WEDDED AT SOUTH OMAHA YESTERDAY

Miss Fay Eades and Dr. W. W. Ward Married at Home of Bride's Parents.

One of the most beautiful home weddings it has been our pleasure to chronicle, occurred at the home of Mr. and Mrs. C. E. Eads in South Omaha last evening, when Miss Fay, their beautiful daughter, was united in marriage to Dr. W. W. Ward of Omaha.

For several weeks the event has been looked forward to with considerable interest by those who have known the young lady most intimately from childhood to beautiful womanhood, with many of whom she was a great favorite.

The entire house had been very tastefully decorated for the event, the parlor, where the ceremony was performed, being more highly adorned than the others. In the center of the room a large wedding bell was suspended from the ceiling, with rows of smaller bells hung around. When the hour for the sacred words to be said arrived the happy bride entered the room upon the arm of her father, followed by F. J. O'Hanlan and Miss Ruth Johnson as best man and bridesmaid, and as they proceeded to the center of the room the wedding march was played in fine style by Master Howard Foster, only seven years of age, and a cousin to the groom. There they were met by Rev. Wheeler of the First Presbyterian church of South Omaha, who, according to the marriage ritual of that church united in the holy bonds of matrimony Dr. W. W. Ward and Miss Fay Eades, the ring service being used. During prayer, which followed, the bride and groom knelt on a white satin pillow immediately under the large bell.

The bride was handsomely gowned in white, carrying bride's roses, while the bridesmaid, Miss Ruth Johnson of Plattsmouth, wore cream silk and carried pink roses. The groom and assistant were neatly attired in the usual conventional black. After the ceremony was concluded and congratulations, an elegant three course luncheon was served, the table and dining room being beautifully decorated—the table with American beauty roses and smilax, after which punch was served in a very elaborate manner, with Miss Edith Cressey presiding at the punch bowl.

Only the relatives of the contracting parties and their most intimate friends were present to witness the happy event, and it will be almost impossible for the Journal to give the bride as much of a notice as she truly deserves. Suffice to say that one who was there says the decoration of the rooms and everything connected with the service were elaborate and grand in their entire make-up. The happy couple departed soon after the wedding for Minneapolis, St. Paul and the northern lakes, where they will remain for about three weeks, and will be at home to her friends after August 1.

The bride is the eldest daughter of Mr. and Mrs. Eades, and was reared to womanhood in Plattsmouth, where she was very popular among all who knew her. She is, we dare say, one of the most beautiful, accomplished and charming young ladies in Eastern Nebraska, and the Journal, who knew Miss Fay so well, considers Dr. Ward a very lucky man in securing such a valuable prize. By profession Dr. Ward is a dentist, and enjoys a very lucrative practice in Omaha, where his friends are legion, and where he is highly honored for his noble quality, honesty and integrity. The Journal joins the many friends of Mr. and Mrs. Ward in wishing them long life, attended by all the joys and happiness that can possibly be meted out to them.

Missouri Pacific in Trouble Again.

Yesterday afternoon just north of Mynard a Missouri Pacific freight train was wrecked by the rails spreading and allowing some nine cars and the way car to leave the track. All trains were delayed from the time of the wreck at one o'clock in the afternoon until three o'clock this morning, when the track was cleared for their passage. The road seems to be playing in hard lines, and trouble comes thick.

Ball Game Saturday.

The ball game of the season will be played next Saturday, at 2:30 in the afternoon. The contest will be between the Royal Achades, of Omaha, and the Red Sox, of this city. The former is rated as one of the swiftest amateur teams in the metropolis, and the Red Sox will have to go some to hold them level. Make up your mind to go and see one of the best games ever played in Plattsmouth.

Mrs. J. C. Peterson returned home this morning from Burlington and Davenport, Ia., where at the latter place she visited with their daughter, Mrs. L. W. Barger, for some time. She reports Mr. Barger just returning from the funeral of his father, Winslow Barger, at Fayette, Ark., where he died a few days since at an advanced age. The elder Mr. Barger was a member of the Grand Army of the Republic, he having served during the civil war.

DO HONOR TO "OLD GLORY"

Place The Stars and Stripes on the Outer Walls Next Monday.

Governor Sheldon has issued the following flag day proclamation:
The perpetual life of our nation depends upon the zeal with which the individual American assumes and discharges the responsibilities of citizenship.

Our flag is a sacred emblem. It should not be used for base purposes nor so commonly displayed as to detract from our reverence for it.
The flag displayed recalls the scenes of hardships and deprivation endured by our patriots under its unfurled folds. The recitation of these tales of danger and of suffering for the sake of "Old Glory," is a patriotic inspiration to the growing generation. It gives hope to the despondent, confidence to the discouraged and strength to the weak.

The custom of appointment one day in the year for a general display of our flag must be conducive to better citizenship.

Now, therefore, I, George Lawson Sheldon, governor of the state of Nebraska, do hereby designate June 15, 1908, as flag day, and recommend that this day be generally observed by the citizens of this state. Let the flag of our nation float on that day over public and private buildings, over factories and homes, over schoolhouses and churches, thereby giving renewed expression to our faith in all for which it stands—better enabling us to more faithfully and conscientiously discharge our duties as citizens.

May "The star-spangled banner; Oh, long may it wave o'er the land of the free and the home of the brave," be the prayer of every American citizen.

W. R. Ward, of Dyersburg, Tenn., writes: "This is to certify that I have used Orino Laxative Fruit Syrup for chronic constipation, and it has proven, without a doubt, to be a thorough, practical remedy for this trouble, and it is with pleasure I offer my conscientious reference."

Cut Your Weeds.

Every resident should at least feel sufficient pride within himself to keep the weeds down around his residence, whether he owns the property or not. It is a shame the way some residents permit the weeds to grow around their property. It does not denote the best of citizenship, but rather places such citizens on the indolent, lazy side of the population. The Fourth of July will soon be here, and our city will be filled with strangers, and how will these weed patches look to them? It will appear to them that Plattsmouth has a lot of citizens who are almost too lazy to survive. Cut the weeds in your yard and in front of your homes. The city should cut the weeds in the streets, and no doubt will before the Fourth.

Chas E. Cook is contemplating the remodeling and enlarging of his barn at his place in the southwest portion of the city.

Carl Humphrey Advanced.

Yesterday Carl Humphrey received a telephone message asking him to come to South Omaha, as the Cudahy Packing company wished to confer with him relative to a position. In company with Mrs. Carl Humphrey went up and accepted a position, as road salesman with headquarters at Burlington, Iowa, having as territory southeastern Iowa, the choice of territory, contiguous to the South Omaha Plant. This position is given at a substantial advance to the salary which he has received from the Swift company.

Injured at the Shops.

While at work this morning, a workman engaged on the top of a freight car threw or let fall a mallet, with which he was working, and in its descent it struck a fellow workman, Frank Raue on the head, cutting a deep gash. The wound, which was one of considerable size, bled profusely. The Burlington physician dressed the wound and it will be some time before the wound heals.

A Shock to Mrs. Wescott

Mrs. C. E. Wescott received a message last night conveying the sad news of her favorite nephew's death yesterday morning at Los Angeles, Cal. He will be remembered by some as Judson C. Brusie, who made quite an extended visit at Sunnyside some years ago. Mrs. Wescott had much of the care of this nephew during his early boyhood, and his death is an unexpected shock to her.

Frank T. Darrow, of Lincoln, civil engineer for the Burlington, was a visitor in the city this afternoon, looking after some business for the company at this point.
