Energetic Young Man.

Leslie Gregory, residing with his father about six miles southwest of Murray is certainly a young man made of the right sort of material and deserving great credit for his hustling and ambitious spirit. For the past three years the young man has been employed with a corn shelling outfit, working in this section, saving all his earnings that it was possible so to do, and a few days ago he purchased for himself one of the best and latest improved corn shelling outfits on the market, an Ottawa, and is now prepared to do shelling for all parties desiring his services. Such young men are certainly deserving of a liberal patronage at the hands of the people, which he will no doubt receive. He fully guarantees all work.

A Significant Prayer.

"May the Lord help you make Bucklin's Arnica Salve known to all," writes J. G. Jenkins of Chapel Hill, N. C. It quickly took the pain out of a felon for me and cured it in a wonderfully short time." Best on earth for sores burns and wounds. 25c at F. C. Fricke & Co. drugstore.
