## Fuller & Johnson Farm Pump Engine

It makes a Power Pumping Plant out of a windmill pump in a few minutes. It requires no foundation or special supports. It will be set going right on the show room floor. Besides pumping it runs separator, churn, grindstone and any implement ordinarily run by hand.

It costs far less than even a poor windmill - will never blow over. A few cents a day runs it. Don't fail to call next time you are in town. You'll miss something good if you do. We'll give you a catalog free.

Doan's Kidney Pills relieve backache.

Cure every kidney ill.

Plattsmouth citizens endorse them. E. M. Buttery, Cor., Sixth & Walnut Streets, Plattsmouth, Nebr., says: "It did not require a long use to prove to me that Doan's Kidney Pills are a remedy of merit. I often had pains in my hips, so severe that I could hardly work and there was also a lameness across my loins. I had reason to believe that these troubles were caused by disordered kidneys and hearing Doan's Kidney Pills so highly spoken of, I made up my mind to try them. I procured a box at Gering & Co.'s drug store and they brought me prompt and effective relief."

(Statement given June 19, 1909.) On December 29, 1908, Mr. Buttery said: "I still have a good word to say for Doan's Kidney Pills. I heartily confirm the statement I made over two years ago in their favor."

Go to Glenwood Next Year.

In speaking of the Wiles family reunion held last week the Glenwood Tribune says: "The annual picnic of the descendants of Thomas Wiles, an early day settler in Mills county, was held last Thursday at the Thomas Wiles home in Plattsmouth. Some 200 people were present and of course they had a good time. There was a ball game between the Iowa and Nebraska visitors, resulting in a victory of 10 to 4 in favor of the Iowa boys. These reunions have always been held at Plattsmouth, but next year the big reunion will be held at the Glenwood lake. Thomas Wiles settled south of Glenwood in 1852, but shortly afterwards moved across the river onto a farm near Plattsmouth. Relatives in attendance this year from Glenwood and vicinity were James I. Burger and family, Clyde Burger and family, Mr. and Mrs. Joseph King, Mr. and Mrs. Charles Wiles, Mr. and Mrs. Lewis Bass, Mr. and Mrs. William Blair and Marion Wiles and son Edwin, and Misses Alta Burger and Jeanette

An interesting addition to the collection of early Nebraska relics which are on exhibition at Mc-Maken's office is a set of election ballets dating back into the 80's which C. L. As a body builder and strength creator for old people, delicate children, after sickness, and for stubborn coughs and colds Vinol is unequaled.

The question of good clothes is one that comes up to all of us every season.

You've probably got to buy something this Fall-a suit perhaps, or an overcoat-or taybe both.

One special point we want to make-get this: We want you to buy your clothes here, as much for the sake of what you'll get out of it, as for what we'll get. The right idea of a business transaction is a mutual advantage-a fair and equal exchange of values. That's the way we want to do business.
