Stockholders of the Plattsmouth Telephone Company

DECEMBER 15, 1907.

A Sure 10 Per Cent INVESTMENT!

No Taxes to Pay on Telephone Stock

THE PLATTSMOUTH TELEPHONE COMPANY is placing a limited amount of stock on the market—the money derived from the sale of this stock to be used in building new Long Distance Toll Lines to connect with the new Automatic Independent Telephone System in Omaha.

PLATTSMOUTH TELEPHONE STOCK has paid ten per cent annual cash dividends for the past seven years and the company is one of the very strongest financial institutions in Nebraska.

Ask any of the 200 stockholders comprised of representative business men, farmers and capitalists in our territory, and you will find them all well satisfied with the investment and many of them increasing their stock.

Telephone Stock is Not Taxable!

THE PLATTSMOUTH TELEPHONE COMPANY owns and operates ten exchanges with about 2,500 telephone subscribers; 400 miles of farm lines; 250 miles of Long Distance Toll Lines, including the South Omaha franchise and terminals connecting Omaha with Lincoln and the west; connecting Omaha with Council Bluffs and Iowa points; connecting Omaha with Plattsmouth, Nebraska City and Southeastern Nebraska, Southwestern Iowa, Missouri and Kansas.

THE PLATTSMOUTH TELEPHONE COMPANY controls the long distance business from Omaha, South, Southwest and Southeast and is sure to be a big money maker. Shares, \$100.00; subscriptions solicited in amounts from \$100.00 up.

No subscriptions will be received after a sufficient amount of stock has been sold to build long distance lines, which we estimate will require \$30,000, a considerable amount of which has already been subscribed for.
