### ARE HERE NEXT WEEK

#### World Famous Medical Specialist at the Riley Hotel April 20, 21 and 22.

As has been announced in other issues of this paper, Dr. Ben W. Kinsey, who is chief of staff of the Hot Springs Doctors, who have their Nebraska State Institute permanently located at the corner of O and 14th streets, Lincoln, will arrive in Plattsmouth next Monday and remain three days, and while here will stop at the Riley.

This wonderful Hot Springs system of all home treatment, which Dr. Kinsey is bringing to Plattsmouth, has cured thousands of cases which have been given up as incurable by many physicians and is endorsed by the United States government and by the world's leading financiers, business men, newspapers, clergymen, and above all, those who were sick and suffering and had been made well by those world-famous specialists, the Hot Springs Doctors.

Below are reprinted extracts from a few of the thousands of testimonials which have been received by the Hot Springs Doctors: "I feel that I owe my life to the Hot Springs Doctors."—J. W. Lacey, Havelock, Neb.

"The Hot Springs Doctors saved my life after other surgical physicians said I would have to undergo an operation."—Mrs. E. W. Brinley, Arcadia, Neb.

"For ten years I suffered with torturous pains in my side and back and was treated by over a score of doctors. The Hot Springs Doctors cured me with four months treatment."—Mrs. Jennie R. Rome, 323 1/2 T street, Lincoln.

DR. KINSEY.

"You told me that I would not receive benefit from your treatment for at least a month, but I am glad for my sake and for your sake that I can inform you that I have not had an attack of trouble since the day I commenced taking your medicine and before I took it I had been having three or four attacks a day."—Mrs. B. B. Bee, Fairbury, Neb.

"Was troubled with gall stones for seven years; took two months' treatment from the Hot Springs Doctors and no pain nor symptoms of any trouble since."—Mrs. Wm. Busch, Hallam, Neb.

"I have suffered for years with stomach and kidney trouble; I commenced taking treatment from you October 18th, and feel that now I am cured. Will be pleased to answer all questions to any who may inquire."—Mrs. Auguste Heilenreich—1214 South 12th street, Lincoln, Neb.

"Have tried fourteen doctors local and in Chicago and New York during the past six years, but they did no good. In fact I seemed to get worse. I have taken your treatment for the last three months and feel that I am entirely cured. I have gained seventeen pounds and able to do hard manual labor."—Rufus E. Geiger, 210 South 9th St., Lincoln.

The full testimonials of the people quoted above and thousands of others are on file and may be seen at the offices of the Hot Springs Doctors at 14th at O streets, Lincoln.

The Hot Springs Doctors do not ask you to rely on their word alone, but have proofs of their wonderful skill in testimonials from all parts of the country. The Hot Springs Doctors do not claim that they can cure all cases, but they absolutely refuse to accept an incurable case for treatment, thus every patient may be assured a cure for their money.

Remember that Dr. Kinsey is bringing this wonderful Hot Springs treatment to Plattsmouth for three days, April 20, 21 and 22, and while here will stop at the Riley Hotel. Consultation and examination is free to all who call and curable cases will be treated free except for the medicines used.

Never do anything on a Friday. Never have anything to do with No. 13. Listen to these:

George Washington was born on a Friday.

The Declaration of Independence was signed on a Friday.

The battle of Bunker Hill was fought on Friday.

And if you should come on a Friday and buy a pair of shoes—being our thirteenth shoe customer. What would happen? Simply this—whatever pair of shoes you selected would be yours ABSOLUTELY FREE OF CHARGE. Do you call that bad luck?
