Plain Truth.

There can be only one truth. It was stated by us for years that in disease of the digestive organs Triner's American Elixir of Bitter Wine is a reliable remedy containing no deleterious ingredients. This was plain truth. Our people can bear testimony to our statement having used, with perfect success, this remedy for twenty years. The sales of it are growing from year to year, which in itself is the best proof of its virtues. When ever there was in the family any sickness at the stomach or the nerves were weak, the blood poor and the bowels refused to work, Triner's American Elixir of Bitter Wine brought a speedy relief, improved the appetite, strengthened the nerves, purified the blood. At drug stores. Jcs. Triner, 1333-1339 Ashland, avenue, Chicago, Ill.

It Tastes Good and Creates Strength
Vinol

the famous cod liver and iron medicine, without oil. Vinol is much better than cod liver oil and emulsions, because, while it contains all the medicinal value they do, it disagrees with no one. As a body builder and strength creator for old people, delicate children, after sickness, and for stubborn coughs and colds Vinol is unequalled.

A Public Benefit

Plattsmouth People Greatly Interested in the Generous Offer of F. G. Fricke & Co.

The people have already demonstrated that they would rather trust a man who is naturally honest than one who is honest only because he had to be.

F. G. Fricke & Co., have a firmly established reputation for square dealing and sterling honesty. When they told the people that Rexall Remedies are the purest and most dependable medicines that it is possible of modern science to produce, and that they would tell the public what each one of these 300 or more remedies contained, and that they sold Rexall Remedies on their personal guarantee that they would give entire satisfaction or they would not cost the user a single cent, they were believed.

Ever since this announcement F. Fricke & Co's store has been largely patronized by people buying Rexall Remedies, all of which proves that this store has the confidence of the people and that honesty is the best policy.

There is no "cures-all" among the Rexall Remedies. There are different and separate medicines, each one devised for a certain human ailment or a class of ailments closely allied. For instance Rexall Dyspepsia Tablets are recommended for the positive relief of stomach irritation, indigestion, flatulency and dyspepsia. They are rich in Bismuth-Subnitrate, Pepsin and Carminatives. They are prepared by special process which perfect and enhance the great remedial value of these well-known medicinal agents. This remedy sells for 25 cents, 50 cents, and \$1.00 per package. Every one suffering from stomach disorder should try Rexall Dyspepsia Tablets, inasmuch as they cost nothing if they do not satisfy.

Remember F. G. Fricke & Co., union block, Plattsmouth is the only store in Plattsmouth where these medicines may be obtained, and every one in need of medicine is urged to investigate and take advantage of the frank and generous manner in which they are sold.

Aids Nature

The great success of Dr. Pierce's Golden Medical Discovery in curing weak stomachs, watery bowels, weak lungs, and obstinate and lingering coughs, is based on the reasonable use of the four essential truth that "Golden Medical Discovery" supplies Nature with body-building, tissue-repairing, muscle-making materials, in condensed and concentrated form. With this help Nature supplies the necessary strength to the stomach to digest food, build up the body and thereby throw off lingering obstinate coughs. The "Discovery" re-establishes the digestive and nutritive organs in sound health, purifies and enriches the blood, and nourishes the nerves—in short establishes sound vigorous health.

If your dealer offers something "just as good," it is probably better FOR HIM—it pays better. But you are thinking of the cure not the profit, so there's nothing "just as good" for you. Say so.

Dr. Pierce's Common Sense Medical Adviser, in Plain English; or, Medicine Simplified, 1006 pages, over 700 illustrations, newly revised up-to-date Edition, paper-bound, sent for 21 one-cent stamps, to cover cost of mailing only. Cloth-bound, 31 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.

Change in Time.

It is announced that commencing next Sunday the Missouri Pacific will make a general change of time on all its trains in this section. Train No. 104, which leaves Omaha at 9 a. m., now will be changed to leave there at 9:40 a. m., forty minutes later than now which would put it through here at about 10:25 a. m. This train is to arrive at Kansas City at 6:05 p. m. instead of 5:25 p. m., as now. Train 105 will leave Kansas City at 10:00 p. m., instead of 7 a. m., as now. This would put it through here about 5:50 a. m. Train 106 will leave Omaha at 11:45 p. m., instead of 11:15 p. m., as now and arriving here about 12:30 a. m., instead of 12:03 and in Kansas City at 7:50 a. m., instead of 7:20 as at present.

The local office of the Missouri Pacific has not received official notice of the projected change and there was some doubt expressed as to whether the change would be made until the laying of the heavier steel on the line was completed. However, it will be well to bear the report in mind.

New Members' Reception.

The reception given by the congregation of the Christian church last evening for the new members who united with the church during the Wilhite-Tuckerman meetings was a flattering social success, and the large attendance was certainly a true indication of the spirit of welcome. Luther Moore, vocal solo by Mrs. Mae Morgan, recitation by Miss Josephine Hall, vocal solo by Mr. B. A. McElwain, recitation by Miss Bernese Newell and an address by Rev. Moore.

Following the address, Rev. Moore read the names of the new members and the names of each old member, who will have charge of each new member and as the new and old members were read, they walked to the front of the church.

The Majestic Theatre.

The Majestic theatre since Prof. H. S. Austin assumed the management of it, has been making a record for swell productions and for giving the people the best show for their money ever put on in the city. The bill for this week is a particularly good one and worth seeing. The premier of the bill is "Moon Bird," a musical production in which daintiness and winsome little Edith Dovey takes the leading part, being assisted by four little American queens, the Misses Katherine Fitzgerald, Myrtle Saffer, Marie Fanger and Grace Pein. Without exception this production is one of the prettiest and daintiest ever shown on any stage here. It is quite unnecessary to speak of the finished work of little Miss Dovey. Endowed by great natural talent this little lady makes a distinct hit in this entertainment and meets with popular approval. Her support is excellent, the four little misses winning great applause and meriting every bit of it.

In addition the bill includes Henry N. Wagner, operatic baritone, who is a star attraction and whose numbers receive many encores. Miss Gretchen Donnelly, also a finished singer, sings the illustrated songs and receives a full share of the applause. In addition to all this there is shown 3,000 feet of moving pictures, all the latest and best. In fact, if merit wins Prof. Austin has determined to have the Majestic stand at the front.
