HAVE FINE DISPLAY

Plattsmouth's Large and Up-to-Date Shoe Stores

The near approach of spring and the turning of one's thoughts to proper apparel for the season naturally causes one to look about and see what is presented in the line of wearing apparel. It is hardly necessary right now to talk of clothing for there are four well stocked stores in the city, all of them up to the minute in style and quality of clothes. There are the splendid clothing stocks of Messrs. Falter & Thierolf, Wescott's Sons, Wm. Holly and M. Fanger. These four enterprising merchants have everything a man can want in their lines and in addition, they have the prices.

But when it comes to foot wear, it is a proud thing to say that Plattsmouth has two of the best and most up-to-date stores in Nebraska. A number of other stores handle shoes and they are selling them at the prices fixed by fierce competition. They all sell for what the shoes are worth and no more. If cheap shoes are wanted they can supply it and if you want goods of standard make and goods which sell at fixed prices the world over they can supply you and their price will be the same you will pay in Omaha or Chicago. The two exclusive shoe houses in the city are showing their spring lines now and they are beauties and they are sold at prices which warrant you in buying here.

The firm of R. Sherwood & Son are featuring some of the finest makes in the market among them the Julia Marlowe, the White Ribbon and the Cross shoes for ladies and these shoes cannot be beaten at any price by any firm. They sell the world over. If any lady contemplates buying shoes all she has to do is to look in Sherwood's west window and see what they have on display. Dainty and tasteful footwear for the ladies is one of the things they feature. For smaller members of the family, the celebrated "Buster Brown" lines of shoes are in stock and they are just what every mother wants and they prices. In fact, the Messrs. Sherwood have an elegant line of goods. For men they have many standard makes and every one is a leader of fashion. The Dr. A. Reed Cushion sole is a feature of this line but there are so many other fine lines that the most fastidious can call and be suited. And the beauty of all this is that you can call upon this firm and buy their standard goods and if they are not as represented you can have them changed. With firms from other cities this cannot be done.

The other exclusive shoe store in the city, that of Joseph Fetzer presents to their many customers two fine display windows filled with the latest and most handsome designs in footwear. This store makes every possible effort to please their patrons and they present the most approved patterns of goods at prices which are reasonable. Like all competitors in this city, they can sell you cheap goods and they ask the standard price for standard goods for every firm which handles the same stock must ask the same prices as they. In the line of ladies' shoes they present a long line of fine goods, just as good as you can buy anywhere and at prices which are as cheap as the cheapest. They have the "Frances" a shoe which is high grade and ranks with the best, they have the Utz & Dunn, another shoe which the ladies all admire. In addition there are all kinds of standard makes. For the children they have a shoe equal to any in the market. For men they have the Florsheim, known the world over—a shoe without a superior. They have the Ralston health shoe, also known where shoes are worn. Lastly they carry the Douglas than which no better shoe for the money can be found.

This then is a summary of the shoe conditions in Plattsmouth. You can't beat it in Omaha or anywhere else and in addition remember that every dollar of yours spent with our local shoe people means money to Plattsmouth. Patronize them and help your neighbor and yourself.
