His day began early, and before his breakfast was completed the special wire between his office and Denver was pouring in telegrams which required replies. Although there has been a permanent telegraph office established in a cottage in close proximity to the Bryan home for convention purposes a special wire was run to his office, and at his desk, near which the telegraph operator had been placed, Bryan spent most of his time until the Denver con-

"You cannot tell what the future will bring forth," said he, "but I know now of nothing which will take me to the convention city." Bryan watched the convention bulletins closely, and those reporting occasions which brought forth applause from the big Denver gathering were read with evident satisfaction and contented smiles, but not with looks of surprise. News from the convention did not prevent him, however, from taking a leep interest in the harvesting of his alfalfa crop, and he viewed with deep concern the prospect of its being gar-H. D. # POPE IS IN GOOD HEALTH

#### Story Coming from Paris That He Is. Ill Is Denied at the Italian Capital.

Rome, July 8.-There is no truth in the report from Paris that the pope is in ill health. Since he was elected to his present office the pontiff has never enjoyed better health during the summer than he has had this year. Monday morning he was in conference with Cardinal Merry del Val from 6 to 8 o'clock concerning the publication of the documents ordering the reorganization of the congregations, and during the day he received many other visi-

## Herreshoff Boat for British Waters.

Glasgow, July 8.-Interest has been aroused in yachting circles here by the report that Norton F. Plant, of the "regular," the decision was for the Larchmont Yacht club, has intimated all these contests, as far as it was his intention of introducing an international element into vachting in British waters in 1909, and to this end he next in order. The committee having has commissioned Herreshoff to design this matter in charge made but one a 23-meter racer, under the European change from the temporary organiza- universal rules, to compete with the tion, and that was, as usual, in the White Heather, Shamrock, etc.
