### WEDDING AT

#### KANSAS CITY

Miss Clara Belle Smith and Dr. Louis Martin Edens.

The following is taken from the Kansas City Star, and gives the account of the marriage of Miss Clara Belle Smith which occurred a few days ago. Miss Smith formerly resided in Plattsmouth with her parents, and is known to numerous young people. As will be seen, Miss Gertrude Beeson was an attendant at the ceremonies: "A pretty home wedding celebrated last night at 8 o'clock was that of Miss Clara Belle Smith, daughter of Mr. and Mrs. Herman C. Smith, and Dr. Louis Martin Edens, of Cabool, Mo. Before the ceremony Mrs. Clyde Hunt sang "Calm as the Night." Miss Antonio Kessler, of Lincoln, Neb., played the wedding music. The ceremony was performed by the Rev. Frank S. Arnold, pastor of the Presbyterian church. Miss Nell Catherine Smith, a sister of the bride, was maid of honor. She wore a pink messaline gown over silk and carried bridesmaid roses. The bridesmaid, Miss Gertrude Beeson, of Plattsmouth, Neb., was prettily gowned in white organdie over white taffeta. She carried a shower bouquet of daisies.

"The bride wore a beautiful gown of French organdie elaborately trimmed in Valenciennes lace and built over silk. Her veil was caught with lilies of the valley and she carried a shower bouquet of bride roses.

"The different rooms were attractively decorated with an abundance of roses, daisies, palms and Southern smilax.

"Dr. and Mrs. Edens left for the North and will be at home after July 1 in Cabool, Mo."

#### Different This Year.

For several seasons past the people of Plattsmouth have had to go away from home to celebrate the Fourth. This year a number of public-spirited citizens took it upon themselves to have a celebration at home this year, and they went to work with a will that is working wonders in the direction of the biggest celebration ever held in southeast Nebraska. The manner in which the committees are hustling demonstrates what Plattsmouth can accomplish when she gets a move on her. The success of the celebration means that we will have other big gatherings in the old town before the festive season closes. Energy, enterprise and grit in a few citizens can accomplish a great deal, and that is just what the men at the head of the Fourth of July committees possess. Now watch the results on the Glorious Fourth.

### CLINGING TO THE WILLOWS

#### Two Men, Supposedly Greeks, Have Boat Capsize and Float Away.

While fishing above the waterworks today Amos FINDER saw a boat capsized and get away from two men, who grasped the willows and were holding on and calling for help. Amos FINDER came to town for assistance, and with Wm. Hainer went to the rescue, with a boat, but had not returned as we go to press, but it is supposed they will get the men. The boat which got away was picked up by a man from the other side of the river, who took it over to the Iowa shore. Mr. FINDER, who said he could hear the men hallow, thinks they are two Greeks, as he could not readily understand them.

#### Postponed Dance.

#### A Weed-Cutting Day

This is a matter that is now agitating the minds of numerous citizens in various sections of the city. In some sections of the town they are a great deal worse than in other sections. Now the weeds should all be cut down, and some action should be taken to have this work done before the Fourth of July. Now let's all take a hand in doing the work.

The Journal moves that Mayor Gering issue a proclamation, setting apart a certain day for all to join in and cut weeds. Call it "a weed cutting day," and we confidently believe that all the men folks would enjoy such a time. And we are positive the woman folks would stand by and cheer on the good work. By all means, let Mayor Gering issue his proclamation setting apart a day for this laudable purpose.
