Uncle Nicholas Holmes has been visiting in the northwest for the past week and returned home Monday. He was at Chamberlain, South Dakota, and other points in that state, and says the crops are in fine condition, but more rain would be beneficial. On his return he visited in Knox and Pierce counties, this state. He stopped at Plainview, and was the guest of Fred Ebenger, who he says is nicely located and doing a good business.

Wm. Schwab from Kenosha had business in the city today.

Had Tetter for Thirty Years.

I have had tetter for thirty years and have tried almost countless remedies with little, if any, relief. Three boxes of Chamberlain's Salve cured me. It was a torture. It breaks out a little at times, but nothing to what it used to do.—D. H. BEACH, Midland City, Ala. Chamberlain's salve is for sale by F. G. Fricke and A. T. Huld.

How to Avoid Appendicitis.

Most victims of appendicitis are those who are habitually constipated. Orino Laxative Fruit Syrup cures chronic constipation by stimulating the liver and bowels, and restores the natural action of the bowels. Orino Laxative Fruit Syrup does not nauseate or gripe and is mild and pleasant to take. Refuse substitutes. F. G. Fricke & Co.
