THE CAUSE OF COLDS

Good Advice Regarding the Prevention of Coughs and Colds

If people would only fortify and strengthen the system, the majority of cases of coughs, colds and pneumonia might be avoided. These troubles are frequently due to weakness which produces a catarrhal condition of the mucous membrane, which is an internal skin of the body. When this skin is weakened it becomes easily infected with germs which cause many of the diseases to which flesh is heir. Healthy mucous membranes are essential safeguards of the body's general health.

An excellent aid in the prevention of coughs, colds, pneumonia, and such like infectious diseases, is a remedy that will prevent or cure catarrh.

We have a remedy which we honestly believe to be unsurpassed in excellence for the prevention of coughs, colds and all catarrhal conditions. It is the prescription of a famous physician, who has an enviable reputation of thirty years of cures gained through the use of this formula. We promise to make no charge for the medicine should it fail to do as we claim. We urge everybody who has need of such a medicine to try Rexall Mucuo-Tone.

It stands to reason that we could not afford to make such statements and give our own personal guarantee to this remedy if we were not prepared to prove the reasonableness of our claim in every particular, and we see no reason why any one should hesitate to accept our offer and try it. We have two sizes of Rexall Mucuo-Tone, prices 50 cents and \$1.00. Sometimes a 50 cent bottle is sufficient to give marked relief. As a general thing the most chronic case is relieved with an average of three large bottles. You can obtain Rexall Remedies in Plattsmouth only at our store, The Rexall Store, F. G. Fricke & Co., Union block.

Fear for the Worst.

George Sitzman and family of St. Joseph, Mo., came in this morning, being called here by a message announcing the critical illness of his father George Sitzman, Sr., living at Cedar Creek. They were passengers on No. 29 for that place. The elder Mr. Sitzman has been in very poor health for some time past and his condition has recently grown so alarming that his life is despaired of. Owing to the nature of his complaint it is hardly possible that anything for his permanent relief can be done and his family fears for the worst.

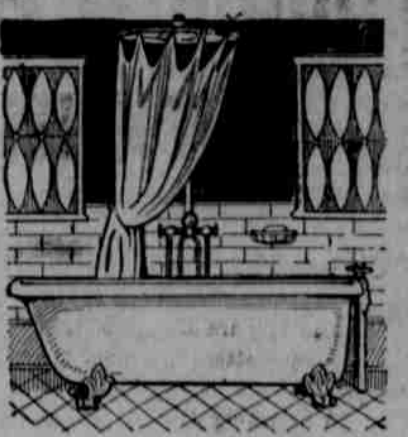

Some Take Water

But we don't — not in the Plumbing business. We claim to do the most thorough, perfect, clean and satisfactory Plumbing work of any concern in the town, and we back up our assertion by proving it. Every bath room should be fitted with a perfect sanitary system of piping and drainage. There should be but little chance for foul air or

stagnant water to collect in bowl, trap or elbow. Perfect plumbing in a house often means perfect health to the household, and inferior plumbing may mean sickness and—worse. Let us have the fixing of your household plumbing, and we will guarantee to save a lot of your annual doctor bills.

Real Estate Transfers.

A number of transfers of real estate were filed today in the office of Register of Deeds Snyder among them being one of the William Volk farms near Louisville, recently purchased by T. E. Parmele from Mr. Volk for \$24,000. The property is the southeast quarter of section 34, town 12, range 12. The last transfer is from Thomas E. and Nellie M. Parmele to James Terryberry and the consideration is \$24,000 while Terryberry also assumed a mortgage of \$2,500 on the premises, making the net cost \$26,500 or \$165.60 approximately per acre.

A deed conveying the west half of the west half of the west half of section 18 and the east 48 acres of the northwest quarter of section 18 all in town 10, range 9 from Rebecca M. Clemons et al to Carl J. Sack, this being an estate settlement and the consideration being \$1.

Two deeds affecting property in the town of Eagles were filed. Frank and Nora Clements, husband and wife, sold lots 7, 8, 9, 10, 11, 12, in block 20, Eagle, to Oscar Kell for the consideration of \$500. Also a deed from Nora and Frank Clements, wife and husband to Oscar Kell of lots 2 and 3, in block 20, Eagle, for the consideration of \$2,500. A mortgage was given back to Nora Clements by Oscar Kell and wife for \$2,500 covering all of the property conveyed above.

Charlotte I. and S. R. Smith, wife and husband conveyed lot 9, and the east half of lots 11 and 12, block 72, Weeping Water to Emma F. Hunter for the consideration of \$160.

W. P. and Mary A. Thorp conveyed to Silas O. Davis the west half of lot 3 and all of lots 4 in block 11, Duke's addition to Plattsmouth for the consideration of \$1,500.

In sickness, if a certain hidden nerve goes wrong, then the organ that this nerve controls will also surely fail. It may be a Stomach nerve, or it may have given strength and support to the Heart or Kidneys. It was Dr. Shoop that first pointed to this vital truth. Dr. Shoop's Restorative was not made to dose the Stomach or Kidneys. That old-fashion method is all wrong. Dr. Shoop's Restorative goes directly to these failing inside nerves. The remarkable success of this prescription demonstrates the wisdom of treating the actual cause of these failing organs. And it is indeed easy to prove. A simple five or ten days test will surely tell. Try it once, and see! Sold by all dealers.

The Clarence Case.

County Attorney Ramsey departed last evening for Lincoln where he will assist the attorney general today in arguing the case of the State vs. Clarence which is for hearing in the supreme court upon the appeal of the defendant from the verdict of the jury in district court. The case is quite easily recalled by Journal readers. It was that wherein John Clarence was charged with murder in the first degree by shooting and killing John P. Thacker. The parties resided near Union. The trial took several days and resulted in a verdict of guilty of murder in the second degree and a sentence of fourteen years in the penitentiary. He made the usual motion for a new trial which was over-ruled and the case went to the supreme court on appeal. Matthew Gering assisted the prosecution while the defense was conducted by Byron Clark.

If troubled with indigestion, constipation, no appetite or feel bilious, give Chamberlain's Stomach and Liver Tablets a trial and you will be pleased with the result. These tablets invigorate the stomach and liver and strengthen the digestion. Sold by all dealers.

The Best Teacher.

An old proverb says that experience is the best teacher. We learn by experience. If we did not have a chance to find out the merits of a thing ourselves, we would have to rely upon the experience of others. If all of them agree, you will accept their verdict readily. If you did not have an opportunity to try Triner's American Elixir of Bitter Wine in stomach troubles and badly weakness, we wish to refer you to thousands of sufferers who had the experience and who pronounced it to be the greatest remedy in such cases. Try it as soon as your stomach is out of order, your appetite poor, your nerves weak. Try it in colic, griping, nausea, vomiting. Try it when you will feel indisposed, nervous and easily tired. At drug stores. Jos. Triner, 1333, 1339 So. Ashland Ave., Chicago, Ill.

Fractured His Left Arm.

Plattsmouth people will be shocked to hear of Uncle Ben Marler of Myrard, one of the oldest men in Cass county, sustaining a severe fracture of the left arm just above the wrist yesterday. The aged man slipped and fell some time yesterday afternoon and in so doing his left arm was caught in such a manner as to snap the bone just above the wrist. Owing to his advanced age, he being 94 years of age, the injury is a dangerous one as he suffers severely from the shock. Dr. Cummins of this city was hurriedly summoned and reduced the fracture making the aged man as comfortable as possible. The doctor expresses hope that no serious results will follow the accident even though the venerable man is severely shocked by the accident.

A Big Public Sale.

A. B. Tucker and H. H. Stahl from near Nehawka, were in the city Monday evening looking after some business matters and while here Mr. Tucker called at this office and ordered bills for his public sale to be held at his home on the 24th of February, as will be seen by an advertisement elsewhere in this issue of the Journal. Mr. Tucker has a lot of property, some mighty good horses and should have a good sale. Mr. Tucker intends to move to Riverside Call., which is evidence that everything must be sold.

I have the reputation of being a good man to sharpen your horse shoes for icy roads; but the modern

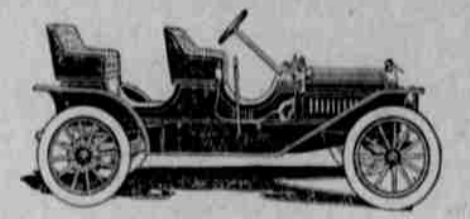

ROWE WELDED TOOL-STEEL CENTER CALKS

are better—they wear longer—and are always sharp; so I must recommend them—even though I don't make much out of it. I can't afford to be old-fashioned at the expense of my good customers. Rowe Calks save you, your horse and your money. They can be easily taken out and soft-road "Blunt Calks" put in when a thaw comes, thus saving the Steel-Center Calks and still assuring a good climbing power.

\$750 - SCHACHT - \$850

This illustrates the Schacht "Three Purpose" car, which is especially adapted to the use of Doctors, Farmers, Business Men and Salesmen. It makes an attractive Runabout, a cozy Family car, and can be converted into a Light Delivery car in five minutes. The Schacht is the car for travel in the country, having 17-inch road clearance and power to climb any hill. The farmer will find the Schacht a useful car, one that from a business point of view, say nothing about the pleasure feature, he cannot afford to be without. It can be supplied with an attachment at a cost of \$5 that will enable him to use the engine for pumping water, separating grain, etc. If you would be interested in the greatest car on the market at anything like \$850, write us today for further information concerning the Schacht.
