## AUSTIN, AN OLD TIMER

New Burlington Trainmaster In Service Many Years.

James B. Austin, the newly appointed train master for the Lincoln division, who will have headquarters in Omaha, has been in the train service for so long that some of the veterans remember him as in the service when they began. Mr. Austin took up his duties at Omaha yesterday and will have charge of the lines east and north of Ashland, which includes the main line from Ashland to Pacific Junction, Ashland-Sioux City and Sioux City-O'Neill lines, succeeding Trainmaster Flynn who has been promoted to be assistant superintendent of the Lincoln division.

The story is told of Mr. Austin, who for many years has been a conductor on the Lincoln Ravenna line, that one evening on his way out of Lincoln some young bloods got on his train who were much the worse or what they had drunk. When Conductor Austin approached them for their tickets they calmly informed him that they generally rode without paying fare and were not inclined to make an exception in this case. They would fight rather than pay fare. Mr. Austin told them that they were on the wrong train if they made a rule to ride without paying, and that when the train stopped they would be expected to get off with out they changed their minds. Mr. Austin is not a giant in stature and the young men were decidedly of athletic build. They paid their fare before the train stopped and it was because they decided they had tried to bluff the wrong man.

Mr. Austin lives in this city and many of his friends are hoping that he will not find it necessary to change his residence on account of his promotion.

One of the best attractions of the season, entitled "The Farmers' Daughter," under the direction of Edwin Anderson, will be offered at the Parmele theater on Friday, November 20. The play is of the rural type, and its story is laid in the clover laden hills of New England.

"The Farmers' Daughter," which comes to the Parmele theater on Friday, November 20, is a simple pastoral with a rustic comedy interwoven. It stands in contrast to the ruling sex drama like a coolness and inspiring freshness of a May morning compared with the sultry and tempestuous summer heat. The stage is indebted to the author of "The Farmer's Daughter."

## PRELIMINARY EXAMINATION

Of Fred Ossenkop for the Murder of Chas. Byrnes.

Justice Archer's court was packed with people this morning to hear the testimony disclosed in the preliminary examination of Fred Ossenkop, charged with the murder of Charles Byrnes at Eagle several months ago. County Attorney Rawls appears for the state with County Attorney elect W. C. Ramsey as an interested spectator while Ossenkop is defended by Matthew Gering.

In addition to those from near Eagle who came in last night there are many spectators from the city present as deep interest is manifested in the probable outcome of the case. Ossenkop was arraigned some time back and plead not guilty to the complaint which charges him with murder in the second degree.

This morning the state put in a mass of testimony proving the fact of the commission of the murder with all the attendant circumstances and other evidence to be heard will be that of the medical witnesses who will testify as to the wounds which produced death. It is not likely that the preliminary examination will be concluded today as the vast number of witnesses called indicate the hearing may go on until tomorrow.

The defense to the case is a matter of conjecture and so far no inkling of just what Mr. Gering expects to show for his client can be had.

The case cannot come to trial in the district court before some time next spring and presumably if Ossenkop is held for trial he will be allowed to go upon bond until that time.

The first witness called for the state was Otto Ketelhut, a farmer residing near Eagle, who saw Fred Ossenkop overtake Charles Byrnes on the sidewalk and grab him by the shoulder. They went off of the sidewalk onto the ground, Ossenkop on top, and he struck Byrnes several times in the face and then got up and kicked him several times. Byrnes not making an effort to defend himself. Byrnes only drew a few breaths and passed away. Other witnesses who corroborated the above evidence were Mrs. Adolph Gieverath, Dr. I. Mungler of Elmwood, Rosa Winter, Orville Prouty, Chas. Dener, Amil Oberle and James Hudson, the policeman in Eagle. The prisoner was bound over to the district court, his bond being fixed at \$10,000. Attorney G. L. Delacy of Lincoln, with T. J. Doyle, was employed by the widow to assist County Attorney C. A. Rawls in the prosecution. Mrs. Charles Burns, the widow, and her sister, Mrs. Herman Miller, and her husband were present during the trial.
