Son a Distinguished General.

G. G. Garcia representing H. B. Claffin & Co., of New York, spent last evening in the city, having an interview with George E. Dovey, head of Dovey & Son and taking orders from that enterprising firm for fall goods. Mr. Garcia is a son of a distinguished sire, being the son of General Garcia, the great Cuban general. He is a refined and polished gentleman and a thorough American, no indication of his Spanish ancestry. He laughingly referred this morning to his father's determination at one time to fight the United States and stated that he had never entertained such views but, on the contrary, he was more than pleased with the country and the American people. He speaks English as if it was his mother tongue and is a pleasing conversationalist. Mr. Garcia's territory does not include Nebraska but covers Colorado, New Mexico and Arizona, where Spanish speaking people abound, his house finding it necessary to have some one on that territory who could speak that tongue. He made this city and one other Nebraska city owing to the inability of the regular man to make the territory just now and he was glad to say his trip here was a success. He departed this morning for the west being accompanied as far as Omaha by Mr. and Mrs. George E. Dovey who will spend the day in that city.

Didn't Do it on Purpose.

Fred B. Egenberger who drives the fiery untamed steeds on the delivery wagon of the Plattsmouth Bottling works, this morning suffered a disaster when one of the rear wheels of the wagon collapsed and let the corner of the wagon down on the pavement with a loud bang, incidentally spilling a good portion of the sawdust over the street in front of the store of A. Bach on east Main street. Fred had just turned into Main street from the alley and was going at his usual terrific pace when the wheel which was minus several spokes let loose. He denies that he purposely caused the accident so that he could be off duty and celebrate St. Patrick's day in the mornin' but his boss is said to have suspicions of his own and he got another wagon and set the gentleman to work at once. The only damage done was the destruction of the wagon wheel and injured feelings of Mr. Egenberger.

DRAG THE ROADS.

When the smiles of spring appear,
Drag the road!
When the summer time is here,
Drag the road!
When the corn is in the ear,
In the winter cold and drear;
Drag the road!
When you've nothing else to do,
If but an hour or two,
Drag the road!
It will keep as good as new,
With a purpose firm and true,
Fall in line—it's up to you—
Drag the road!

The neckyokes are on sale in Plattsmouth by all implement dealers and the buggy and wagon pole is for sale by E. Manspeaker. Call on them.

FREE IF IT FAILS

Your Money Back if You are Not Satisfied with the Medicine We Recommend.

We are so positive that our remedy will permanently relieve constipation, no matter how chronic it may be, that we offer to furnish the medicine at our expense should it fail to produce satisfactory results.

It is worse than useless to attempt to cure constipation with cathartic drugs. Laxatives of cathartics do much harm. They cause a reaction, irritate and weaken the bowels and tend to make constipation more chronic. Besides, their use becomes a habit that is dangerous.

Constipation is caused by a weakness of the nerves and muscles of the large intestines or descending colon. To expect permanent relief you must therefore tone up and strengthen these organs and restore them to healthier activity.

The discovery of the active principle of our remedy involved the labor of the world's greatest research chemists. As an active agent it possesses the valuable qualities of the best known intestinal tonics as well as being particularly pleasant and prompt in its results.

We want you to try Rexall Orderlies on our recommendation. They are exceedingly pleasant to take, being eaten like candy, and are ideal for children, delicate persons and old folks, as well as for the robust. They act directly on the nerves and muscles of the bowels. They apparently have a neutral action on other associate organs or glands. They do not purge, cause excessive looseness nor create any inconvenience whatever. They may be taken at any time, day or night. They will positively relieve chronic or habitual constipation, if not of surgical variety, and the myriads of associate or dependent chronic ailments, if taken with regularity for a reasonable length of time. They come in two sizes of packages, 12 tablets, 10 cents; 25 tablets, 25 cents. Sold in Plattsmouth only at our store—The Rexall Store. F. G. Fricke & Co., Union block.

Former Mayor H. R. Gering came down from Omaha this afternoon to attend to business matters.

Commercial Club Meeting.

The regular meeting of the commercial club will be held tonight at their rooms in Coates' hall. All members are especially urged to be present as there will be a report on the good roads proposition on hand. The committee appointed at a previous meeting consisting of Messrs. A. S. Will, John Bauer, Jr., and Bert Pollock will report and the report will make very interesting reading. The matter of good roads for the city is one of vital importance to all and the club desires every business man to be present and take the subject up. The merchants are especially interested in the outcome of the agitation for good roads and they should make it a point to be present and put themselves on record as to their position in the matter. The meeting convenes at 8 p. m., sharp, tonight.

Will Not Attend.

The Journal yesterday stated that the district meeting of the Odd Fellows which is in session at Nebraska City today would have a large delegation headed by W. Holly, deputy patriarch. It was incorrect and arose from a misunderstanding by the reporter who is not familiar with the officials of the order. The delegation from this city should have been in charge of F. H. Steimker, district deputy grand master, Mr. Holly being deputy patriarch of the encampment. Owing to the pressure of business, Mr. Steimker found himself unable to get away today to attend the rally but a number of other members of the order together with several candidates for initiation were passengers for Nebraska City this morning.
