Perfect order was maintained and music furnished by the Steinhauer orchestra, of Omaha, was the very best. A most enjoyable time was had.

Here is an illustration of the panicky times as given by Mark Furlong of Rock Bluffs. In the fall he purchased a mow on six months time intending to fatten some pigs for the market. He penned up four nice thrifty pigs and began the fattening process. When the "time" struck us he saw that he would have to put in two more to have sufficient money to lift the debt. The price of hogs has since fallen and now he has eight instead of four penned up and fattening, consuming just twice as much corn. A double price for a piece of machinery. Who is to blame? Mark is industrious, has good crops and has had no cholera among his hogs. He has done his part and Providence her part well. "It makes one feel like cussing," he tersely remarks.

Goes With the Duff Company.

Geo. Berger, who has been associated with D. J. Amick in the stock business here for the past few months, has accepted a position with the Duff Grain Co., of Nebraska City, to look after their interests at the elevators in Plattsmouth, Oreapolis and Cullom, with headquarters in the county seat. This is the position made vacant by the sickness of Geo. Sayles. Mr. Berger will also continue to buy stock, and the former firm name of Amick & Berger will prevail in this department, with headquarters at both Plattsmouth and Murray. We believe that the Duff company have made a wise move in securing the services of Mr. Berger, as he is thoroughly competent to look after their interests, and will greatly increase the business at the points under his management.

Holmes & Smith, the hustling merchants at the big store on the corner, are making every arrangement for a big holiday trade, and the goods have been purchased accordingly and will be placed on display in a few days. They wish to impress upon the minds of the early purchaser that their holiday department this year will comprise many lines in everything that is new for every member of the family, and will be sold at right prices. It will be to your interest to see their line before making your purchases. Look for their big ad next week.
