Weeping Water

From The Republican.
Born—To Mr. and Mrs. Perry Colbert, Monday, a boy.

Mrs. J. A. Donelan went to Lincoln Friday, bidding goodbye to numerous friends who were at the depot. This winter the Donelan family will board and probably go to housekeeping in the spring. It is with regret that the friends and neighbors of this excellent family note their departure.

Scarcely a day passes that you cannot hear stories of some shrewd farmer who was holding his corn for 60c a bushel and now is only offered about 40c, or if the man who was looking for 7c a pound for his hogs and is now offered less than four. The farmer, like the Wall street broker, was speculating, and lost. He had the corn, the wheat, or hogs ready for sale, but was going to get the top price and missed it. His judgment was at fault. A money stringency always affects the markets and the volume of labor.

When to Go Home.

From the Bluffton, Ind., Banner: When tired out go home. When you want consolation, go home. When you want fun, go home. When you want to show others that you have reformed go home and let your family get acquainted with the fact. When you want to show yourself at your best go home and do the act there. When you feel like being extra liberal go home and practice on your wife and children first. When you want to shine with extra brilliancy go home and light up the whole household. To which would add when you have a bad cold go home and take Chamberlain's Cough Remedy and a quick cure is certain. For sale by F. G. Fricke & Co.

She was accompanied to Lincoln by her husband and Mrs. Claudius Everett.

How Diphtheria is Contracted.

One often hears the expression, "My child caught a severe cold which developed into diphtheria," when the truth was that the cold had simply left the little one particularly susceptible to the wandering diphtheria germ. When Chamberlain's Cough Remedy is given it quickly cures the cold and lessens the danger of diphtheria or any other germ disease being contracted. For sale by F. G. Fricke & Co.

Brother Graves of the Union Ledger has been having more than his share of "grief" in these past two weeks. Someone removed a small set screw from his press that put his print on the "bum" and no sooner had that been remedied, until he pried a whole form or one page of his paper. But he evidently has learned how to be happy even in adversity, at any rate he was having a good time receiving congratulations on his forty-fifth birthday last Saturday.

Y., had a very remarkable experience; he says: "Doctors got badly mixed up over me; one said heart disease; two called it kidney trouble; the fourth, blood poison, and the fifth stomach and liver trouble; but none of them helped me; so my wife advised trying Electric Bitters, which are restoring me to perfect health. ONE OF PLATTSMOUTH'S FAVORITES

Miss Ethel Dovey, of the "District Leader" Warmly Received at Columbia, Mo.

It seems that Miss Ethel Dovey, now of the "District Leader" company, in which she takes the leading part, is winning golden opinions wherever she goes. She is not only popular at home, but in all the towns and cities where she has appeared. The following is an excerpt from Miss Ethel's letter to her parents, and is only one instance as to the manner in which she is received everywhere. Her letter refers to her visit to Columbia, the University town of Missouri:

"When we played Columbia, Mo., Saturday, Nov. 23, we had a matinee. Mr. Garth, manager of the theatre, came to me with a request from 'The Tigers,' the Columbia foot-ball team, to make a speech to them that night, as they would occupy the three lower left hand boxes. I said I would, so I thought it all out when I was having my supper; said the speech over to Mr. Truesdell, so I would have it down 'pat.' After my 'Jersey' number they handed to me a great bunch of yellow chrysanthemums, tied with their colors—black and gold, over the foot-lights. They were very enthusiastic about me, and in the second act, when I ran on in my Buster Brown suit, wearing one of the big flowers and their colors, they gave me a yell. 'Flossie, Flossie, Rah! Rah! Rah!!!' Then the whole house gave the same yell and it was fully two minutes before I could sing my song.

"When the curtain went down on the second act, they called me and the curtain was rung up and I stepped out and made a speech to them, after which they cheered me again and again. It was certainly blood-tingling, but I enjoyed it, even though I was a bit nervous when I first stepped out to speak to them. I received a letter from the manager of athletics of Columbia which I enclose."

COLUMBIA, MO., Nov. 25, '07.
MISS ETHEL DOVEY,
"DISTRICT LEADER."

Dear Miss Dovey:—Please find enclosed card, upon which are the names of the foot-ball men that were in attendance at your performance. I was unable to secure it in time to put it on the flowers and all requested me to send it to you. On behalf of the boys as "members" of the "University of Missouri," I wish to thank you for the cheering remarks given. I assure all were more than pleased with the production last evening and would listen to it again tonight if they had the chance. Success to you and the company. I am, Friendly Yours,
DONALD C. McVEY,
Manager Athletics.

A Fine New Farm Residence.

John Kinser returned from Union last evening where he had just finished plastering the fine new farm residence of our old friend, D. W. Foster, situated near that place. It will be remembered that Mr. Foster's residence was burned several months since, and he immediately contracted with the well known contractor of this city, L. G. Larson, for the construction of a more commodious home. The new structure, in many respects is very modern, and finished with that neatness of which few farm residences can boast in this age. While Mr. Larson superintended the wood work, he certainly was very fortunately in securing John Kinser, of this city to do the plastering, which everyone who has saw the new domicile of our old friend, says is done in a most artistic manner, and among the finest jobs of work in this line they have ever had the pleasure of seeing, and Mr. Foster is highly gratified with the manner in which Mr. Kinser acquitted himself.

Embarks in Grocery Business.

Henry E. Weidman, who for some time has conducted the stationery store in the Coates Block, Monday purchased a grocery store in Havelock and will go there soon to take charge of it. Henry has made a success of business in this place, and we predict for him a good business in his new venture, and if there is anything in hustling and careful, conservative business methods, he surely will win. It is understood that George Weidman will look after the business here.

Danger in Asking Advice.

When you have a cough or cold do not ask someone what is good for it, as there is danger in taking some unknown preparation. Foley's Aoney and Tar cures coughs, colds, and prevents pneumonia. The genuine is in a yellow package. Refuse substitutes. F. G. Fricke & Co.
