To Put On Switch Engine.

The Missouri Pacific has decided to put on a switch engine between this city and Union, Nehawka and Weeping Water. The train will run about the same as the one which was run by Conductor James Atwell, several years ago. It will leave here in the morning after the local switching has been done, the crew going to work at 8 a. m., and run to Union and from there it will go to Nehawka, where it will do the switching in the quarries.

At Nehawka a new quarry has been opened and it has been claimed they will load not less than forty cars of crushed stone each day. It means by the putting on of this train that it will bring to this city not less than five families.

There is one feature about the train, which will not greatly benefit this city in many ways. It will not carry passengers and will have no regular time for leaving here and will return in the evening after their work is done. They connect with no train and therefore it would not be any use for Omaha passengers to try and get up in that way, because at every station the switching must be done before they go to the next and so on until the day's work is done.—Nebraska City News.

Car Remains Another Week.

The Giant Construction Company car, containing the Texas exhibit, is to remain in Plattsmouth for another week. Hundreds have visited this car to see the excellent fruit raised in Anderson County, Texas, and have been impressed with the splendid possibilities for investment there. They realize that land bought at \$19 an acre in that section of the state can hardly be anything but a money maker. It is a particularly good proposition for the man or woman of small means, as the tract purchased may be paid for at so much per month.

Admitted to Bail.

Yesterday in the Supreme Court Attorney Matthew Gering representing Fred Ossenkop made an application for bail for his client. The court after hearing the matter allowed the application and fixed bail at \$20,000 to be approved by Clerk of the Court Robertson. This morning the formal notice reached the Clerk and he notified the sheriff who brought Ossenkop before him with his sureties John Ossenkop and Edward Doran and the bond was signed and immediately approved by the Clerk. Mr. Ossenkop was then allowed his liberty and departed for his home near Walton on the mail train this noon.

Up Before the Bar.

N. H. Brown, an attorney of Pittsburg, Vt., writes: "We have used Dr. King's New Life Pills for years and find them such a good family medicine we wouldn't be without them." For chills, constipation, biliousness or sick headache they work wonders. 25c at F. G. Fricke & Co.

Valued Patron.

Our excellent friend J. L. Shrader, and two sons Leslie and George, from near Nehawka, were in the city today, and paid this office a pleasant call. While here he renewed his subscription for the Journal. Mr. Shrader is one of Cass County's most prosperous farmers and a good patron of the Journal. Come again Joe.

## OMAHANS MAY DRINK BEERINE

Half the Saloons, it is Estimated, Will Go Out of Business.

OTHERS TO SELL SOFT DRINKS

Plans Being Made to Serve Wet Goods After the Theaters—Ice Boxes Divided into Individual Lockers Like Postoffice Boxes.

Omaha, April 8.—Brewers will make more temperance or "Lincoln" beer, as it is commonly known, since the daylight saloon bill has been signed by Governor Shallenberger, and this may be sold to the real late ones.

Estimates vary as to how many saloons in Omaha will close now that the bill is signed, but saloon men believe about half the saloons will go out of business—that is, they will change their business.

The brewers long ago solved the prohibition problem. They make a beer without sufficient alcohol in it to intoxicate, sort of a beerine. Those who really want to wet their whistles with a drink which has several inches of foam on each schooner may be satisfied with the temperance beer.

Lincoln's experience was that a large number of saloons went out of business—rather, changed their business. Over the big mahogany bars to saloon keepers began to serve beerine, pop, ginger ale and lemonade.

Another scheme has dawned on Omahans, and it is much discussed. Plans are being made to get wet goods to serve after the theaters. The question is, "Can these wet goods be ordered with the dinner before the saloons close and served at 11 or 12 o'clock at night?"

On this point attorneys disagree, unless the man ordering the goods takes them with him.

One hotel keeper thinks this will result in installing a big refrigerator, divided into 100 small ice boxes. When a dinner is ordered at 6 o'clock in the evening and the order for wet goods given, the goods will be placed in an individual locker and the one ordering the dinner given the key. When he returns with his friends after the theater, he will give the waiter the key and the goods will be served.

The clubs will make some such an arrangement.

Restaurant dealers do not believe temperance beer will ever be very popular with their trade. It may be the main drink in the saloons which become billiard parlors with a soft drink buffet in connection. It looks like beer and the signs used to advertise it look just like real beer signs. It also costs the same as beer.

THIS IS CERTAIN

The Proof of Plattsmouth Readers Cannot Deny

What could furnish stronger evidence of the efficiency of any remedy than the test of time? Thousands of people testify that Doan's Kidney Pills cure permanently.

Home endorsement should prove undoubtedly the merit of this remedy. Years ago your friends and neighbors testified to the relief they had derived from the use of Doan's Kidney Pills. They now confirm their testimonials. They say time has completed the test.

J. W. Partridge, Eighth street, Plattsmouth, Neb., says: "I suffered almost constantly from pains across my loins and kidneys and at times I was in a bad way. On several occasions I was so badly crippled that I could only get about with the aid of canes. The first box of Doan's Kidney Pills, procured from Gering & Co's drug store, helped me so greatly that I continued taking the remedy and it brought me entire relief. It would be impossible to speak too highly of Doan's Kidney Pills."

The above statement was given in June 1906, and on December 29, 1908, Mr. Partridge said: "I still endorse Doan's Kidney Pills highly. I willingly renew the statement I gave over two years ago in its favor."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agent for the United States.

Remember the name—Doan's—and take no other.

W. H. Newell and S. H. Atwood came in this noon on the mail train from St. Joseph, Mo., where they have large property interests to look after.

Judge Travis is reported as being ill at his home with a cold or grip. He has been under the weather for several days and is compelled to remain at home to escape a spell of sickness.

For Sale.

A number of fine White Plymouth Rock roosters at 75c each. They are good ones and cheap at the price.

**Mrs. James Kennedy Dies.**  
Death this morning claimed Mrs. James Kennedy living several miles south of the city. Mrs. Kennedy had been ill for sometime and only recently had been operated upon. She was well known and popular and a most estimable lady. The funeral will be held on next Friday. A full account of her life will be published later.

Mrs. Wm. Ossenkop is reported as getting along very nicely at the hospital and there is every reason to believe that she will soon be all right again and in good health. Her many friends sincerely hope that this is true and that she can soon be with them.

**Rheumatism.**  
More than nine out of every ten cases of rheumatism are simply rheumatism of the muscles, due to cold or damp weather or chronic rheumatism. In such cases no internal treatment is required.
