It's a pity when sick ones drug the stomach or stimulate the heart and kidneys. That is all wrong! A weak stomach means weak stomach nerves, always. And this is also true of the heart and kidneys. The weak nerves are instead crying out for help. This explains why Dr. Shoop's Restorative is promptly helping stomach, heart and kidney ailments. The Restorative reaches out for the actual cause of these ailments—the falling "inside nerves." Anyway test the Restorative 48 hours. It won't cure so soon as that, but you will surely know that help is coming. Sold by all dealers.

HAD QUIT WORK READY TO GIVE UP IN DESPAIR Restored to Health By Vinol

"I was sick, run-down and finally had to give up work. After trying a number of remedies and several physicians, I was just about ready to give up in despair. I saw Vinol advertised and decided to try it, and it has done more good for me than all other means combined. It has built me up and restored my strength until I now feel twenty years younger, and am able to attend to my work again as usual." Job Jeavons, 1036 Lind street, Wheeling, W. Va.

The reason Vinol is so successful in such cases is because it contains tonic iron and all of the strengthening blood-making and body-building elements of cod liver oil, but no oil. Vinol is unexcelled as a strength creator for old people, delicate children, weak, run-down persons, and after sickness—and is the best known remedy for coughs, colds and bronchitis.

We return your money if Vinol fails to give satisfaction.

BOHEMIAN CATHOLICS

First Organized Societies in Plattsmouth and South Omaha.

The South Omaha Bohemian Catholic turners from the national association will leave Thursday evening for Chicago to attend a meeting of the turners of the organization.

The primary organization was first launched on September 17, 1908, by South Omaha with the co-operation of Plattsmouth, and soon twelve branches were organized in quick succession, were Baltimore, Detroit, Chicago, Cameron, Haletsville and Shriner, Tex., St. Louis and Verd-gren.

The meeting in Chicago will be to see what can be done to promote athletics and enlarge the association.

A tournament will be held Friday and prizes will be awarded. The South Omaha turners expect to be in on some of the prizes awarded next Sunday at the Bohemian Turner hall in Chicago. On this date an athletic exhibition will be given by the turners in which the Slavonic and German turned lodges of Chicago will take part.

Those going from South Omaha are the Rev. J. Chundelak, chaplain; John Franek, president; John Pecha, physical director; James Stanek, John Kramolish and Peter M. David, judges; Boh Malec, Joseph Malec, Jacob Lorenc, Joseph Novotny, Ed. Svancina, James Kocarnik, Antone Dvorak, Antone Pavlas, Ed. Pivonka, Charles Pivonka, James Povondra and Fred Zikmund.—Omaha News.

A Place to Rehearse.

Innumerable new conditions are constantly arising, owing to the rapidly increasing power of the independents in the theatrical world, and as each of those have to undergo at least four week's rehearsal in the course of production, the demand for places to rehearse is growing. In New York city it is indeed a serious matter for a company of actors to secure a place to rehearse between July 15 and September 15. Early in the summer the stages of all the theaters, as well as the halls, are snapped up by rival combinations for rehearsing. It is then that the real search for available places begin. Empty stores, lofts and on many occasions even churches are pressed into service. The owner of a first-sized room in Manhattan can obtain almost any rental for the brief use of his property. When "The Beauty Spot," which comes to the Burwood theater, Omaha, on September 12, for an entire week was preparing for its visit to Chicago after a six months' run in New York several rehearsals were required in order to put in a lot of bright and new lines suitable to meet the demand of the western public. A search for available rehearsing space proved fruitless. It was then that Mr. Jefferson De Angellis, the starter of this company inaugurated a new departure in rehearsals. His search leading him to the Bronx he happened upon a vacant lot surrounded by monster billboards. The happy thought struck him that this was an ideal place for an open air rehearsal with nature forming the scenery and stage accessories, and plenty of good, wholesome fresh air to enliven the company. He, therefore, secured it and his judgment was justified in the splendid results accruing therefrom.

Eagles Go To Omaha.

The Eagles of this city made a very respectable showing in numbers attending the big doings in Omaha today, sending quite a delegation to participate in the march. They did not wear any distinctive uniform, merely a black cap with a white band around it, bearing the letters "F. O. E. 365." The marchers also had a neat red badge similarly lettered. They formed in line at their hall and marched to the Burlington station. They expect to have a great time and to enjoy themselves to the utmost.

Among the number going from here were Henry Kaufman, Jr., B. G. Wurl, Guy McMaken, F. G. Egenberger, John Wooster, Henry Miller, J. W. Bookmeyer, Jos. McCarty, John McNurlin, Frank Beal, Wm. Henriksen, John P. Sattler, Sam Smith, Albert Scuttler, J. E. McDaniel, Wm. Winn, Claus Speck, John Kirkham, Wm. Weber, Al. Reinbackel, R. W. Toogood, Joe Libershal, Frank Libershal, Louis Leiner, Walter Gochenour, O. P. Monroe, Ed. Ackerman, Ed. Donat, Frank E. McElroy, Dr. J. S. Livingston, H. E. Rand.

Get Well First

Don't risk even a penny—until health first returns.

And I mean just exactly that. I am the one physician who says to the sick "I will not out of my own pocket, pay for your medicine if it fails to bring you help." And for 29 years Dr. Shoop's medicines have been used and recommended in every city and hamlet in America. They are positively standard in every community—and everywhere. Then why pay the cash, and at your risk, for other unwarranted and uncertain medicines? Thousands upon thousands have in the past successfully used Dr. Shoop's Restorative. When the stomach nerves, or the heart or kidney nerves fall, these sick ones know how quickly Dr. Shoop's Restorative will bring them back to health again. But best of all, they positively take no money risk whatever. They know that when health fails to return, Dr. Shoop will pay the drug bill. And for that test a full 30 day treatment is freely granted. But write me first for an order. This will save delay and disappointment. All druggists sell Dr. Shoop's Restorative and Dr. Shoop's Rheumatic Remedy, but all are not authorized to give the 30 day test. So drop me a line please—for I have appointed an honest and reliable agent in almost every community. I will issue my "no money risk" medicine to the sick, tell me about it, and I will send you a new and helpful idea to those who are not well. Besides, on an order, I will send you a simple, sure, and safe home remedy. My advice and the book below are yours—and without cost. Perhaps a word or two from me will clear up some serious ailment. Break Team to Auto.

Guy McMaken, who drives the large team of horses on McMaken & Son's dray, this morning concluded to break the team to automobiles, and for that purpose had William Volk work his machine in front of them. All kinds of devices were tried to scare the animals, and they did scare, but only for a moment, as they soon recovered their composure and stood still while the machine was worked in every conceivable way. It was an interesting sight to see the big animals when they heard the sound of the machine. They plunged and reared, but to no avail and presently they displayed an interest almost human in the workings of the machine. The team was driven alongside the machine, and when the test was over the team was driven away thoroughly easy and broke to face the machine in any stage of movement.
