at the ocean I heard a loud noise and all at once saw a large ship with all sails set passing close by our vessel. Had she struck us over 350 human beings would have been sent to the bottom of the ocean, the writer of this being one of them. We had a narrow escape.

CONRAD SCHLATER.

#### Shot Two Policemen

Chief of Police Joseph Fitzgerald received a telephone message from Council Bluffs this afternoon to be on the lookout for a desperado, who was described as a man of medium build, wearing a dark mustache, has dark complexion, had a dark suit of cloths black derby hat, clothes probably had been torn from crawling through barb wire fences, and the police think him wounded.

The police of Council Bluffs were notified that a suspicious character was in the neighborhood of the bridge on First street, where officer Richardson found him and called on him to surrender but instead he opened fire and shot the policeman down; then he ran north where Geo. Wilson attempted to intercept him, and when he called upon him to stop, another duel between these two wherein officer Wilson was also shot very badly and he thinks the desperado was also shot but he got away.
