## A PLEASANT DAY IN THE COUNTRY

Mr. and Mrs. J. H. Meisinger Entertain Friends, Including a Number of Plattsburgh Gents.

From Monday's Daily—  
J. H. Meisinger and his estimable wife yesterday entertained a large party of friends at their home near Louisville. As is always the case with those who visit the Meisingers a very fine time was had and everyone participating were delighted with the trip. The weather was not so pleasant as might have been wanted but still it was not at all bad.

The party which went out from this city comprised a merry crowd of young men who went out determined to have an enjoyable visit and they had it. They went out on P. F. Budig's Denver Special with Joe Libershal as engineer of the nags and Ed. Donat as fireman. P. F. Budig himself acting as conductor. They did not leave this city until 10:30 a. m. and it was 1:30 p. m. before they arrived at their destination. They thought they were too late for dinner but they did not know Mrs. Meisinger who surprised them with a real genuine feast. The call of dinner was the signal for a grand rush for the table which Ed. Donat succeeded in getting to first. Mrs. Meisinger had cooked nearly everything to be raised or to be had in this country and the entire company are loud in praise of her fine meal. Despite the fact that there was a beautiful repast, when the party left the table there was not enough to leave even good picking for the crows which was an eloquent testimonial to her cooking.

The afternoon was very pleasantly spent, one feature being a shooting match between Anton Koubek, Joe Libershal, John Jaranek, Ed. Hronek and P. F. Budig. It was a target pool and Koubek won hitting the bull's eye once in three times while Libershal was second, he coming within a quarter of an inch of the bull's eye. Mr. Meisinger lost a great many eggs by reason of tying up his dogs the boys gathering them in and forgetting to return them. As eggs are twenty-five cents a dozen, it will be much better to let loose the dogs.

One highly enjoyable feature of the afternoon was the singing and instrumental music of Mr. Meisinger. He kept the many guests in a state of laughter and enthusiasm for some time. Ed. Donat also furnished a lot of amusement by attempting to grind the coffee for supper. He ground it but he worked awful hard. Mrs. Meisinger closed the day with a fine supper, an equal to the great dinner the party had had. The boys came home highly delighted and full of thanks to their hosts.

Those in attendance were Louis Born and family, Adam Meisinger and family, G. L. Meisinger and family, J. J. Meisinger and family, Anton Meisinger and family, S. Salberg and family, J. H. Meisinger and family, John Meisinger and wife, Messrs. J. G. Meisinger, Henry Meisinger, Jr., Geo. Thierolf, Joe Libershal, Anton Koubek, Ed. Donat, P. F. Budig, Ed. Hronek, John Juronek and Frank Koubek.

Prof. J. W. The party examined the geological formation, measured the heights of the bluffs and collected other data of much value. It was in charge of Dr. Condra of the University.

In addition to the geological party there was a geographical party working the country on the opposite side of the river with which were two teachers in the Plattsburgh schools, Misses Nichols and Morning. This party took the north side of the Platte and came down at the same time the other party was on the hills to the south. Both parties camped at South Bend Friday night and had a fine time. Prof. Gamble and Misses Nichols and Morning with David White of this city, also a member of the geological party, came in Monday morning on a freight train from Louisville.

## BENFER'S SALOON CLOSED

Louis Reinacke Attaches Property for Wages as Bar Tender.

Louis Reinacke Saturday began an attachment suit before Justice Archer seeking to recover a debt of \$52.50 alleged to be due him from F. C. Benfer as wages as barkeeper for several weeks in Benfer's saloon. The suit is the outgrowth of Benfer's continued absence from the city, he having left the city about one week ago for O'Neill where he stated he would register for the land drawing, and nothing more being heard of him. Last Thursday night the saloon was closed by Marshal Fitzgerald acting on the request of Mrs. Benfer. Fitzgerald entered the saloon about closing time on the night in question accompanied by Mrs. Benfer and had Reinacke, who was tending bar, turn over the keys of the place to him, he in turn handing them over to Mrs. Benfer. The saloon was then locked up and has been supposed to have remained so ever since, although it is said there were other keys in existence around town. In the case just filed an order of attachment was issued and levied by Constable Jack Denson on the goods in stock which appraised at the sum of \$72.50. The case will be heard on the 23rd. Nothing has been heard of Benfer since he left this city and his wife is reported to have left the day following the close of the saloon. It is reported that his affairs are badly involved, and that large sums of money are owing different parties. The Blatz Brewing Company is reported to be the heaviest creditors, the amount due them being said to be very large. The local creditor, are numerous and the amounts in some cases are rather large although the major portions of the bills are small. Considerable interest attaches to what action will be taken by those creditors who have large claims.
