Trusting you will overlook our neglect this time, we promise to be on deck next week.

### Special Term.

District Clerk Finigan this morning received an order from Judge H. D. Travis to call a special term of district court for Monday, August 2nd. It was thought that at that time he will hand down a decision in the matter of the injunction asked against Sheriff Manuagh, of Brooks county, Kan., in which it is thought that he will be restrained from leaving Rankin, the insane man, here instead of taking him home and also he will hear the arguments on the matter of granting the writ of habeas corpus in the matter of Mrs. Maud Moran who was declared insane some time since and is now nominally in the charge of the sheriff.—Nebraska City News.

### Rusterholtz-Patterson Nuptials.

One of the prettiest home weddings of the season occurred at the home of Mrs. L. Rusterholtz, July 21, at 8 o'clock p. m., when her daughter, Florence Rosella, was united in marriage to Mr. William Patterson.

Promptly at 8 o'clock the beautiful strains of Mendelssohn's wedding march were heard, which was rendered by Miss Dora McNurlin of Cedar Creek. The bridal party took their places beneath an arch, from which was suspended a wedding bell. Rev. Brink performed the ceremony, which united the lives of this estimable couple.

The bride was attired in cream messaline satin and carried a beautiful bouquet of white china asters, while the bridesmaid, Miss Maude Rusterholtz, was tastefully attired in light blue silk and carried a bouquet of lavender and white sweet peas. The groom wore the conventional black, as did also Mr. Edward Lorenson, the groomsmen. After congratulations the happy couple led the way to the dining room, where a delicious luncheon was served. The parlors and dining room was tastefully decorated in blue and cream, the color scheme being perfectly carried out. Many beautiful gifts were showered upon the happy couple. The out-of-town guests were: Mrs. G. F. Patterson, mother of the groom, and grandson, Russell; Mr. and Mrs. David Patterson of Weeping Water, Mr. and Mrs. Alex Patterson of Weeping Water, Mrs. Spencer and daughters, Erma and Florence, of Weeping Water; Miss Viva Barton of Lincoln and Miss Elnora Lorenson of Weeping Water.

Don't risk even one single penny! And I will tell you why I say this. It is because every package of Dr. Shoop's medicine is absolutely free if it fails. No one need risk even one single penny. Just think what this means to the suffering sick! No risk, no expense, nothing whatever unless health first returns, for 30 full days, and without the risk of a single penny, you can use either of my two famous remedies—Dr. Shoop's Restorative and Cathartic Remedies. Then why take any chance whatever? Why purchase any medicine whose maker dare not back it just as I do by this remarkable offer? And besides, I am no stranger to you. My "No Risk" remedy has made Dr. Shoop's Restorative and Cathartic Remedies famous in the land. The "No Risk" remedy is sold. We take no chance whatever. For twenty years Dr. Shoop's medicines have become thoroughly established all over America, and I have not had a single complaint, either drug store or village store, where to any extent they are sold. These selected drugs are classified medicines with the sick—and this entire year is mine alone. But write me first for an order. I have an agent in almost every community—but all druggists are not authorized to grant the 30-day test. So drop me a line, please—and thus save all disappointments and delays. ### Had a Royal Time.

Last Sunday the palatial home of Mr. and Mrs. Charles Cook, south of this city, was the scene of a gathering of a party of merry friends. For the happy occasion Mrs. Cook had prepared a sumptuous dinner and the assembled guests certainly enjoyed it to the utmost. As it always the case at this cosy home, Mrs. Cook had looked after the wants of the inner man in the most approved manner and all found a feast before them well worth the eating. After dinner Raymond Cook greatly pleased the crowd by some very fine music, receiving much applause for his talented work. In the afternoon a lunch consisting of ice cream, oranges and water melon was served, which made one of the most enjoyable features of what was a splendid day. It was a late hour when the party broke up and each went their way having had a mighty fine day with Mr. Cook and his excellent wife.

Those enjoying this festive occasion included Mr. and Mrs. Albert Wheeler, Mr. and Mrs. Wade Porter, Mr. and Mrs. Glen Vallery, Miss Leola Vallery and Mr. Tom Tilson.

### Colorado Is Prosperous.

E. Palmer, a prominent farmer and business man of Akron, Colo., who has been making a visit for several days with John Fight and family, departed this morning for his home. Mr. Palmer is an enthusiast over Akron and its vicinity. He states that the town has been growing wonderfully and developing remarkably. Building is going on in every direction. New school buildings are being erected, a new court house is in course of construction and innumerable business blocks are going up. The prospects around Akron for crops this fall are better than in years, last winter having been a good one with plenty of snow and this spring and summer having followed it with copious rains. Corn never looked better and wheat and oats are a crop greater than ever known in that section. Wheat stands waist high with large, full heads, and promises great yields. Mr. Palmer stated that he and Mr. Fight could not agree about Colorado, but that their disagreement was not violent nor mean. Mr. Fight's son owns considerable land in the vicinity of Akron and has been blessed this year with an abundance of good things of the earth.

### The Overheated Body.

During the hot season, when the body is overheated, it refuses to accept new fuel in the form of food. The people tries then to lessen the temperature of the body by taking ice-cold drinks. This may give a temporary relief, but it ruins the working power of the stomach and the intestines. Do not neglect to watch these organs, and as soon as any trouble comes on use Triner's American Elixir of Bitter Wine, the great tonic. It will keep the digestive organs in normal activity and therefore in full health; will prevent the so-called summer diseases. You should keep it in your household and use it as soon as any change in the appetite or in physical strength is noticed. At druggists. Jos. Triner, 616-622 S. Ashland avenue, Chicago, Ill.

### Mrs. Hasse No Better.

The many friends of Mrs. Lillian K. Hasse will be pained to learn that her condition today is reported as no better. Mrs. H. E. Weidman, who is in Omaha at the hospital, states that she steadily grows weaker and does not rally. Her condition is regarded as very critical and small hope is entertained for her recovery. This news comes to her friends as a great shock, as they had been hoping to hear of a rally and ultimate recovery.

Roy Holly made a flying trip to Omaha today, going up on the morning train and returning at noon.

### Ladies' Aid Entertained.

The ladies of the Christian church and friends were entertained at luncheon Wednesday afternoon at the home of Mrs. Luther Moore, on West Pearl street. Mrs. Moore was assisted in entertaining by Mrs. William Baird and, regardless of the warm weather, the event was enjoyed by about forty guests.

An informal program was rendered at the conclusion of the short business session of the society. Miss Blanche Sayles delighted the company with her art in a piano solo, receiving an enthusiastic encore, to which she responded with a selection of equal merit. Miss Sayles was followed by little Miss Clara Mae Morgan with a vocal solo, which was a happy surprise to all present, her voice revealing a culture that would have done credit to one much her senior. Miss Jo Hall was at her best in one of her popular readings, which never fail to please her auditors. Miss Margaret Thomas also favored the guests with a vocal solo. She is becoming justly popular as a vocal entertainer. Mrs. Mae Morgan, who never fails to please with her vocal selections, added much to the enjoyment of the occasion by her artistic work, which is always welcome on any program.

The only part of the program not informal was the luncheon which followed, and it is not necessary to say that it was well served—"filling a long-felt want."

The event netted the treasury of the aid society a neat little sum and all the guests voted it one of the best days in the history of the society. The only out of town visitor was Mrs. W. E. Maxon of Panama, Central America, who is now visiting her parents in this city, Mr. and Mrs. Homer McKay. She will remain in the states until about October 1.

### Attended House Party.

Mrs. J. W. Gamble has returned from Milford, where she and Mr. Gamble attended a week-end house party at the home of Drs. Loughridge and De Oigny. Automobile rides, a trip up the river in boats and music furnished entertainment. Those present were Dr. W. K. Loughridge, Milford; Miss Fay Ewing, Lincoln; Dr. and Mrs. De Oigny, Milford; Superintendent and Mrs. J. W. Gamble, Plattsmouth; Misses Ada Mathers and Edith Edmund, Eldorado, Kas.; Mr. Vilas Larone, Lincoln, and Miss Anna Hayford, Lincoln.

J. D. Shrader, the Lincoln insurance man who has been spending several days in the city in the interest of his company, departed this morning for the capital city.

### As They Saw It.

The baseball fans in Glenwood are planning to erect some sort of a suitable monument to the prowess of Robert LaChapelle for the part he played in the game last Friday afternoon between Glenwood and Plattsmouth.

Bob, with one mighty swat, sent the ball sailing over left field fence for a home run. This, too, when there were three Glenwood men on bases. Oh, what a sight it was to see that procession around the bases and how the grand-stand and bleachers broke loose.

The one hit won the game for Glenwood. The best batter on earth could have done no better. Four scores from one hit is the limit.

Glenwood needed them, too. It was the seventh inning and two men were out. Plattsmouth had made her three runs and Glenwood had but two. Marshall, Pickrel and Hollister were the merry gentlemen who were perched on the bases when Bob let loose with his bingle. Guy Kinney, a friend who is here from Newell visiting Manager Cunningham, pitched for Glenwood. He is a good player and it is possible that he may play with Glenwood the balance of the season.

This was the second time Glenwood defeated Plattsmouth this year.—Mills County Tribune.

### Has a Big New Auto.

The Journal yesterday had a pleasant call from George Hell, jr., who dropped in to renew his subscription to this paper. Mr. Hell had a party consisting of Herman Wegener who also called on the Journal, and Mr. and Mrs. Wendell Hell with him in his brand new thirty horse power Cadillac automobile. The party had an enjoyable ride in from the country, the big machine frisking them along over the roads at a swift pace and without jar or trouble of any kind. The Cadillac is one of the best machines on the market, ranking very high as an enduring machine. Mr. Hell made no mistake when he invested in this and he realizes it already as he is greatly pleased with its running powers and the ease and smoothness of its action. The machine is also big enough and heavy enough to satisfy any demands which may be made on it. It is also a very beautiful piece of mechanism.

Mrs. Susan Smith and daughter, Miss Linnie, who have been visiting in the city with John McNurlin and family, departed this morning for their home at Princeton, Ill. Mrs. Smith and daughter have been making an extensive visit with relatives in Oklahoma and this state for past two months and enjoying a nice vacation.
