MALLEABLE

The "Stay Satisfactory" Range

FOR SALE BY PITMAN & DAVIS,

Murray, Nebraska.

### AN APOLOGY

Owing to an extraordinary rush of work and a number of composers on the Journal force attending the Ak-sa-ben parade at Omaha we were compelled to give up our usual trip to Murray on Wednesday. We trust that our readers will see our present position and overlook our negligence in not having the usual amount of news from the flourishing little city. And will endeavor to prevent a recurrence in the future.

### Rev. Philip Surface Dead

The following is taken from Hillsdale correspondence to the Glenwood Tribune. The deceased was the father of Rev. Taylor Surface, who formerly preached for the congregation, south of this city. The deceased also preached and was well known in the south part of Cass county. "Rev. Philip Surface died at his home near Villisca, Sept. 23, 1907. He was for many years a minister in the United Brethren church and was at one time located at Hillsdale and had many friends and acquaintances here. At the time of his death he was a member of East Nebraska conference where he preached several years. He leaves a wife, two sons and three daughters, all grown and married, besides many other relatives."

### Burlington Passenger Earnings.

The report of the Burlington road shows that its receipts from passenger business with the state of Nebraska during July was \$202,860.72 and the receipts from interstate tickets \$127,353.06. The passenger revenue of the Burlington system for the year 1906, was \$19,971,000, including mail and express. It is estimated that the state traffic in Nebraska for July was one-sixth of the passenger business of the system. There is nothing in the report to prove the statement that the company is receiving less money than was received before the two-cent fare law went into effect.

The revenue from freight traffic on the Burlington in Nebraska during July was as follows:

On freight forwarded—State, \$308,385.50; interstate, \$513,135.39.

On freight received—State, \$271,331.54; interstate, \$631,465.84.

### Bids to be Received

Bids will be received by me up to and including October 7th, 1907, for the \$1800.00 bonds to be floated for the erection of the new school house in District No. 7. Said bonds must be sealed and will be opened on the above date and sold to highest bidder. Address all letters to the undersigned at Murray postoffice.

### Will Pay Respect to the Dead.

Uncle Henry Boeck has received from the St. Louis Single Tax League, an invitation to be present and attend a public Memorial Service to be held in St. Louis on the 18th of the present month, in memory of the lives of Mrs. Louise G. Nake and Miss Nellie Nake, the former a niece of Mr. Boeck, who were drowned at the time of the loss of the "Columbia". Uncle Henry thinks of going to the service. The following is the text of the invitation.

In Memoriam: Mrs. Louise G. Nake, Mrs. Nellie Nake. Mother and daughter, the latter a teacher at the Laclede school of this city were of those lost by the sinking of the steamer "Columbia" off the California Coast in July. Both were members of this Association, and as an evidence of our respect for them while living and of the regret we feel at losing them, we have called a public Memorial Service for Friday, Oct. 18, 1907, at 10 o'clock a. m. The Ashen-broedel Club had, 3535 Pine street, to which we request the attendance of yourself and friends. Rev. Herbert S. Biglow of the Vine street Congregational Church, Cincinnati, Ohio, and Dr. Wm. Preston Hill, of St. Louis, will deliver the principal addresses.

Note:—Ushers will be at the entrance to the place of meeting to direct those who attend. Cars pass on Grand Ave., a few doors west. St. Louis Single Tax Club.

### When Most Attractive

Annie Vio Gates, the talented associate editor of the Auburn Granger, has been awarded second prize for answering the question propounded by the St. Louis Post Dispatch. The question was: "When is a man most attractive?" The answer was: "A man is the most attractive to a woman when he has reached that stage which enables him to willingly cater to 'her' wishes exclusively; to be blind to her short comings and to think of her as the 'triple extract' of perfection, no matter whether his years be 18 or 81." There is a ray of hope even for "old folks" in this, and we have a very near and very dear friend who is rapidly approaching the age limit, and he should cut this out and paste it in his hat.

### Afflicted with Sore Eyes for 33 Years.

I have been afflicted with sore eyes for thirty-three years. Thirteen years ago I became totally blind and was blind for six years. My eyes were badly inflamed. One of my neighbors insisted upon my trying Chamberlain's Salve and gave me half a box of it. To my surprise it healed my eyes and my sight came back to me.—P. E. Earls, Cynthia, Ky. Chamberlain's Salve is for sale by F. G. Fricke & Co., and Plattsmouth Drug Co.

### He Found Out it Was Loaded

Arthur White a son of W. A. White, had the misfortune to have been presented with an air rifle, which became the interesting topic and object of all the boys around his neighborhood. The other afternoon a crowd of boys collected and were trying the gun which refused to operate. Little George Dovey son of Geo. E. Dovey, about seven years old, thought he could make it work and putting one finger over the muzzle of the gun and pulled the trigger, with the result that it went that time. There was a piercing scream and he ran to his mother. He said the gun hurt his finger, and upon examination it was found that the shot was imbedded in his finger, and the services of a physician had to be employed to get the shot out.

The finger will be sore for some time but, if it has caused him to fight shy of this kind of a paying he will not have suffered in vain. This shooting iron proposition for children to play with is a dangerous proposition both for the child and everything in the neighborhood.

### Had a Kitchen Shower.

Last evening at the pleasant home of Mr. and Mrs. C. L. Heger, given by the genial hostess, Mrs. Heger, was held a merry event, in honor of their friend, Miss Frances Swoboda, known as a kitchen shower. All brought an appropriate present—some article which would be useful in the kitchen, and what was the best they had a very merry time, as expressed by one who was there, saying that "it was the best time I ever had in my life." A bounteous supper was served, furnished by the hostess, and at a late hour they all departed, all glad they had been there. Those present were: The Heger family, the Misses Anna Jeroucek, Margaret Renne, Katie Shields, Anna, Mary and Tony Janda, Mary and Herman Nowatny, Anna and Alma Patecek, Barbara Ptak, Anna and Ida Egenberger, Mary Toman, Francis and Mary Swoboda, Tena Patecek, Anna and Henna Kanka and Laura Gilmore.

### Closing Out

I have decided to close out my entire line of day goods, boots and shoes and all furnishings just as soon as possible, and discontinue carrying these lines of goods, and place in a larger line of staple and fancy groceries. In order to do this I will make some of the lowest prices ever offered in Murray on this line of goods as long as the present stock lasts. Everything will be sold at or even below first cost. Call in and let us prove this to you.

W. H. McDANIEL.

The M. W. A. of this place will give an oyster supper in their hall on Saturday evening, October 12th.

Some excitement is looked for at the special school meeting to be held here Thursday evening.

John Ruge and bride pulled in Tuesday and now most of the boys are smoking good cigars at John's expense.

Chas. Campbell pulled in Tuesday after a couple of years stay in Oregon.

### The Murdock School Muddle

At Murdock a good deal of trouble is being experienced by the fact that the old school board, two members of whose term expired before the beginning of school for this year, attempting to make an appointment of a teacher for the coming year. They appointed Miss Olga Neitzel, this purported election being for the year which comes after a majority of the board's term of office had expired. When the new board came into office, they entirely ignored the action of the former board and elected another person for their teacher. Now there arises a controversy between the two factions. They have appealed the matter to the county superintendent—rendering a decision that a school board could not elect a teacher for a longer period than the time for which they have been elected themselves. Whether this will settle the matter or not, is not known as Miss Neitzel evinces a disposition to hold the school anyway, but later developments will determine.

### Brings Carpenter Home

George H. Griffin, the superintendent of the Masonic Home was a passenger to Omaha this morning where he goes to bring Mr. Geo. H. Carpenter home, who was injured on the 23rd of September by falling on the steps of the auditorium at the time of the fiftieth anniversary of the establishment of the Grand Lodge of Masons. Mr. Carpenter who is a man well advanced in years, was quite severely injured and it was feared he would not survive the accident but the rallying forces of his constitution came to his aid, and he is now able to return home. His many friends will be pleased to know of his convalescence.

## TEN THOUSAND MEN WANTED

### No Man Need to be Without Work at the Prices Paid Around Omaha.

No man need look for work long in Omaha or become a vagrant because of the lack of employment says the Omaha News.

Local contract labor agents complain that men, when offered work, refuse it. Five thousand men are sought today by local labor agencies. One agent scurried all around town this morning looking for 100 men on railroad construction work in Nebraska, Kansas and Iowa.

Free board and lodging, free transportation and from \$1.75 to \$2.25 a day are offered, but there are comparatively few takers.

Ten thousand men are wanted immediately by the Great Northern railroad in British Columbia, Canada. Free transportation. So far a few men have signed here.

Although contrary to law, labor agents and those connected with the labor departments of great railroads and steamship systems are scouring Europe for men, and shipping them to this country to work with construction gangs.

"The average American won't do the work of a common laborer," said an agent today. "He'd rather loaf."

## THE CHILD LABOR LAW

### Children Who Come Under This Law Being Lined up

The present compulsory attendance law and the child labor law printed in these columns a few weeks ago are being enforced in this city by Supt. Gamble and Truant Officer Fitzgerald. Yesterday afternoon and evening they visited a number of families who have been violating the compulsory attendance law and served notice that their children must enter school at once. In all cases the parents agreed to have them enter. Failure to comply with the requirements of this law subjects the offender to a fine of not less than \$5 nor more than \$25 for the first offense. According to the provisions of this law all children under sixteen must attend the entire time school is in session. The child labor leaves all persons liable to a fine who employ children under sixteen unless they hold a certificate from the city superintendent and teacher showing that they have completed the eighth grade. Children over fourteen holding these certificates may be employed.

These laws are being rigidly enforced all over the state at this time. Children are entitled to an education and should have it.

Officer Fitzgerald has been instructed to apprehend every child of school age found out of school during school hours. Parents will do well to assist the authorities by insisting upon regular attendance on the part of the children. The business men of the city are for the most part observing the child labor law.

### Making Good.

There is no way of making lasting friends like "Making Good" and Doctor Pierce's medicines well exemplify this, and their friends, after more than two decades of popularity, are numbered by the hundreds of thousands. They have "made good" and they have not made drunkards.

A good, honest, square-deal medicine of known composition is Dr. Pierce's Golden Medical Discovery. It still enjoys an immense sale, while most of the preparations that have come into prominence in the earlier periods of its popularity have "gone by the board" and are never more heard of. There must be some reason for this long-time popularity and that is to be found in its superior merits. When once given a fair trial for weak stomach, or for liver and blood affections, its superior curative qualities are soon manifest; hence it has survived and grown in popular favor, while scores of less meritorious articles have suddenly flashed into favor for a brief period and then been as soon forgotten.

For a torpid liver with its attendant indigestion, dyspepsia, headache, perhaps dizziness, foul breath, nasty coated tongue, with bitter taste, loss of appetite, with distress after eating, nervousness and debility, nothing is so good as Dr. Pierce's Golden Medical Discovery. It's an honest, square-deal medicine with all its ingredients printed on its wrapper—no secret, no hocus-pocus humbug, therefore don't accept a substitute that the dealer may possibly make a little bigger profit. Insist on your right to have what you call for.

Don't buy Dr. Pierce's Favorite Prescription expecting it to prove a "cure-all." It is only advised for woman's special ailments. It makes weak women strong and sick women well. Less advertised than some preparations sold for like purposes, its sterling curative virtues still maintain its position in the front ranks, where it stood over two decades ago. As an invigorating tonic and strengthening nerve-ine it is unequalled. It won't affect those who want "booze," for there is not a drop of alcohol in it.

Dr. Pierce's Pleasant Pellets, the celebrated Little Liver Pills, although the first pill of their kind in the market, still lead, and when once tried are ever afterwards in favor. Easy to take as candy—one to three a dose. Much imitated but never equaled.

### Will Unveil the Grassman Monument.

On next Sunday the Woodmen of the World will unveil the monument marking the last resting place of the mortal remains of Ed. Grassman. The local lodge at this place will have charge of the ceremonies, and will be assisted by lodges from the neighboring towns. A large crowd is expected to be in attendance, and there will be some of the head officers from Omaha here to assist in the ceremonies.

### Are Visiting in the City.

Mrs. Edward Stamm, of Havlock, accompanied by her daughter-in-law, Mrs. Geo. Stamm, of Moline, Ill., who has been visiting her at Havlock, came in this morning and will visit with Mrs. Stamm's mother, Mrs. August Rheinacke, for a few days. Mrs. Edward Stamm will return to her home at the end of the week, while Mrs. George Stamm will also depart for her home at Moline, Ill.

### Duty? Whose?

To bring a whole nation to, and to keep it on, the acme of physical strength is certainly a sacred duty. Whose? It is impossible to regulate by law or to enforce by punishment. Is it not the duty of every citizen, to try to keep himself and his family in full health and strength? Let all of us do so and it will not take long before our nation will be the strongest one in the world. It is only necessary to be moderate in everything and to pay close attention to the laws of nature. As soon as an indisposition is felt, Triner's American Elixir of Bitter Wine should be employed. It acts directly on the digestive system and speedily dispels all irregularities in its functions. It not only creates a healthy appetite but makes the organs strong enough to accept, digest and assimilate all food. It will renew all blood, will strengthen the nerves and will make the whole body powerful. Do not allow your digestion to weaken; use in all cases of weakness Triner's American Elixir of bitter Wine. At Drugstores, Jos. Triner, 799 S. Ashland Ave., Chicago, Ill.
