### MET A WATER-LOO AT OMAHA

The Plattsmouth High School Team Defeated by a Score 21 to Nothing.

As was expected the Plattsmouth football team met a Waterloo at Omaha Saturday when the Omaha High school team defeated them by a score of 21 to 0. The local team was outclassed throughout, the Omaha team being much larger and heavier, besides having had more practice. In addition to this, the Omaha team played two eleven men in each half of the game or a total of twenty-three men, while the same eleven represented the Plattsmouth team. The raw, disagreeable weather kept the attendance down to a few hundred, but they were enthusiastic rooters for the Omahas.

The locals played good ball during the first half and held the heavy weights down nicely, but the second half was one-sided and the boys were unable to stop the scoring of the big men. The Omaha boys expressed the highest appreciation of the work of the local team as it gave them a real tussle and one much better than the score indicated. The visitors were treated royally by the Omahas and are loud in praise of the courtesies extended them.
