From the Far West.

It is indeed encouraging to the hard-working country publisher to receive letters like the following from their subscriber friends and patrons in far away states. In making remittances for the coming year, the following staunch supporters of the Journal have the following to say of the paper in our efforts to give them the worth of their money:

CHEHALIS, WASH., 2-24-'08.
MR. R. A. BATES,
PUBLISHER THE JOURNAL,
PLATTSMOUTH, NEBRASKA.

DEAR MR. BATES:
I take pleasure in transmitting herewith postoffice money order for \$2.40 in settlement for subscription to the Journal until January 1, 1909. It may be an old song to publishers, but I join the balance of the family in agreeing that it would be hard to keep house without the Semi-Weekly Journal, with its budget of home news, and enabling us to keep abreast of the doings in good old Plattsouth and the state of Nebraska, which we all love so well.

I desire to congratulate you, Mr. Bates, on the fact that you are getting out one of the very few fine county papers in the state of Nebraska, and of these few, none excel the Journal. Praise where praise is due, I know whereof I speak.

Yours very respectfully,
F. L. MARY.

STEVENSON, WASH., 2-24-'08.
THE JOURNAL,
PLATTSMOUTH, NEBRASKA.

MR. R. A. BATES:
Enclosed please find \$3.25, the amount to place us on your books to January, 1909, with many thanks. We like the paper twice a week very much. It always comes to us like a letter from home.

Sincerely yours,
S. L. MOORE.

Land as good as any in Cass county can still be gotten at from \$10 to \$40 per acre, according to location and improvements. Remember me to old friends. Yours, etc.,
