Have a Runaway.

Several members of the committee on the live stock show, September 1, took teams and drove out through the country to meet some of Cass county's live stock, fruit and grain raisers Tuesday. George Sayles and Julius Pitz drove through the territory between here and Nehawka, while George Kaffenberger and Luke Wiles made a similar trip to the west, near Louisville, Murdock and Manley. The gentlemen were courteously received by the farmers and stock men, who are greatly interested in the exhibit, and are united in approving the attempt, and in regard to its benefits to farmers interested, in making Cass county famous for its pure blooded stock and improved grain and fruit. The weather was dry and hot and the roads dusty, which made traveling quite disagreeable, but this feature of the trip was easily lost sight of in the splendid reception accorded the members of the committee by the farmers, who are keenly alive to the situation and seemed glad to show their animals and products, many of them having evidently been expecting a visit from the boosters. Nearly all of the cattle, horses and hogs were in splendid condition with the exception of fatness, and this will be no particular disadvantage to exhibitors, as quality is to be the main feature in Prof. Ashby's judging.

Simple Home Wedding.

Andrew Thompson, one of Cedar Creek's influential business men, was in this city on business Tuesday. He returned to his home in that village on the Schuyler train the same evening. Mr. Thompson has been a resident of that thriving little village for about two years, and during that time has made hosts of warm friends, who will be pleased to learn that while in the county seat he secured a marriage license to wed Miss Ruth N. Sayles, the handsome and accomplished daughter of Mrs. Geo. E. Sayles of Cedar Creek. The wedding, which occurred today, was a quiet home affair owing to a recent bereavement in the death of the bride's father, the late George E. Sayles, only the immediate relatives of the contracting parties being present. The ceremony was performed at high noon by Rev. Canon Burgess of Plattsmouth, the beautiful ring service being used. Miss Honor Seybert, eldest daughter of Mr. and Mrs. W. H. Seybert of Culom, presided at the piano and played the bridal chorus, the bride and groom at the first strain appearing in the doorway of the large parlors, which had been elaborately decorated for the occasion. The bride was exquisitely gowned in white, the groom wore the customary black, the couple representing a handsome appearance. A splendid wedding dinner was served in the comfortable dining room at the conclusion of the ceremony and an inspection of the wedding presents, which were numerous and costly, including many sets and pieces of beautiful silver ware and handsome furniture.

A Peerless Boy.

A peerless baby boy arrived this morning at the home of Ed. Donat, and today he is about the happiest man in the whole, whole town. He seems really to have the impression that this boy is just about the whole thing, and that all others are base imitations and frauds if one may judge from his actions. Of course, it is to be expected that he will cut up some, but he seems to be over-doing it. When he finds something of more importance to him than the city band, it has to be something of real, genuine importance, and that is the case now. He has let everything but this young man slide from his thoughts and the smile of Sunny Jim isn't in it with one Peerless Ed products. It is pleasant to say both mother and child are doing fine.

Enjoy Outing.

A merry camping party which has been putting in its time at Goche-nour's island for several weeks; broke camp today and returned to this city. The party was composed of Misses Charlotte Fetzter, Hallie Parmele, Lucile Gass, Helen Clark, Elizabeth Falter, Messrs George Dovey, John Falter, Sonny Knapp and Jack Patterson with Mr. and Mrs. W. W. Windham as chaperons. They had a grand time during their stay at the island and thoroughly enjoyed the out-of-door life. During the time they were there many visitors called on them, among them being Messrs and Mesdames C. C. Parmele, A. L. Gass, T. H. Pollock, Mrs. H. N. Dovey, Misses Madeline Minor, Ellen Pollock, Doris Patterson and Ellen Windham, all of whom envied their fortunate sisters in the freedom of camp life.

MARKET REPORTS.

Daily market letter from the M. L. Williams Commission company, Coates block, Plattsmouth, Neb.:

WHEAT.

	Open.	High.	Low.	Close.
Sept.	97 1/2	98	97	97 1/2
Dec.	93 1/2	94 1/2	93 1/2	94 1/2
May	97 1/2	97 1/2	97 1/2	97 1/2

CORN.

	Open.	High.	Low.	Close.
Sept.	65 1/2	66	65 1/2	65 1/2
Dec.	55 1/2	56	55 1/2	55 1/2
May	56 1/2	57	56 1/2	56 1/2

OATS.

	Open.	High.	Low.	Close.
Sept.	36 1/2	36 1/2	36 1/2	36 1/2
Dec.	36 1/2	36 1/2	36 1/2	36 1/2
May	39 1/2	39 1/2	39 1/2	39 1/2

Wheat—The market opened this morning below last night's close, caused by the easier feeling in corn and the reports of clearing weather in the grain belt. Foreign cables were generally lower, Liverpool opening 1-4 lower and falling away during the day. Reports of sales by Armour of December and May wheat had an effect on lowering prices. Reports were also current in the market of damage by rust blight and heat in the northwest and the loss is expected to be recovered later. Another factor favoring lower prices was heavy offerings of Russian stock.

Corn—The market opened lower and sold away during the morning on strength of reported rains in the corn belt. The weather now does not show any precipitation to amount to anything at any point, and the reported rains are generally very light showers, especially through Nebraska and Kansas. During the morning reports came in of rain at Burlington, Ia., St. Joe, Mo., and Humboldt and Salina, Kas., but the amount was small. Foreign cables were lower in sympathy with the weakness here.

Oats—Continued heavy receipts, coupled with the weakness in wheat and corn lead to a lower opening, and further selling off in this grain. Good harvesting weather also influenced this market toward a lower standard.

Hogs—Receipts continued to show an increase over last year and this resulted in a weaker opening, prices ranging around 5c below yesterday's close. Receipts at Chicago were 17,000 head with 2,200 left over.

Cattle—The market opened weak, although receipts were light, for this day, but for the past several days showed a large total, which caused a decline in practically all grades. Today's receipts, 5,000 head.

Sheep—Receipts, 15,000 head. Market steady. Most of the receipts are feeders and comparatively few are fat, which accounts for the steady market in the face of good receipts.

Market Gossip.

Chicago Inter-Ocean report: Wheat—It was the gossip in the wheat business last night that Armour has sold 4,000,000 bushels of December and May wheat within the past three days. Small rains are reported in the corn belt in Kansas and Oklahoma, causing corn to sell off sharply and wheat following in sympathy. We rather favor a bulge of a cent or two today. Some of the best informed people in the northwest are reducing their estimates and claim the northwest will not run over 80,000,000 bushels. Blight, rust and heat doing considerable damage. Corn—Rains took the edge off the drought as a bull factor in corn. There was a little rain in eastern, central and southern Kansas, good rains in the St. Louis county and some in Illinois were reported yesterday. Also rains from Davenport along the Mississippi, causing a good effect. Some of the rains reported were just sprinkles and amounted to very little toward helping corn, especially in Kansas.

Clempert Curtis Commission company state: "We believe the short interest in corn is pretty light, and we would advise buying corn on all dips."

Bartlett-Patten says: "We see no reason for higher wheat at this time and believe sales should be made on bad spots."

Estimated receipts at Chicago for tomorrow: Corn, 183 cars; wheat, 49 cars; oats, 484 cars.

Northwest receipts: Minneapolis 271 cars, against 318; Duluth 2 cars, against 29; Winnipeg 18 cars, against 33.

Chicago receipts: Wheat, 88,000 bushels; corn, 290,000; oats, 68,000.

Served as coffee, the new coffee substitute known to grocers everywhere as Dr. Shoop's Health Coffee, will trick even a coffee expert. Not a grain of real coffee in it, either. Pure healthful toasted grains, malt, nuts, etc., have been so cleverly blended as to give a wonderfully satisfying coffee taste and flavor. And it is "made in a minute," too. No tedious 20 to 30 minutes boiling. F. S. White.

PICNIC SUNDAY.

There will be a picnic next Sunday at the old Pitcher farm. Every one invited and a good time assured. WILL VALLEY.

A Quiet Wedding.

A very quiet and simple wedding took place last evening at the Episcopal church, where Mr. William Allbee of Glenwood, Ia., and Miss Norah Barwick of this city were united in matrimony by Canon H. B. Burgess of that church. The ceremony was private, being attended only by the immediate relatives.

After the performance of the ceremony the bridal party returned to the home of the bride's parents in South Park, where a wedding supper was had.

The groom is a well known young man of Glenwood, who has been employed in this city for some time past with the Burlington. He is a thrifty and energetic young man and stands very high in the estimation of all who have had the pleasure of meeting him. During his employment with the Burlington he has shown himself to be an employe who could be depended upon, and he stands well with the officials of that road under whom he worked.

The bride is quite well known in this city where she has lived for so many years, being the daughter of ex-Councilman J. W. Barwick, and is a young lady of rare attainments and many accomplishments. She is the proud possessor of a host of good friends, who trust that the venture of this happy couple upon the matrimonial seas may prove a long, happy and prosperous voyage, and that the storms of life may fall upon them ever so gently.

Notice.

The banquet to be given at Coates' hall on September 2 at 6 o'clock p. m. is not confined to pioneers and old settlers, but it is open to every one who wishes to attend. One of the principle objects of meeting around the banquet board is to blend together early territorial reminiscences with those of statehood. There will be responses from persons representing every period since the organization of the territory up to the present time. It is the desire that those who are now enjoying the blessings of the present may hear and learn something about what those who were laying the foundations for present state prosperity passed through with. A most elaborate provision will be made for the tables, and the occasion will be enlivened with music. Price of tickets, 50 cents. Make application to any of the undersigned, or buy of ticket sellers.

W. H. Hell, the popular owner of Pleasant View Stock farm, is in the city today, having business matters to look after and also arranging to display some of his fine blooded stock at the carnival. As Mr. Hell owns some of the finest cattle in Nebraska, it is assured his entries will be worth looking at.

Their Duty.

It is a duty of the people of Louisville owes to our sister town, Plattsmouth, to attend their big carnival that opens September 1. When Louisville has any kind of doings Plattsmouth's citizens are always on hand to help swell our crowds, and now is the time to show our appreciation. The affair will be a big one, and no doubt.—Louisville Courier.

Tell Some Sick One

It is Free If It Fails.
Will you do an act of humanity?
Will you tell some sick friend of this, my remarkable offer?
Tell him or her, that you have learned of a medicine so certain that its maker dare say to the sick, "It is absolutely and unconditionally free if it fails."
And you, no doubt, already know of Dr. Shoop's Restorative and its popularity.
For 20 years it has been the standard remedy for Stomach, Kidney and Heart ailments everywhere in America.
When the "inside" or controlling nerves of these vital organs begin to fail, it is Dr. Shoop's Restorative that has quickly vitalized and strengthened, and brought these nerves and organs back to health again.
I do not draw the Stomach, nor stimulate the Heart or Kidney—for that is all wrong.
Dr. Shoop's Restorative goes direct to the cause of these ailments—the falling, faltering, inside or controlling nerves. And herein lies the keynote to my success.
When these nerves are again made well and strong, then that is the certain end of all such sickness.
To me it is a great satisfaction that I am the only physician able to say to the suffering sick, "Take my prescription for full 30 days, and if it fails to help you, the entire expense is mine—not yours."
Then why should the sick take any chance on any other medicine, whose maker dare not back it just as I do by this remarkable offer?
I also have a Rheumatic Remedy—and that remedy is covered by the same identical "No help, no pay" protective plan.
Besides, you are free to consult me just as you would your house physician. My advice and the book below are yours—and without cost.
Perhaps a word or two from me will clear up some serious ailment. I have helped thousands upon thousands by my private prescription or personal advice plan. My best effort is surely worth your simple request.
So let me send you an order at once. Take the message to some sick friend.
A postal will bring the opportunity.
I will have an honest and trustworthy druggist to whom you can conveniently go for the 30 day test.
But first, ask me for the order, for all druggists are not authorized to give the 30 day test.
No write me now and I will save all delays. Remember that tomorrow never comes. Address Dr. Shoop, Box 12, Racine, Wis.
Which Book Shall I Send You?
No. 1 On Dyspepsia No. 4 For Women
No. 2 On the Heart No. 5 For Men
No. 3 On the Kidneys No. 6 On Rheumatism
