**Plattsmouth Has to Bow to the Inevitable—Scores of Citizens Prove in.**

After reading the public statement of this representative citizen of Plattsmouth given below, you must come to this conclusion: A remedy which cured years ago, which has kept the kidneys in good health since, can be relied upon to perform the same work in other cases. Read this:

J. W. Hickman, Oak street, Plattsmouth, Neb., says: "I will never cease to praise Doan's Kidney Pills, as they were of such great benefit to me several years ago. My kidneys and back were a source of constant suffering and I was subject to attacks of lumbago that came on without the least warning. The simplest movement was painful and I was annoyed more or less by the irregular passages of the kidney secretions. I read so much about Doan's Kidney Pills, that I finally procured a box from Gering & Co.'s drug store. I was so gratified with the results of their use that I publicly endorsed them in 1906 and at this time, I heartily renew that statement. I hope that other kidney sufferers will profit by my experience."  
For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agent for the United States.
