N these days of counterfeits, adulterations and substitutions a man can't be too careful in buying such a commodity as paint. The ingredients of liquid paint and the processes of making it are a "closed book" to the average man, and the temptation to make big profits on most inferior grades has proven too strong for some manufacturers.

Would you know at sight whether the can contained the full U.S. Standard measure?

Would you take the trouble to measure each can even if you were doubtful? Don't take chances of getting worthless paint or short measure for your money

LIQUID · PAINT

PURE GRAY 105

Be assured of full value by getting Lowe Brothers "High Standard" Liquid Paint. Its reputation is known. For thirtyfive years Lowe Brothers have been making Paint as well as they knew-and ever looking for a way to make it better. Believing that best paint could be

United States

Standard

Heasure

made only from best materials, no other materials Liquid Paint are Lowe Brothers Varnishes are used in their mills.

They use the most highly perfected machinery and employ only workers of skill and experience in paint manufacture.

"High Standard" Liquid Paint wears and retains its look of freshness and newness much longer than ordinary paints; it covers a greater surface to the gallon, and spreads more evenly over that surface. It is made to give full satisfaction-and it does.

Buy a gallon can of Lowe Brothers" High Standard" Liquid Paint and it contains one full gallon; if a pint can, it has one full pint - government measure. This is the Lowe way, and there are no exceptions to it.

Just as dependable as "High Standard"

and Enamels, for exterior or interior finish. Quick, hard Drying Floor Paint, a Vernicol paint of great

durability. They are the best values to be had. Let us make suggestions for your color combinations. Ask for Booklets and Color Cards. See sample panels.
