Pleasantly Entertained.

The beautiful home of Mr. and Mrs. Silas Long on high school hill last Saturday evening was the scene of a merry gathering when a large number of friends attended a reception given Mr. and Mrs. R. M. Cole of Alberta, Canada, who are making a visit of several weeks with Mr. and Mrs. Long and other relatives. Mr. Cole is the youngest brother of Mrs. Long.

The evening was a most rare one, there being an abundance of pleasures and everyone given a most delightful occasion. There were innumerable games, one very laughable one being naming the minister's cat, a pastime which everyone hugely enjoyed and which caused roars of laughter. There were other games had which were most amusing. In addition some superb music was given, there being a number of charming voices in the audience. Speaking was another feature of the evening which served to handsomely pass the time away and it was a late hour when the guests found themselves obliged to go home. In fact, they came near being caught by the lights going out but they had such a good time they didn't mind that. There was an attendance of some forty-five guests in all.

Y. M. B. C. Lecture.

His address was confined to a discussion of the human body and especially the heart, the frailties of the human body and heart. He then spoke at length on accidents which the human frame might encounter and the best medical treatment in such a case. A more complete account of this most interesting talk will be given in these columns tomorrow.
