Always Bright.

"The used key is always bright," is an old saying. Steady work does not allow the key to rust. A man working steadily is healthy and full of energy, while the slow and lazy man soon becomes unfit for any kind of work. As soon as his organs fail to perform their duty they become sick. Should you notice such a condition, take care to cure yourself. If your appetite is not as good as it should be, or if you feel tired without cause, it is time to use Triner's American Elixir of Bitter Wine, an excellent tonic and stomachic. Use it in all maladies of the stomach, blood and nerves. At drug stores. Jos. Triner, 1333-1339 South Ashland avenue, Chicago, Ill.

Don't Risk even a penny—until health returns. And I mean just exactly that.

I am the one physician who says to the sick, "I will not put you out of my pocket, pay for your medicine if it fails to bring you help!"

And for 20 years Dr. Shoop's medicines have

been used and recommended in every city and hamlet in America. They are positively standard in every community—and everywhere.

Then why pay the cash, and at your risk, for other unwarranted and uncertain medicines? Thousands upon thousands have in the past successfully used Dr. Shoop's Restorative.

When the Stomach, Liver, or Kidney nerves fail, or the Heart, quickly Dr. Shoop's Restorative will bring them back to health again. But best of all, they positively take no money risk whatever.

They know that when health fails to return Dr. Shoop will himself gladly pay the druggist for that test. And for that test a full 30 day treatment is freely granted.

But write me first for an order. This will save delay and disappointment.

All druggists sell Dr. Shoop's Restorative and Dr. Shoop's Rheumatic Remedy, but all are not authorized to give the 30 day test. So please—write to me for an honest and responsible druggist in almost every community, every where, to issue my "no help, no pay," medicines to the sick.

Tell me also which book you need.

The books below will surely open up new and helpful ideas to those who are not well. Besides, you are perfectly free to consult me just as you would your home physician. My advice and the book below are yours—and without cost.

Perhaps a word or two from me will clear up some serious ailment. I have helped thousands upon thousands by my private prescription or personal advice plan. My best effort is surely

"I've been buying my clothes in Omaha, paying \$15, \$16.50 and \$18 and getting 'crackin' good suits."

I need a suit and overcoat this fall. Heard so much about your new store and about how you're selling such good suits at a low price thought I'd come in."

That's what a man said in our store this week. He was the easiest man that we've sold in some time, bought a suit and overcoat. He was a judge of quality and style.

We sold him a "crackin' good suit" for \$16.50 all wool, good style and guaranteed to hold its shape and color. We were both happy, he got more than he'd been getting for his money, and we had made an honest profit. Come in, we'll show you more patterns in your size than you've ever been shown.

All wool suits \$10 to \$30.
