WHICH? BRYAN, ROOSEVELT OR TAFT?

One of these three gentlemen is sure to occupy the presidential chair next term. Oliver Dovey says Taft will be the man. The chances are he don't know anything about it, but the point is this, that if either of them should come into our store to make a purchase, they would pay the same price as anybody else. We do pride ourselves of the fact that we make no difference in people. One is treated with the same courtesy and pay the same price as another.

Would Make Four Counties.

County division is decidedly a live issue in Custer county, the Broken Bow newspapers have come out strongly against the plan. It is proposed to divide the big county into four new counties, to be called Noble, Higgins, Arbor and Custer. Advocates of division would have Merna the seat of Noble county, Sargent of Higgins county, Callaway of Arbor county. Broken Bow, the present seat of Custer county, would be in the extreme northwest corner of the new Custer and therefore Ansley would, under division, claim the seat of government. The fight is growing exceedingly hot and the test at the polls will draw out all the voters there are in the county.
